深圳经济特区成立以来,一批又一批创业者汇聚在这块热土,用智慧和汗水, 铸造了深圳举世瞩目的辉煌,他们的功勋和姓名与深圳相互辉映。

为进一步丰富深圳市档案馆馆藏,根据《广东省名人档案管理办法》的有关规定,从2000年起,深圳市档案局(馆)聘请著名摄影家刘晓华女士对深圳各个行业、各个领域的杰出人物进行肖像摄影,并通过采访,收集其创业口述、笔迹档案史料。这些人是深圳所有创业者的杰出代表,从他们身上不仅反映出深圳波澜壮阔的发展历史,而且折射出中华民族自强不息、坚韧不拔的精神气概。今天,深圳市档案局(馆)特编辑出版《深圳创业者肖像摄影集》一书奉献给大家,希望通过摄影这一艺术形式,既将创业者的照片档案较为完整地保存下来,又能进一步展现他们的风采,反映特区人的精神风貌。创作人员用其精湛的摄影艺术记录下一幕幕珍贵历史瞬间的同时,也记录下每一位创业者的人生格言。这些格言或是对理想的追求,或是对人生的感悟,或是对后人的期望,无一不具有鞭策和启迪作用。

该书共汇集了158位共316幅创业者的照片,分为八大类:政治类、经济类、科技类、教育类、文化类、卫生类、体育类、劳模类。政治类人物均担任过副市级(含副市级)以上职务,其他类人物均获过国家级奖励,有的是经过本单位、本系统慎重讨论后推荐的。所有入选人物的简历均经过中共深圳市纪律检查委员会和中共深圳市委组织部审核。

由于篇幅有限,《深圳创业者肖像摄影集》难以将每一位杰出的创业者收入其中,我们深感遗憾。但我们深信,该书的编辑出版仅仅是一个起点,今后,深圳市档案局(馆)在继续加强各种特色档案征集工作的同时,将会有更多更好的成果问世,为深圳乃至全国的两个文明建设做出更大的贡献!

Since the establishment of the Shenzhen Special Economic Zone in the year of 1980, a lot of pioneers have gathered in this vigorous city and created splendor with their wisdom and hard working.

In order to enrich the files of Shenzhen Archives, from 2000 on, Shenzhen Municipal Archives Bureau invites famous photographer Liu Xiaohua to take pictures of the city's important persons in various sectors. All of the persons selected are excellent representatives of the city's pioneers during the past 20 odd years. From their own experience and devotion to work, we get to know not only the development history of Shenzhen, but also the perseverance and undaunted spirit of Chinese people.

Sponsored by Shenzhen Municipal Archives Bureau, the picture book, Shenzhen Founders Photo Album, will be published and offered to readers. The book will work not only as a record of those pioneers, but also show their charisma and noble character.

With her expertise, the photographer keeps file of precious and historical moments for each founder. She also records the mottoes of those founders. Some of the mottoes show the intention to pursue the true meaning in life, some are perception of life, other mottoes express the hopes for younger generations. But all the mottoes are instructive and thought-provoking.

The book is composed of 158 selected founders with 316 pictures. According to their professions, the founders are classified into eight categories, namely, politics, economics, science and technology, education, culture, hygiene, sports, model workers. All political figures selected are above vice-mayor level. Other professionals selected all boast State-level honors.

All of the founders selected in the book are recommended by their own institutions and finally approved by Shenzhen Municipal Discipline Inspection Commission and the Organization Division of the CPC Shenzhen Municipal Committee.

Because of limited space, we feel regretful that not all qualified candidates can be chosen in the book. But I am confident that publishing of the book is only a start point. In the future, Shenzhen Municipal Archives Bureau, will try to collect more files and publish more books, so as to do greater contribution to the material and spiritual civilizations construction of Shenzhen.
