Sailing over the river of time,  
Telling age-old stories.  
Tracing Chinese medical history,  
Exploring the mysteries of Chinese Medicine.

(Qu Lifang)

正气存内，邪不可干。（《素问·刺法论》）

Zhèng qì cún nèi, xié bù kě gān. (《Sù Wèn • Cì Fǎ Lùn》)

Zheng qi (vital qi) is kept inside, evil can not invade.

From the *Elementary Questions, Discourse on Needling Methods* (Treatise Seventy-two)

邪之所凑，其气必虚。（《素问·评热病论》）

Xié zhī suǒ còu, qí qì bì xū. (《Sù Wèn • Píng Rè Bìng Lùn》)

Where evil qi (pathogenic factor) gathers, the vital qi must be weakened.

From the *Elementary Questions, Discourse on Heat Disease* (Treatise Thirty-three)

阴阳者，天地之道也，万物之纲纪，变化之父母，生杀之本始，神明之府也。（《素问·阴阳应象大论》）

Yīn yáng zhě, tiān dì zhī dào yě, wàn wù zhī gāng jì, biàn huà zhī fù mǔ, shēng shā zhī běn shǐ, shén míng zhī fǔ yě.  
(《Sù Wèn • Yīn Yáng Yǐng Xiàng Dà Lùn》)

Yin and yang are the law of the universe, the guiding principle of everything, the parents (springhead) of changes, the beginning of life and death and the place where shen ming (spirit/mind brightness) enlightens.

From the *Elementary Questions, Great Discourse on the Phenomena of Yin and Yang* (Treatise Five)

(Translator: Qu Lifang)

## 前　　言

本书从汗牛充栋的史籍和中医古籍中选取各类轶闻趣事，分中医别称、圣贤传奇、名医轶事、中药趣闻、方剂趣闻、临床医案、针刺趣闻、经穴名释八个方面，用中英文对照的形式编写成册，作为海内外中医院校各类在校大学生及中医爱好者的课外读物。

书中中药名称依照美国 Dan Bensky 等人主编的 2004 年第三版《中藥學》(*Chinese Material Medica*)，按中文名称、汉语拼音、英文名称和拉丁文的次序列出。英文部分在每则故事后列出疑难词汇，方便中国学生学习英文；中文部分加注拼音，方便海外留学生学习中文。

本书集趣味性、知识性、语言学习于一体。

阅读本书可使读者了解中医药历史，在潜移默化中接受中医药文化的熏陶，既有利于增强他们对中医的认知度，还可激发其学习热情。

## PREFACE

This book contains a selection of Chinese medicine anecdotes that we have drawn from China's enormous textual archive. The sections form collections of alternative names for Chinese medicine, biographies of sages, anecdotes about famous doctors and medical figures, stories about Chinese *materia medica*, anecdotes about formulas, clinical cases, acupuncture stories, explanation of acupoint names. We have compiled and translated the stories and anecdotes to create a bilingual extracurricular reader for Chinese-speaking and English-speaking students of Chinese medicine in universities and colleges at home and abroad.

The names of the Chinese *materia medica* in this book are listed in Chinese characters, pin yin, English and Latin according to *Chinese Herbal Medicine: Materia Medica* (Third edition, 2004), edited by Dan Bensly, Seven Clavey and Erich Stoger. Each story begins with the Chinese characters, accompanied by the pin yin with tones to guide Western students with their Chinese pronunciation. Then English version of the story follows with a glossary to assist Chinese students with their English pronunciation. In this way, the collection offers an interesting, fun and convenient Chinese medicine reader that encourages Chinese and English language practice.

The anthology puts Chinese medicine and language learning together with interesting and enjoyable story-telling.

By reading this book, readers will cultivate their understanding of Chinese medicine history and culture, deepen their appreciation of traditional Chinese medicine and stimulate their enthusiasm for learning.

## Glossary

anecdote [ 'ænikdəut ] *n.* 轶事；奇闻；秘史

Chinese materia medica 中药学；中药

aphorism [ æfərɪzəm ] *n.* 格言；警句

expeditently [ iks'pi:dientli ] *adv.* 方便地；得当地

## 目 录

第一章 中医别称 Zhōng Yī Bié Chēng .....	1
Chapter One Alternative Names for Chinese Medicine .....	1
岐黄 Qí Huáng .....	2
Qi Huang .....	3
杏林 Xìng Lín .....	4
The Apricot Grove .....	4
橘井 Jú Jǐng .....	6
Tangerine and Well .....	6
悬壶 Xuán Hú .....	8
Hanging a Bottle Gourd (Practise Medicine to Help People) .....	9
第二章 圣贤传奇 Shèng Xián Chuán Qí .....	11
Chapter Two Biographies of Sages .....	11
伏羲 Fú Xī .....	12
Fu Xi .....	12
神农 Shén Nóng .....	14
The Divine Farmer .....	15
黄帝 Huáng Dì .....	17
The Yellow Emperor .....	18
张仲景 Zhāng Zhòngjǐng .....	20

Zhang Zhongjing .....	21
华佗 Huà Tuó .....	22
Hua Tuo .....	23
葛洪 Gě Hóng .....	24
Ge Hong .....	24
孙思邈 Sūn Sīmiǎo .....	26
Sun Simiao .....	26
李时珍 Lǐ Shízhēn .....	28
Li Shizhen .....	29
第三章 名医轶事 Míng Yī Yì Shì .....	31
Chapter Three Anecdotes about Famous Doctors .....	31
针刺去胎 Zhēn Cì Qù Tāi .....	32
Acupuncture to Expel a Dead Fetus .....	33
降火愈目 Jiàng Huǒ Yù Mù .....	35
Conduct Fire Downwards to Cure Conjunctivitis .....	35
断病如神 Duàn Bìng Rú Shén .....	37
Diagnostic Virtuosity .....	38
怒激治病 Nù Jī Zhì Bìng .....	40
Arouse Anger to Treat Disease .....	40
巧治便秘 Qiǎo Zhì Biàn Mì .....	42
A Clever Way to Cure Constipation .....	43
针治难产 Zhēn Zhì Nán Chǎn .....	45
Curing Dystocia with Acupuncture .....	46
落叶催生 Luò Yè Cuī Shēng .....	47
Fallen Leaf to Hasten Delivery .....	47
隐名求师 Yǐn Míng Qiú Shī .....	49

Concealing One's Identity to Study Medicine .....	50
黃土治痉 Huáng Tǔ Zhì Jìng .....	52
Loess Can Cure Spasm .....	53
威胜惊狂 Wēi Shèng Jīng Kuáng .....	54
Dignity Defeats Madness .....	55
煮石为引 Zhǔ Shí Wéi Yǐn .....	57
Boiling Stone as Guiding Drug .....	58
