PREFACE

序言

In 2014, new design trend is widely discussed by media. Though an old topic, it is highly professional work. To grab new trend involves interpreting, analyzing and generalizing popular elements and things all over the world. This book is one of the newest books on luxury model homes in 2014. I prefer to go from the point of trend analysis.

Though dividing projects in a variety of different types, this book allows designers to express their inspirations in bold, surreal, fanciful, artistic and international way, or to present unique cutting-edge stuff from different angles. Thus dividing works with style is a strategy for easy reading. But it is possible that in future, bringing classic elements into modern environment will become an increasingly strong trend. In the field and in the book, we find many classic styles or extended styles inspired by classic themes like damask print and calligraphy. More and more people are concerned about essence of classics. We are often inspired by Greek and Roman elements like colorful Baroque era.

Meanwhile, people's growing desire for opportunity, wealth and brand gives rise to pressure-relieving products, which regard modern design as leisure and generosity to life; or art and design have no boundary in space and are combined as one. Therefore, we believe concept of mix and match that promotes artistic life may become trend in luxury home design. Simplify hard design and emphasize artwork, so as to make soft design as highlight in space. That is what I have always advocated. Of course, that is also future trend. Artwork such as mural, ornament and sculpture, etc. not only replaces unnecessary soft decoration and highlights atmosphere in space, but also compensates and balances space, expressing different layering from subtle perspective to achieve different effects. Luxury home and art are no longer elusive. As time passing, art is closely related to people and is easier for people to understand and accept.

Therefore, when reading this book, readers need to comprehend it from not only spatial perspective, but also multi-facet perspectives such as artwork, color, natural elements and popular elements, so as to create better works. To sum up, I hope this book will remove some impulsiveness in design field and bring more thinking or new practices.

进入 2014 年，不少媒体都谈论设计界新的流行趋势。这虽然是一个较为陈旧的话题，但确是一项专业性很强的工作。把握新的流行趋势意味着必须对来自世界各地的流行元素与事物进行解读、分析和归纳。本书作为业界 2014 年较早的一本关于豪宅样板房的图书，我更愿意从流行趋势去分析。

本书虽然从各种不一样的风格去划分案例，但设计师可能会以大胆的、超现实的、幻想的、艺术化的，充满国际气息的方式去表达自己的创作灵感，或者从不同的角度表达不一样的设计前沿的东西，因此以风格划分作品也是一种为方便阅读而选择的策略。但有可能，在未来将古典因素引入现代环境将会成为一股越发强劲的潮流。在业界，在书中，我们发现了许多古典的样式或者由锦缎印花，徽章印花和书法等古典主题激发的延伸样式，越来越多的人们在关注，活用古典的精华。我们还常常被丰富多彩的巴洛克时代等希腊和罗马因素激起灵感。

同时，随着人们对机遇、财富和品牌的渴望与追求日益强化，舒缓压力的产品应运而生，或认为现代的设计应该是对生命的一种从容、一种悠闲、一种豁达，呈现出一种包容的态度；或认为空间里面没有设计与艺术的界限，空间设计和艺术实为相合相生的共同体。因此我们认为倡导“艺术生活化”的混搭理念也可能成为豪宅设计的一种趋势。简化硬装设计，着重艺术品，让软装成为空间的亮点也是我一直倡导的，当然这也是未来的流行趋势。壁画、摆件、雕塑等艺术品不仅仅代替了没必要的软装，既烘托空间的氛围，又可以自身去陪衬和平衡空间，从细微的视角表达不同的层次感以达到不一样的效果。豪宅与艺术也不再是可望不可及的，随着时间更替，艺术已与人们息息相关，更容易为人们所了解和接受。

因此读者阅读此书时不仅要从空间的角度去领悟，更可以从多方位的角度去理解，比如就艺术品、色彩方面、自然元素和流行元素等去揣摩，以便创作出更好的作品。最后，希望本书能给设计界褪去一些浮躁，带来更多思考和新的实践。

Just as the name suggests, XYI Design (Hidden Alley) means a low-key, practical austere concept and a creation comes after a bewilderment. X and Y can also mean the two axes in space extending to infinite possibilities. I is INTERIOR.

XYI Design started from 2007 and established the Taipei Headquarter in 2010, in July the same year Zang Nong Interior Design Company, Ltd. was founded in Qingdao China. In 2012 Shen Zhen branch was launched in collaboration with Da Sen Design. The Shanghai branch came after that which is responsible for the operation in mainland China. Yin Xiang specializes in various space design, decoration design and design counseling.

XY 各代表“隐”“巷”拼音字首，XY 也为空间中两个相对应的轴线，衍生出无限的可能性，I 为 INTERIOR。

隐巷设计于 2007 年开始试运行，2010 年于台北成立总部，同年 7 月于中国青岛正式成立藏弄室内设计有限公司，2012 年与大森设计合作成立深圳分公司，并于 2013 年成立上海分公司，负责中国地区营运。主要从事各类空间规划设计、家饰设计以及设计顾问等工作。

You Weizhuang Design

由伟壮设计

Our inspiration is originated from our enthusiasm and we believe design can make life more interesting. We advocate a harmonious teamwork and a free creation space, respect the interests of our clients and pursue a co-development with the clients.

We insist that creating can be a habit and an enjoyment as well. We admire and purse the beauty of variety.

We insist original design and treat visual function design as the body, visual design as the clothes and the culture as the soul. We will not be limited in some certain style or form, but is good at breaking up the obsolete thinking and then resembling it.

We insist a unique design, which is customized.

We insist the design as the primary, that is the design directs the execution, and we insist a harmonious unity of hard decoration and soft decoration.

我们的灵感皆源自激情，我们相信设计可以让生活变得更加精彩；我们提倡和谐的团队协作、自由的创作空间，尊重客户利益，与客户共同成长。

我们坚持创作是一种习惯，也是一种享受，我们欣赏和追求不同的美。

我们坚持原创设计，我们以视觉功能设计为体，视觉设计为衣，文化设计为魂，我们不会局限于某一种风格，也不束缚于某一种形式，我们善于把原有的思维打碎、重拾、组合。

我们坚持独特魅力设计，量身定做，我们坚持设计先行，设计引导施工，坚持硬体装饰与软性装饰的和谐统一。

The neo-classical style project has luxurious Rococo elements in every corner of indoor space. Designer lays luxurious tone with brown, black and other colors. Gold, silver products are placed everywhere to enhance the luxurious atmosphere in space.

There is no complex decoration at the entrance, just a showing table, several gold and silver

本案为新古典主义风格，奢华的洛可可风格充斥于整个室内的每个角落。设计师以棕色、黑色等色彩来奠定空间华贵沉稳的基调，空间内到处摆放金色、银色制品，增强空间的奢华氛围。

products and two black swan crafts, while owner's taste is raised virtually. Leisure zone, with brown velvet sofa, blue totem rug and Rococo style furniture, breathes the atmosphere of luxury.

玄关处并未做复杂的装饰，一个摆台、几件金银制品和两个黑色天鹅工艺品，在无形中提升了业主的品位。棕色绒布沙发、蓝色大面积的图腾地毯、洛可可风格的家具围合而成的休闲区，奢华气息扑面而来。
