PHOTOGRAPHY WORKS BY XUEGAO XIE

祝贺解学高先生《镜溢天然》摄影集出版。这是他几年来在摄影天地里孜孜不倦地追求和辛勤耕耘的艺术结晶，也是他在摄影艺术园地里取得可喜收获的一次集中汇聚。透过一幅幅佳作，我真真地感受到了那扑面而来的自然与生命、艺术与精神有机交融的浓浓气息。感受到了眼前的艺术家是在用心去感悟人生，感悟世界，感悟艺术与道德的和谐境界。

学高先生是一名企业管理者，多年来，在繁忙的工作之余，一直未曾放下手中的相机，他凭借对生活的热爱和对摄影事业的不懈追求，近年来，摄影技艺迅进，佳作频出，实属难能可贵，让我不禁佩服和感叹。

天地有声，人间存情。从中华大地的壮美到美利坚的异域风情，从银妆素裹的漠北塞外到淡妆娴淑的雅致江南，从幽静神秘的青藏高原到繁花似锦的广袤草原，从冷静俊秀的皑皑雪峰到波澜壮阔的悠悠碧海，《镜溢天然》收入的130幅作品，在向我们展示多彩的中国和世界的同时，似乎也在诉说一种思想感情。作者用自己的心灵之窗，摄取生活中最美丽、最动人的画图，连同他的所思所想，奉献给他所挚爱的人们。这些具有强烈的时代气息和精神感染力的作品，充分展示了他敬畏自然、包容万物的气度和胸怀，体现了他“物我相亲”、“天人和谐”的审美情趣。他所拍摄的尼亚加拉大瀑布，是挥之不去的更是在壮观画面背后的人生感悟，人生之旅正如这飞瀑和激流，必须要有思想、品格上的高度，不畏生活中的落差，勇于进击，事业上才能发出声和光，他在潜心创造鲜明艺术个性特征的同时，能够做到敞开胸怀，兼收并蓄，追求高雅，淡泊名利，与人无争，他进行的是艰苦而又愉悦的摄影创作，实现的是强身健体和大爱无疆的精神享受，奉献给社会的是健康向上的艺术佳作。这些作品同样是他做人做事的内心表白。这本摄影作品集的问世，为摄影的百花园增添了一道亮丽的风景线，祝愿他在今后的摄影创作中有更好的作品。

Foreword

It is a pleasure to have been asked to provide the foreword for this book. I am happy to congratulate Xuegao on the publishing of his scenery photography works, most of which were taken in the past few years. Through his works I could sense his love for life and nature and his tireless pursuit for art and spiritual fulfillment. His works in *Nature Through the Lenses* reveal his thoughts while contemplating the meaning of life, the purpose of being and the ultimate goal of satori and insight of zen.

As a tight-scheduled corporate executive, Xuegao dedicated his scarce spare time into the lenses. With his love for life and photography and his constant pursuit for perfection, Xuegao's photography skills were quickly honed to proficiency, yielding quite a few masterpieces, for which I can not help but admire.

Nature has its voices that we should listen to, and there's love in the world that we should find. *Nature Through the Lenses* includes in it 130 pieces of photography works by Xuegao taken in China and the United States, guiding our vision and mind from the splendor of our motherland to the exotic beauty of a foreign country, acquainting us with the natural beauty of vast gobies, snow-capped mountains, secluded mysterious flower-decked grassland, and the magnificent oceans. Besides being a pleasant feast to our eyes and mind, *Nature Through the Lenses* also tells the story of feelings and emotions. The most picturesque sceneries and the most moving moments in Xuegao's works show nothing but his awe of nature, taste of tolerance and width of vision, embodying the ancient yet eternal theme of harmony between nature and human. His rendering of the Niagara Falls, for instance, contains an analogy of life, that grand view comes from a great river/person on a long journey, embarrassing the great fall with courage, and making a big sound in the great clashes. While forging his own styles and characteristics, Xuegao was able to remain open-minded and dedicated to the pursuit of art instead of fame or fortune. He made peace with nature and people, focused on his bitter-pleasant creation, enjoyed physical fitness and spiritual happiness. *Nature Through the Lenses* is Xuegao's contribution to the public, which carries the message of peace, love and harmony that he wishes to convey to us. It's also a valuable addition to the photography community. I sincerely wish to see more excellent works from him in the future.
