Super Dogs

Dogs are great pets because they like to play.

But did you know that dogs have super powers?

Dogs can hear sounds that we can't hear. They are super sniffers, too. Dogs can smell at least 1000 times better than people can.

Meet
my pet

Amy's dog is called Jazz.
Jazz likes to go to the park with Amy.

Is a dog your perfect pet? 

Pros

- ♥ clever
- ♥ loyal

Cons

- 💧 leaves poo to be picked up
- 💧 can be noisy

▶ loyal: will always be there for you

Cuddly Cats

Cats make cuddly pets and they talk to you, too!

A 'meow' can mean 'play with me' or 'stroke me'.

A loud 'meow' could mean 'feed me'! (Cats can be bossy!)

Cats are sleepy pets. They sleep for about 15 hours every day.

Meow!

Luke's cat is called Pixie.
Pixie likes to chase toys.

Is a cat your perfect pet?

Clever Geckos

If you don't have much space, a gecko could be your perfect pet.

Geckos are little lizards. Most are good climbers. Their feet stick to walls to help them climb. They can even walk upside down!

Meet
my pet

Molly's gecko is called Tinsel.
Tinsel likes to climb—onto Molly's head!

Is a gecko your perfect pet?

- ♥ quiet

Cons

▶ prey: an animal that is eaten by another animal

Skinny Stick Insects

Stick insects look amazing!
They are long and thin,
just like sticks. Stick insects
are the longest insects.

A stick insect's leg can fall off ...
but sometimes it can grow a
new one!

Meet
my pet

Tim's stick insect is called Twiggy.
Twiggy likes to walk on Tim's hand.

Is a stick insect your perfect pet?

Busy Chickens

Would you like a pet that lives outside? If so, a chicken might be your perfect pet!

Chickens like to be busy. They scratch in the dirt, looking for bugs to eat. Chickens like to have a bath ... in the dust! This is how they look after their feathers.
