中考,是九年制义务教育的终端检验,是衡量学校教学质量的重要依据;同时,中考又是一种选拔性考试,它直接决定了每个初中毕业生的继续升学问题,而且,1996年是全国各省市按照“九义”教材命题进行“中考”的第一年。因此,“中考”已经成了广大初中师生、家长日常生活中的一件大事,日益受到社会与人们的广泛关注和重视。

该丛书每一分册精选了全国近二十多个省、市、自治区1996年的中考试题,其试题典型、严密,教材中的重、难点突出,中考热点密集,实用性和指导性强,并附有详细解答和评分标准。可供广大初中教师、教研人员作为研究“中考”的参考资料,也可供广大初中毕业班学生作为总复习迎考的模拟中考试卷。

We spent a day in the country and picked a lot of flowers. Our car was full of flowers inside! On the way home we had to stop at traffic lights, and there my wife saw the bookshelf.

It stood outside a furniture (家具) shop. "Buy it," she said at once. "We'll carry it home on the roof-rack (车顶架). I've always wanted one like that."

What could I do? Ten minutes later I was twenty dollars poorer, and the bookshelf was tied on to the roof-rack. It was tall and narrow, quite heavy too.

As it was getting darker, I drove slowly. Other drivers seemed more polite than usual that evening. The police even stopped traffic to let us through. Carrying furniture was a good idea.

After a time my wife said, "There's a long line of cars behind. Why don't they overtake (超车)?"

Just at that time a police car did overtake. The two officers (警官) inside looked at us seriously when they went

past. But then, with a kind smile they asked us to follow their car through the busy traffic. The police car stopped at our village church (教堂). One of the officers came to me.

"Right, sir," he said. "Do you need any more help now?"

I didn't quite understand. "Thanks, officer," I said. "You've been very kind. I live just down the road."

He was looking at our things: first at the flowers, then at the bookshelf. "Well, well," he said and laughed. "It's a bookshelf you've got there! We thought it was — er, something else."

My wife began to laugh. Suddenly I understood why the police drove here. I smiled at the officer. "Yes, it's a bookshelf, but thanks again." I drove home as fast as I could.

A. He could drive slowly and it was safe.

B. Other drivers would let him go first.

C. His wife could use a new bookshelf.

D. He could save a lot of money and time.

53. Why were the police and other drivers so kind to the writer?

A. Because they thought the writer liked studying very much and needed a bookshelf.

B. Because they didn't think it was polite to overtake a car with a bookshelf on it.

C. Because they thought somebody in the writer's family had died and he needed help.

D. Because they thought it was dangerous to carry a bookshelf on a car.

54. Why did the writer's wife begin to laugh?
