前言

中国人民解放军海军诞生于1949年4月23日。伴随着共和国阔步前进的步伐,人民海军走过了半个世纪的光辉历程。

以毛泽东、邓小平、江泽民为核心的党中央三代领导集体洞察风云,运筹帷幄,指引人民海军在艰苦中创业,在战斗中成长,在胜利中前进。人民海军从无到有,从小到大,逐步发展成为一支由多兵种组成、初具现代化规模的近海防御力量。

50年来,人民海军加强军事训练、政治工作、后勤保障和武器装备建设,在保卫祖国海洋国土,捍卫祖国海洋主权的战斗

中取得了辉煌战绩,为完成国家赋予的重大任务,支援社会主义建设做出了重大贡献。

喜迎千年更迭的新世纪和共和国建国50周年前夕,人民海军迎来了成立50周年纪念日。浓缩历史与现实,奋斗与发展的《中国海军》大型摄影画册,将是一份特殊的礼物,饱含着几代海军官兵对共和国的忠贞情感,也镌刻了新时期海军官兵迎接21世纪的铿锵誓言。《中国海军》摄影画册不仅是历史的真实写照,更深刻昭示着未来:人民海军将不辱使命,在万里海疆铸就新的辉煌!

PREFACE

The Navy of the Chinese People's Liberation Army was founded on 23 April 1949. With the republic making big strides forward, the people's navy has been through a half century's glorious journey.

With Mao Zedong, Deng Xiaoping, Jiang Zemin as the core, the three generations of the collective leadership of the Central Committee of the Chinese Communist Party have had an insight into various situations, devised strategies within the headquarters and directed the people's navy to start an undertaking in arduous conditions, grow up in fights and advance in victory. Growing out of nothing and from small to large, the people's navy has gradually developed into a moderately-modernized multi-service offshore defense power.

In the past fifty years, the people's navy has strengthened its military exercises, political work, logistic support and weaponry construction. It has made brilliant achievements in safeguarding the maritime sovereignty and defending the territorial sea of the

motherland and has made a great contribution in respect of fulfilling the great tasks bestowed by the state and supporting socialist construction.

With the starting century of a new millennium around the corner and at the eve of the fiftieth anniversary of the founding of the republic, the people's navy has joyously greeted the fiftieth anniversary of its founding. Enriched with history and reality, struggle and development, PLA NAVY (CHINA), a full-length photographic album, will be a special present which speaks volumes for the loyalty of the naval officers and seamen of several generations toward the republic and also engraves the sonorous oath of the naval officers and seamen of the new era to greet the twenty-first century. PLA NAVY (CHINA) is not only the real portrayal of history, but also a meaningful embodiment of the future: the people's navy will live up to the expectations of the Party and make new glorious achievements in the vast coastal areas and territorial sea.
