Preface

I have been teaching for more than three years, and it is about time to share my experience and skill I have gained from English teaching. As the trend of a global village is formed, most of the people now are eager to learn English. However, it is more important to know an efficient way to learn it than view it as a testing subject. This book helps you to memorize English words by categorizing them in groups. I would like to help more learners to enjoy what English can bring.

In these units, there are pictures and example sentences that help you understand and properly use the words and phrases. In addition, sufficient Supplementary material is also listed to give you extra information about each topic. The Exercises at the end of each unit give you a chance to check your understanding of the meaning of the words. An answer key is provided for each exercise.

There is plenty of useful information in the book. A good dictionary, however, is also needed. If there is anything you are not sure about, look it up in the dictionary. It will definitely help you to enhance your English proficiency.

I hope you enjoy working with this book.

前言

我从事英语教学已有三年多的时间，现在该是和
大家分享我从中得到的经验和英语技巧的时候了。地
球村的潮流已然形成，现在许多人都热切地想学英
语。然而重要的是，要懂得有效率地学英文，而不是
只将英文当作一项考试科目来看待。这本书将单词分
门别类，能帮助大家更好地记忆。希望能藉此书帮助
更多学英文的人，让大家享受英文带来的乐趣。

每个单元都有插图和例句；能帮助各位了解单词
与短语的意义，并适当地使用。此外，书里也列出许
多补充词汇，针对每个主题提供更多的资讯；每个单
元最后有活用练习，让各位有机会检视自己对这些词
汇了解多少；书后还附有练习解答。

这本书囊括了许多有用的资讯，不过你也需要一
本好的字典。只要有任何有疑问的地方，就查字典。
这样一定能帮助各位增强英文功力。

希望各位能从阅读本书中得到乐趣。
