#### **Asking for directions**

Below is a sample speech. Use the same format to make your own.

#### sample

Sometimes I ask for directions when I want to go somewhere.

One time, I was going to City Hall from my house. It was my first time going to City Hall, so I didn't know how to go. I searched the Internet to find the way. From the Internet, I found that I should take the subway first. Then, I should get off at City Hall Station on line number 4. It was very simple and easy. Next time when I need to go somewhere new, I will use the Internet for directions.
