改革开放铸辉煌

中共高平市委书记 王树新

今年是山西省高平市改革开放三十年暨撤县设市十五年。三十年来，高平历届市(县)委、市(县)政府团结带领全市(县)人民，认真贯彻落实中央、省和晋城市的各项方针政策，坚持以经济建设为中心，不断深化改革、扩大开放，全面推进政治、经济、文化、社会和党的建设，基本实现了从计划经济体制到社会主义市场经济体制的重大转变，从比较封闭到全面开放的重大转变，从经济落后到初步繁荣的重大转变，从解决人民群众温饱问题到全面建设小康社会的重大转变。特别是近几年来，在市委、市政府的正确领导下，全市人民高举邓小平理论伟大旗帜，认真贯彻落实“三个代表”重要思想，坚持以科学发展观统领经济社会发展全局，按照以发展为主题、调产为主线、工业为主导、民营为主力的思路，不断推进改革开放和现代化建设，有力地促进了经济社会又好又快发展，全市综合经济实力持续大幅度提升。在全国2063个县(市)中，由2001年的898位提升到200位以内；在全国中部百强县(市)中排在第32位，在山西省进入中部百强的13个县(市)中名列第三；在全国800多个县(市)中，连续两年被评为“全国最具投资潜力中小城市百强”，2007年位列第22位，在我省入围百强的8个县(市)中名列第一。

可以说，改革开放以来的三十年，尤其是进入二十一世纪的前八年，是高平人民乘着改革的东风，与时俱进，开拓创新，聚精会神搞建设、一心一意谋发展的时期，是高平生产力大解放、国民经济大发展、综合实力大提升、人民生活大改善、社会事业大进步的时期，也是高平经济增长最高、社会发展最快、城乡变化最大、人民群众得到实惠最多的时期。经过三十年的艰苦努力，高平的经济基础更加坚实，发展思路更加清晰，发展实力更加雄厚，全市上下万众一心，奋发图强，高平已经具备了在科学发展、和谐发展轨道上加快发展的思想基础和物质条件。

站在新的历史起点上，面对科学发展的新要求、人民群众的新期待、各地竞相发展的新格局、各种矛盾交织的新挑战，加快科学发展，建设和谐高平，责任重大，使命崇高。我们必须高举中国特色社会主义的伟大旗帜，进一步解放思想，打开眼界，敞开胸怀，放开手脚，继续大力推进市委、市政府确立的“13458”科学发展战略，聚精会神搞建设，一心一意谋发展，全力以赴抓落实，才能担负起实现转型、跨越、崛起的历史重任，才能促进全市经济社会又好又快发展，才能夺取全面建设小康社会的新胜利、谱写高平人民美好生活的新篇章！

Brilliant Achievement of Reform and Opening-up

Secretary of the Gaoping Municipal Party Committee Wang Shuxin

Up to this year, Gaoping has been reformed to open for 30 years and been established city for 15 years. In past 30 years, the successive governments and committees of Gaoping united with people in the whole city and seriously implement all kind of policies of the central government, Shanxi provincial government and Jincheng government. We continuously intensify all kinds of reforms and extend the opening policy. We focus on economic development and advance all-round the developments of economy, politics, culture and the party. We have basically achieved the great changes from the planning economic structure to the social marketing economic structure, from a relatively closed county to an overall opening-up city, from the backward economy to the beginning of prosperity and from solving the simply having enough food and clothing to leading a relatively comfortable life society. Especially in recent years, under the leadership of the Municipal Party Committee and Government, the whole people of Gaoping lift high the great banner of Deng Xiaoping Theory and conscientiously implement the important thought of "Three Represents". We insist to have the scientific development concept in command of the overall economic and social development. According to the basic thoughts of taking the development as the subject, the adjustment of production as the master line, the industry as the leadership, the private enterprises as the main force, we constantly advance the reform and opening up and modernization, promote the economic and social development more powerfully and rapidly. The comprehensive economic strength of whole city has been improved continuously and largely. The comprehensive competitive power of economy in county town promoted the position from the 898th in 2001 to the 200th now with totally 2063 positions in the whole nations. In the top 100 county cities of central area of China, Gaoping places the 32nd. Gaoping is the third place of the thirteen cities, which entered the top 100 county cities in Shanxi. In 800 counties of China, Gaoping has been awarded "Most investment potential of the top 100 small and medium-sized cities" for two consecutive years. It ranked No.22 in 2007. Gaoping was listed No.1 in the 8 counties that entered the top 100 in Shanxi province.

The past 30 years, particularly getting into the first 8 years of the 21st century, was the period in which Gaoping's cadres and masses kept blazing new trails in a pioneering spirit and worked hard on doing pioneer work. It was also a period that Gaoping's economy and society developed most rapidly, it has biggest changed face in the city and country, and the masses have gained the greatest benefits. Through the 30 years' hard efforts, the economic foundation of Gaoping is getting stronger. The way of development is getting clearer. The whole city united for one purpose that we would strive to make our city stronger. Gaoping has already had the foundations and material conditions that can develop rapidly at healthy orbit.

But standing at the new history point of departure with facing the new requests of scientific developments, the new expectations of people, the new competitive situations of all places, and the various new challenges with antinomy intertexture, it has been our lofty mission and responsibility to speed up scientific development and construct harmonious Gaoping. We must hold high the great banner of the Chinese special features socialism, liberate our thoughts further, open new vistas, spread new views, and emancipate our mind and action freely. According to "13458" scientific development strategy established by the municipal committee and government, we will concentrate on managing our development, wholeheartedly construct our city and go all out for putting into effect. Then we can start to undertake the historic tasks of transformation, leaping-forward, and rising. We can promote economic and social development better and quicker. We can achieve new overall success of construction of well-off society. And we will open a new chapter in a better life for the people in Gaoping.

开放的高平商机无限

高平市人民政府市长 谢克敏

三十年改革开放,三十年探索奋斗,高平已经取得了辉煌的成就。但成就属于过去,辉煌永在未来。21世纪的高平会更美!

高平具有适中便捷的区位优势。高平是山西通往中原、走向世界的重要门户,也是我国承东启西、联结南北的重要支点:太焦铁路、二广高速、207国道纵贯南北,坪曲线西联大运,东接京珠,高平距郑州国际机场百余公里,距长治机场40公里,优越的区位和便利的交通,是投资者的首选之地。

高平具有得天独厚的经济资源优势。无烟煤、煤层气、石灰岩、铝矾土等储量丰富,生产规模初具;粮食、生猪、蚕桑、果蔬等品质优良,产能巨大;加上相对低廉的土地、水电和较高素质的人力资源,必将形成投资者低投入高回报的投资“洼地”。

高平具有特色独具的文化资源优势。高平是中华民族始祖炎帝的故里,是战国长平之战古战场,现存宋金以前的古建筑数量超过长江以南的总和。教育、卫生、文化、旅游、城建等社会事业基础设施相对完善又亟待整合提升,是有志于社会事业者青睐的用武之地。

高平具有温和宜人的环境优势。高平境内土沃人淳、山绿水清、气候温润、冷暖适宜,市区基础设施完善,服务功能齐全。宜人的气候和良好的人居环境,是投资者工作和生活的“福地”。

高平具有宽松的投资环境。市委、市政府制定出台了一系列招商引资、加快发展、优化投资环境的政策。近年,已有天脊中化、晋丰煤化、长平煤业、江苏雨润、上海华谊等国际国内知名大企业捷足先登,在高平投资创业。高平正成为中国中部地区一座充满经济活力、富有人文魅力的风水宝地。

目前,高平正在积极贯彻落实科学发展观,按照“13458”科学发展战略,大力发展新型工业化、农业产业化、特色城镇化、基础设施现代化和煤化工基地集团化。市政府通过广泛征集、科学评价,认真筛选出煤化工、电力、机械、农副产品加工、旅游业、市政设施、高新技术、文化、教育、体育十大行业100多个项目招商引资。我们真诚希望世界各地各界的女士们、先生们、朋友们,来高平走走看看,用您睿智的目光、丰富的经验、先进的技术、雄厚的资本,来高平淘金挖宝。我们将竭尽全力为您提供一个友好、宽松、平安的发展平台,各位女士、先生、朋友们,一定能够在高平高高兴兴地投资创业,平平安安地发展发财。

Opening Gaoping with Infinite Business Opportunities

Spokesman: Mr. Xie Kemin, the Mayor of the People's Government in Gaoping

Through 30 years'reform and opening-up, exploration and struggle, Gaoping had already won the magnificent achievement. But the achievement belongs to the past, and the brilliant military will be forever in the future. Gaoping can be more beautiful in the 21st century!

Gaoping has the moderate and convenient geographical superiority. It is the important gateway to the Center Plains in China and the world. It is also the important point to joint from the east to the west and the north to the south. Tai-Jiao Railroad, two Guangs highway, and State highway 207 are directly crossing from north to south. Xiping line connects with Dayun line in west and Jingzhu Highway in east. Gaoping is apart from the Zhengzhou International Airport for hundreds of kilometers and the Changzhi Airport for 40 kilometers. It is the first place to choose by the investors because of the superior position and the convenient transportation.

Gaoping has the advantageous economic resource superiority. There are rich reserves in anthracite, coal bed gas, limestone, and aluminum vanadium earth. They are beginning the shapes of the production. The grain, the living pig, the silkworm breeding and mulberry growing, the fruits, vegetables, and so on are excellent in quality and huge quantity. In addition, the rent for the land, charges for water and electricity are comparative cheap. The labor resources are high qualified. They will certainly form "the best land" for investors to get the high repayments with the low investment.

There is the characteristic culture resources superiority in Gaoping. Gaoping is the place where is the Chinese first ancestor Emperor Yan's native place and the ancient battlefield of Changping war in the Warring States period. The number of the historical buildings before Song-jin dynasty is more than the sum total in the south of Yangtze River. The infrastructures of various social undertakings such as education, health, culture, tourism, and city building relativity equipped and urgently await the integrated promotion. It is an ideal place for people who devote to the society business.

There is the pleasant environment superiority in Gaoping. The earth is fertile and the persons here are pure in Gaoping. There are green hills and clear waters. The climate is mild and changes in temperature being suitable. The city infrastructure is perfect and the service function is completed. It is the paradise for the investor's works and lives for the pleasant climate and the ideal habitat environment.

There is loose investment environment in Gaoping. The municipal party committee and the municipal government formulated series policies to attract investments, speed up the development and optimize investment environment. In recent years, a large number of international and domestic well-known enterprises, such as Tianji Chinese Chemical Industry Co., Jinfeng Carbonize Co., Changping Coal Industry Co., Ltd., Jiangsu Rain Run, Shanghai Huayi and so on, were the swift-footed arriving first and invested in Gaoping. Gaoping is becoming a valuable land with plenty of vigor in economy and the rich humanities charm in central China area.

At present, we vigorous carried out and implement the scientific development according to the scientific "13458" progress strategy in Gaoping. We developing the new industrialization, the characteristic urbanization, the agricultural industrial production, the infrastructure modernization and the coal chemical industry base collectivization vigorously. Through the widespread collection and the science appraisal, the municipal government had earnestly screened more than 100 big projects to attract investments, such as the coal chemical industry, the electric power, the machinery, the agricultural and subsidiary products processing, the tourism, the urban facilities, the high technology and new technology, cultural, the education, sports and so on. We sincerely invite ladies, gentlemen and the friends of all walks of life from all over the world to visit Gaoping. You can come to Gaoping to pan for gold treasure with your wisdom's vision, rich experience, advanced technology and abundant capital. We will do our best to provide the loose, safe development platform for you. Fellow ladies, gentlemen and friends, I'm sure that you can certainly invest happily, seek your fortune safely in Gaoping.

Gaoping, called Xuanshi in ancient, also Changping in Warring States Period, and Gaoping from Northern Wei Dynasty to now, is located in the southeast of Shanxi Province. It covers an area of 960 square kilometers land and it is about one ten thousandth of the Chinese territory. Gaoping is majestically located the summit of Taihang Mountains, facing the great distance area the south of Yellow River and backs on the San-Jin'center. The place supports the rich resources with the geographical superiority directly from east to west, jointing north and south. It is the place where the military commander land must fight for in history and the first choice for the business. Especially with the entire line clearness of Taiyuan-Macao Express, Hong Kong and Macao to the south, Erlian to the north, Taihang Mountain out of the east, the central China area down to the south, its strategic pivot geographical superiority become even more marked. Gaoping is the native place of Emperor Yan, the Chinese nation's first ancestor. It is as well as the birthplace of Changping wars in Chinese history. It is also Taiyue and Taihang old revolutionary base areas. The reform and opening-up has congealed and built up the new Gaoping's spirit, which means the long-standing and magnificent national culture, the indomitable nationality moral character, taking the entire situation into account the revolutionary spirit, which fears no sacrifice.

Gaoping has abundant coal and iron resources and the developed industrial production. The land here is fertile. The climate is optimum and the agriculture basic requirement is good. Since the reform and opening-up, especially 2000, 480,000 people led by the party committee and government in Gaoping have lifted up high the great banner of "Deng Xiaoping Theory" and "The Three Represents". They implemented and realized the scientific concept of development comprehensively through exploring and developing, striving to be the first courageously. The economy and society is developing rapidly. In a national county territory economy integrated development index, the position of Gaoping promotes from the 898th in 2001 to the top 200 now. In the top 100 County cities of central area of China, Gaoping was placed the 41st. Gaoping won the third place in all thirteen cities that enter the top 100 strong county cities in Shanxi. It has been entitled the honors of 'Top 100 of the County economy in central China', 'Small and Medium-sized city's comprehensive national strength of 100', 'most investment potential of the top 100 small and medium-sized cities', 'National Model city harmonious small and medium-sized demonstration cities', 'The national green and well-off demonstration County', 'The national building socialism new countryside characteristic county', 'The national food safety demonstration county', 'The national key live-pigs cultivation advanced city', '"Safe unimpeded" work the advanced County', 'The nation civilian operation advanced city', 'The national advanced city to develop the city by quality', as well as in Shanxi Province, 'The food production advanced city', 'Increasing farmers' income advanced County', 'The model county by the technical produces', 'The advanced city in the development of private economy', 'The hygienic city', 'The double supports model city', 'The economic restructuring outstanding contribution city', 'The civilization harmonious city in Shanxi province' and so on.
