I've Learned …

By Andy Rooney

I've learned that the best classroom in the world is at the feet of an elderly person.

I've learned that being kind is more important than being right.

I've learned that no matter how serious your life requires you to be, everyone needs a friend to act goofy with.

I've learned that when you plan to get revenge on someone, you are only letting that person continue to hurt you.

I've learned that sometimes all a person needs is a hand to hold and a heart to understand.

I've learned that it's those small daily happenings that make life so spectacular.

I've learned that the Lord didn't do it all in one day. What makes me think I can?

I've learned that life is tough, but I'm tougher.

I've learned that the easiest way for me to grow as a person is to surround myself with people smarter than I am.

I've learned that opportunities are never lost; someone will take the ones you miss.

I've learned that everyone you meet deserves to be greeted with a smile.

I've learned that you should never say no to a gift from a child.

I've learned that simple walks with my father around the block on summer nights when I was a child did wonders for me as an adult.

I've learned that I wish I could have told my Dad that I love him one more time before he passed away.

I've learned that when your newly born grandchild holds your little finger in his little fist, that you're hooked for life.

I've learned that a smile is an inexpensive way to improve your looks.

I've learned that everyone wants to live on top of the mountain, but all the happiness and growth occurs while you're climbing it.

I Believe I Can Fly (2'53")

—— 我相信我能飞翔

I used to think that I could not go on,
And life was nothing but an awful song.
But now I know the meaning of true love.
I'm leaning on the everlasting arms.

If I can see it then I can do it.
If I just believe it there's nothing to it

I believe I can fly.
I believe I can touch the sky.
I think about it every night and day,
Spread my wings and fly away.
I believe I can soar.
I see me running through that open door.

I believe I can fly.
I believe I can fly.
I believe I can fly.

See I was on the verge of breaking down.
Sometimes silence can seem so loud.
There are miracles in life I must achieve,
But first I know it starts inside of me.

If I can see it then I can be it.
If I just believe it there's nothing to it.
(Chorus)
