PREFACE

Wuyi County is located in the central part of Zhejiang Province, first founded in the second year of Tianshou in Tang Dynasty.

330, 000 people of Wuyi County are living with full enthusiasm and high-spirited fighting will, putting themselves in stress and working happily, centering on the strategy of Building a strong Industrial county, Reviving the county with the opening policies, building a ecological county and enriching the county with tourism. Running out of the listed under-developed areas and realizing leap-forward development, Wuyi has opened her broad minds to welcome the friends from all the directions.

THE OUTLOOK OF WUYI is an updated and well-selected album publicizing and promoting Wuyi, Wu Weikang, a member of the Chinese Photographers' Association, and his friends of the same line show the following to the world with its unique perspective, profound connotation and authentic footages:

Wuyi County has a fine view of mountains and charming landscape; Wu Yi County has a long history and profound culture connotation; its folk custom is simple and honest, and its folk culture is distinctive. Wuyi County is a place that has varieties of treasures and is propitious for giving birth to great men.

It's a place that inspired Meng Haoran, a great poet in Tang Dynasty, to create the famous line, "Asking where I am at dawn, but the folk custom is the same with the old times." a place that had made Lv Zuqian and Zhuxi, famous masters of philosophy in the Southern Song Dynasty, captivated by its scenery and set up schools and give lectures here and create the unique Mingzhao Culture.

It's a place that has the Yanfu Temple, a state-level key unit of cultural relics protection built in the Yuan Dynasty, the ancient complex of buildings of the Ming and Qing Dynasty in Yuyuan Village, Guodong and Yuyuan, China's famous historical and cultural villages, and the Shuxi Bridge, an artistic treasure in China's ancient bridge architecture having a long history of 800 years.

It's a place that has lots of scenic spots such as hot springs, "known as the first in Zhejiang, the first class in East China", Niutoushan national forest park, Liuxiu Hillrock, known as Ten miles' Gallery, the Red Rock, the beautiful scenery of Danxia landform, the Taishan Temple, a holy land of Buddhism, The village with She ethnic folklore--the small Huangshan Mountain, the Shi'e Lake where the swans take rest, the ancient town in mountains--Lingxiatang, the town of the Xuanping Lotus seeds, the scene of ten miles' lotus pond, the Shouxian Valley, the Qingfeng Village and so on.

It's a place that gestated a lot of great men such as Ye Fashan, a famous monk of Tang Dynasty, Pan Mohua, The pioneer of the New Culture Movement, lakeside poet, the former Propaganda Minister of the Tianjin Municipal Party Committee, the former secretary of CPC of Zhejiang Province and a Revolutionary Martyr, Qian Jiaju, a famous economist, Pan Jiezi, a famous artist painting with exact delineation and enriched colors, Fang Cuinong, a famous agriculturalist, Ye Yiwei, a famous writer and artist and a master of Chinese calligraphy and sealcutting, and Xulang, a world-renowned racer.

With the establishment and promotion of the "New Wuyi" strategic objective, photographers have used the lens to record the new vivid and lively Wuyi veritably.

In the new development, Wuyi people attached more importance on the combinations of both new scenic spots and ancient eco-system and humanity and the new modern feature of Wuyi, it has become an ideal place for ecological leisure activities and therapeutic spa.

Mr. Wu Weikang has been keen on photography and has profound basic skills of photography. Recently he has won the Gold Award in the 10th National Invitational Tournament of Contemporary Arts of Photography again. During the course of "The Wuyi people are pulling together to bring prosperity to the county and make the people rich, build a famous spa city and a harmonious homeland", I had the honor of enjoying the exquisite album and then felt that I can't bear to put it down. My feelings were so mixed that I joyfully write the preface for it.

The vice Chairman of the Photographers' Association of Zhejiang Province, the Chairman of the Photographers' Association of Jinhua City

序

武义地处浙江中部，始建于唐天授二年。

三十三万武义人民围绕着“工业强县、开放兴县、生态立县、旅游富县”的发展战略，正以饱满的热情和昂扬的斗志，紧张地忙碌着，快乐地生活着。走出“欠发达”、实现跨越式发展的武义，已敞开她博大的胸怀，欢迎八方宾朋的到来。

《武义风景线》是一部宣传、推介武义的最新精品影集。由中国摄影家协会会员吴维康先生和他的摄影界朋友，以独特的视角，丰富的内涵以及真实的镜头告诉世界：

武义山川秀美，自然景色迷人；历史悠久，文化底蕴深厚；民风淳朴，民俗特色鲜明；这里物华天宝，人杰地灵。

这是一个让唐代大诗人孟浩然惊叹“鸡鸣问何处，风物是秦余”，令南宋著名理学家吕祖谦、朱熹等名流大家流连忘返而设堂讲学，创造了独树一帜的明招文化的地方。

这是一个有着国家级重点文物保护单位元代建筑延福寺、俞源村明清古建筑群，中国历史文化名村郭洞、俞源以及历经八百年风雨洗礼的中国古代桥梁建筑珍品熟溪桥的地方。

这是一个拥有“浙江第一、华东一流”的温泉，国家级森林公园牛头山，十里画廊刘秀垅，丹霞胜境大红岩，佛教圣地台山寺，小黄山畲族风情村，天鹅歇脚的石鹅湖，山区古镇岭下汤，宣莲之乡十里荷花景观以及寿仙谷、清风寨等风景名胜。

这是一个孕育了唐代真人叶法善，中国新文化运动先驱、湖畔诗人、早期中共天津市委宣传部长、革命烈士潘漠华，早期中共浙江省委书记、革命烈士徐英，著名经济学家千家驹，工笔重彩画大师潘洁兹，农学家方悻农，文艺、书法篆刻家叶一苇，以及国际知名赛车手徐浪等一代名流的地方。

随着新武义战略目标的确立和推进，摄影家用镜头最真实地记录了新武义的盎然生机。

在新的发展中，武义人更注重了新景观与古生态和山水、人文以及新武义现代化特色的浑然结合，这里已经成为生态休闲、温泉养生的理想场所。已经成了一个年接待游客过百万的浙江省最佳休闲旅游胜地。

吴维康先生一直以来热衷于摄影，摄影功底深厚，最近在“第十届全国当代摄影艺术邀请赛”中又得了金奖。正当武义人民上下齐心，一道“推进富民强县，打造温泉名城，构建和谐家园”的进程中，得赏此精美影集，顿觉爱不释手，感慨良多，欣然为序。
