邵逸夫先生熱心教育事業，連年以巨款捐助內地學校。為促進教育發展，加速人才培養，做出了巨大的貢獻。這套畫冊將分集介紹邵逸夫先生捐資興學的事蹟，以弘揚他的精神，表彰他的業績。

鄧小平同志對我國建設的英明決策，使國家的發展進入了一個新的歷史階段，百業待興，教育為本。興學重教是中華民族的優良傳統。在中華民族力爭繁榮昌盛之際，扶助教育，啓迪青少年智慧，廣育中華英才，尤為必要。邵逸夫先生以巨款捐助教育，造福桑梓，澤及後人，其博大胸懷和遠見卓識，令人敬佩。

多年來，邵逸夫先生先後向80多所大學捐贈巨款，興建圖書館、教學樓、科學館等，使學校的辦學條件明顯改善，為師生刻苦治學提供了優良的條件和環境。邵逸夫先生對大學的贈款項目，已遍佈長城內外，大河上下。這些矗立在校園內的建築，均為本校校園內最好、最美的建築，風格典雅，環境優美，堅固耐用，是師生理想的教學、科研場所。大學是培養高級專門人才的地方。當前，國家建設十分需要高級專門人才。因此，邵逸夫先生對大學的慷慨捐助，是十分符合國家需要的。

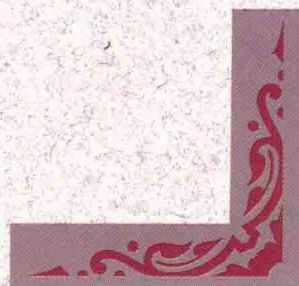

近兩年來，邵逸夫先生還向中、小學廣泛贈款。中、小學教學是國民教育的基礎，涉及勞動者和全民族的素質，人民文化水平的高低，十分重要。

到1992年止，邵逸夫先生向內地大學、中學、小學的贈款項目已有236個，共計贈款六億六千五百八十萬港元。邵逸夫先生的拳拳愛國之心，激勵師生進取，受到廣泛讚譽。

邵逸夫先生六十多年來致力於電影事業，取得了很大的成就，是一位非常成功的實業界人士。他最近談及他的人生哲學時說：“取之於民，用諸於民。”這雖然是有識之士常談的話，但真正能夠坐言起行的委實不多。一位朋友詢問邵逸夫先生，他為甚麼這麼專注於教育事業，邵逸夫先生回答說：“國家振興靠人才，人才培養靠教育，培養人才是民族根本利益的要求。”邵逸夫先生這幾句話，表示了他對他人、對教育事業、對國家的愛心。邵逸夫先生視教育事業的興旺發達，英才輩出，作為對自己最豐盛的回報。邵逸夫先生的崇高精神及巨大貢獻，受到了社會各界廣泛的讚揚及尊敬，有口皆碑。他的功績將為人們永遠銘記。

在此畫冊第一集出版之際，謹以此向邵逸夫先生表示深深的謝意及敬意。

Mr. Run Run Shaw is very enthusiastic about education. For many years, he has made generous donations and profound contributions to the schools in China to promote education and speed up training of people. This series of albums will record and show, one by one, the good work of Mr. Run Run Shaw in funding schools, honour his charitable spirit and commend his achievements.

The promulgation by Comrade Deng Xiaoping of a wise and thoughtful policy on China's development has ushered the country into a new historical phase in which the attainment of national prosperity hinges very much on education. Funding and promoting education has always been a good tradition of the Chinese people. Strengthening education, opening up young people's mind and training more people have become indispensable at a time when the Chinese people are striving for growth and prosperity. Mr. Run Run Shaw should be highly commended for his far-sightedness and benevolence in donating so generously for strengthening China's education and improving the well-being of its people.

For years, Mr. Run Run Shaw has donated a large sum of money to 80 universities and colleges for the construction of libraries, academic buildings, science buildings, etc. in order to improve the learning environment for students and teaching staff. Projects funded by Mr. Shaw's donations can now be found all over China. These buildings all have own unique styles and are built to the highest standard on beautiful campuses. They have become the best and the most attractive structures on campus, serving as ideal venues for learning, teaching and scientific research. Universities are where professionals are trained and professionals are much in need in China's development these days. Thus, Mr. Run Run Shaw's magnanimity in funding the cause of education has fulfilled China's needs.
