Preface

Time flies. The International Business Leaders' Advisory Council (IBLAC) is celebrating its 20th anniversary.

Ever since its first session in the early days of China's reform and opening-up, the IBLAC has served the purpose of broadening horizons, pooling international wisdom and assimilating modern concepts, three urgent tasks for Shanghai if it is to integrate into the world and achieve revitalization. Initiated in 1989 by Mr. Zhu Rongji, then Mayor of Shanghai, the unprecedented IBLAC meeting demonstrates Shanghai's strong commitment to reform and opening-up.

The history of the IBLAC has epitomized Shanghai's move towards a modern international metropolis. Its ever increasing membership and global influence, largely attributable to the great support from previous administrations and businesses across the world, have transformed the annual meeting into an important platform for Shanghai to conduct international economic cooperation.

Over the past two decades, the IBLAC has remained highly relevant to Shanghai's development by constantly changing its focus to address the burning issues of the time. Themes for the previous sessions include Pudong's development and opening-up, the opportunities and challenges facing Shanghai after China's entry into the WTO, urban planning, how to revitalize state owned enterprises, Shanghai as a financial center and a shipping center, building a resource-conserving and environment-friendly city, promotion of an innovative environment and human resource development. All of them

序

光阴荏苒,上海市市长国际企业家咨询会议迎来了自己的二十岁生辰。

国际企业家咨询会议诞生于我国改革开放的新时期。面向世界、振兴上海,迫切需要拓展视野,借鉴国际经验,汲取先进理念。1989年,经时任上海市市长朱镕基先生发起,市长国际企业家咨询会议应运而生。这一开创性举措向世界彰显了上海改革开放的坚定决心。

国际企业家咨询会议伴随上海迈向现代化国际大都市的进程。二十年来,在历届市政府的大力推动和国际企业家的积极参与下,咨询会议不断发展,成员规模逐年扩大,国际影响力日益增强。今天,国际企业家咨询会议已经成为上海参与世界经济合作与交流的重要平台。

二十年来,国际企业家咨询会议始终围绕不同阶段上海发展的 关键问题展开讨论。从浦东开发开放到应对加入世贸组织,从城市 规划发展到国有企业改革,从国际金融中心、国际航运中心建设到 资源节约型、环境友好型城市构建,从城市创新能力提高到人才资 源开发,议题既具前瞻性又有针对性,既结合上海实际,又体现国 际潮流。与会成员围绕这些议题,以卓越的智慧和丰富的经验,积 极建言献策,为推动上海改革开放和现代化建设作出了重要贡献。 are forward-looking, well-targeted, and faithfully reflect not only Shanghai's concerns but also international trends, stimulating participating members to offer their wisdom, insights and policy suggestions, and thus greatly contributing to Shanghai's reform and opening-up and modernization drive.

The meeting, apart from being a devoted think-tank, has also generated numerous tangible benefits for Shanghai during the past two decades. Its members have invested heavily in Shanghai, supported the city's bid for the World Expo 2010, joined the battle against SARS, and donated generously to earthquake relief, demonstrating their strong commitment to and true friendship for Shanghai.

This collection, entitled *Shanghai: Development with World Wisdom* is a summary of the 20-year history of the IBLAC from multiple perspectives. The 38 articles contributed by IBLAC members perfectly embody their wisdom, good-will and sincere friendship.

Shanghai is now stepping up its efforts to carry forward the "Four Centers" initiative and become a modern international metropolis with a socialist identity. At this critical moment, we will remain committed to the Scientific Outlook on Development, stay the course of reform and opening-up, and hope to hear more insightful opinions and candid suggestions from international friends. I have every reason to believe that the IBLAC meeting will go from strength to strength, and make even greater contributions to Shanghai's modernization drive.

Han Zheng Mayor of Shanghai

November, 2008

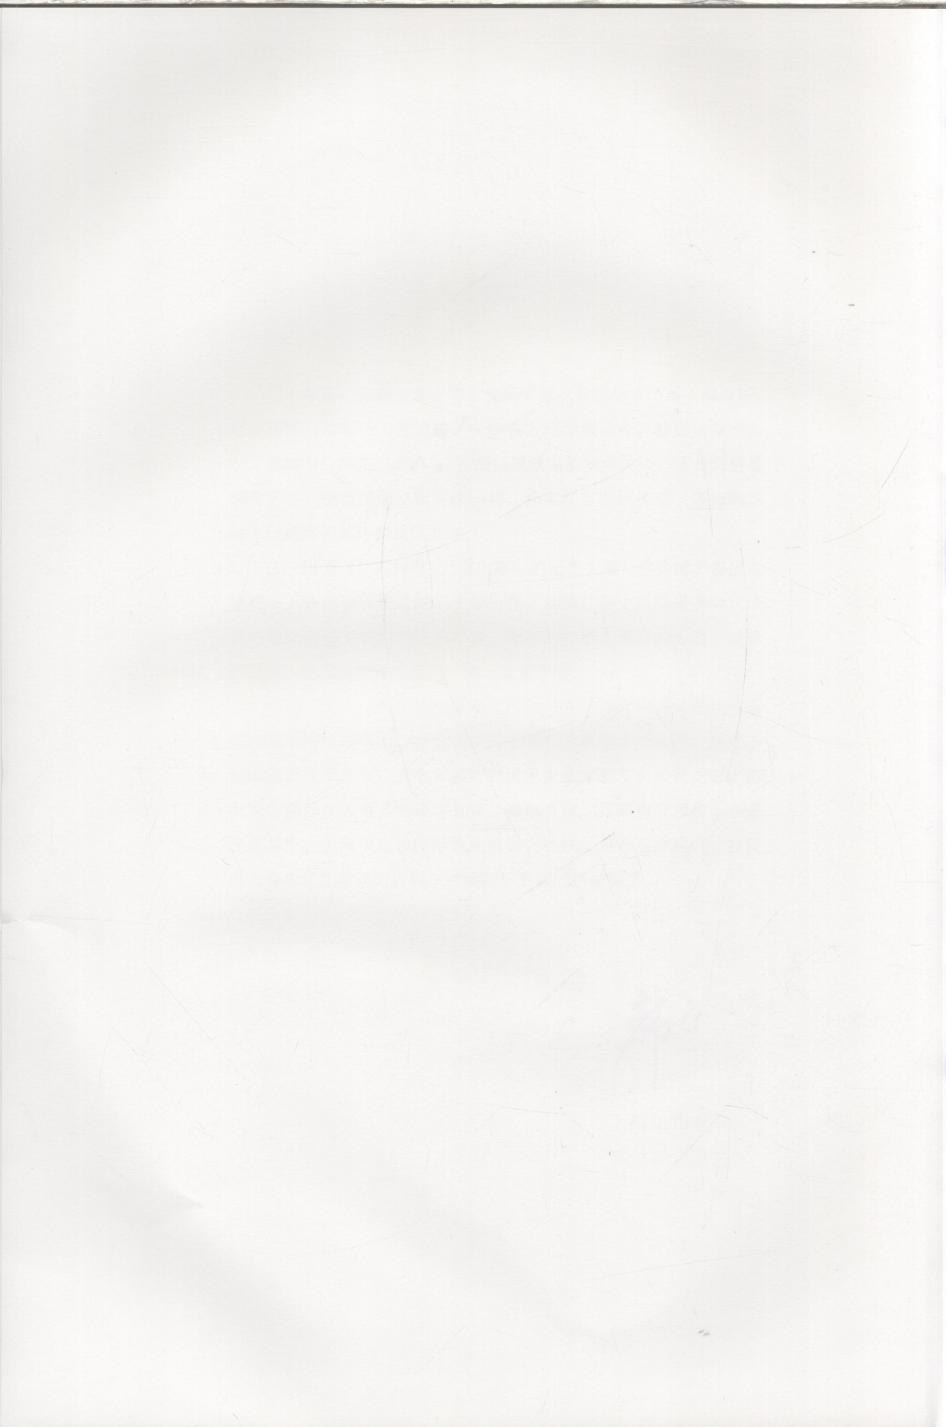

二十年来,咨询会议的各位成员不仅以真知灼见助推上海发展,还以实际行动参与上海建设,纷纷在上海投资兴业。特别是在上海申办世博会、抗击"非典"、支援抗震救灾的重要关头,成员们更是积极参与、慷慨援助。所有这一切,都实实在在地体现了各位成员对上海的真切关怀和真诚友谊。

这一题为《世界智慧 上海发展》的纪念文集,多角度、多层次地展示了咨询会议走过的二十年历程。其中,三十八篇来自会议成员的短文表达了我们共同的心音。无尽的智慧、美好的心愿、诚挚的友谊,在这些华章中融为一体、交相辉映。

当前,上海正处在加快建设"四个中心"和社会主义现代化国际大都市的关键时期。我们将坚持不懈地走科学发展之路,坚定不移地推进改革开放,衷心希望听到国际企业家朋友和所有关心上海发展的国际友人更多的诤言直谏、嘉猷良谋。我期待并相信,在未来岁月中,上海市市长国际企业家咨询会议一定会越办越好,在促进上海现代化建设的进程中继续留下更深的历史印迹。

上海市市长 2008年11月
