J-Residence Show Flat/Dew

Dew展示的家居生活空间有白色的桦木地板和哥特式的墙壁。以白色、灰色和银色为整个室内设计的主题，而水晶饰品和边缘包有倾斜角的镜子给人温暖、怀旧的感受，使人想起了贵族时代。进入卧室的台阶被特别设计成了座椅。卧室有一种温馨、祥和、安静的气氛，作为床头背景的镜子增添了空间的视觉效果，进一步烘托了水晶珠帘的装饰，增添了空间感并给人庄重、典雅的感受。

The living space of Dew has a white birch floor and a gothic patterned feature wall. The dominant themes are white, gray and silver, while crystals and mirrors with bevel edges reflect a gentle nostalgic element as if to remind of a noble era. Extra seating for guests is made possible by the steps to the raised, ensuite bedroom. The bedroom itself is warm and atmospheric, featuring a mirror as the backdrop to the bed to increase the visual space - which is further highlighted by the decoration of crystal beaded strings side-by-side that adds to the grandeur.

J-Residence Show Flat / Wine

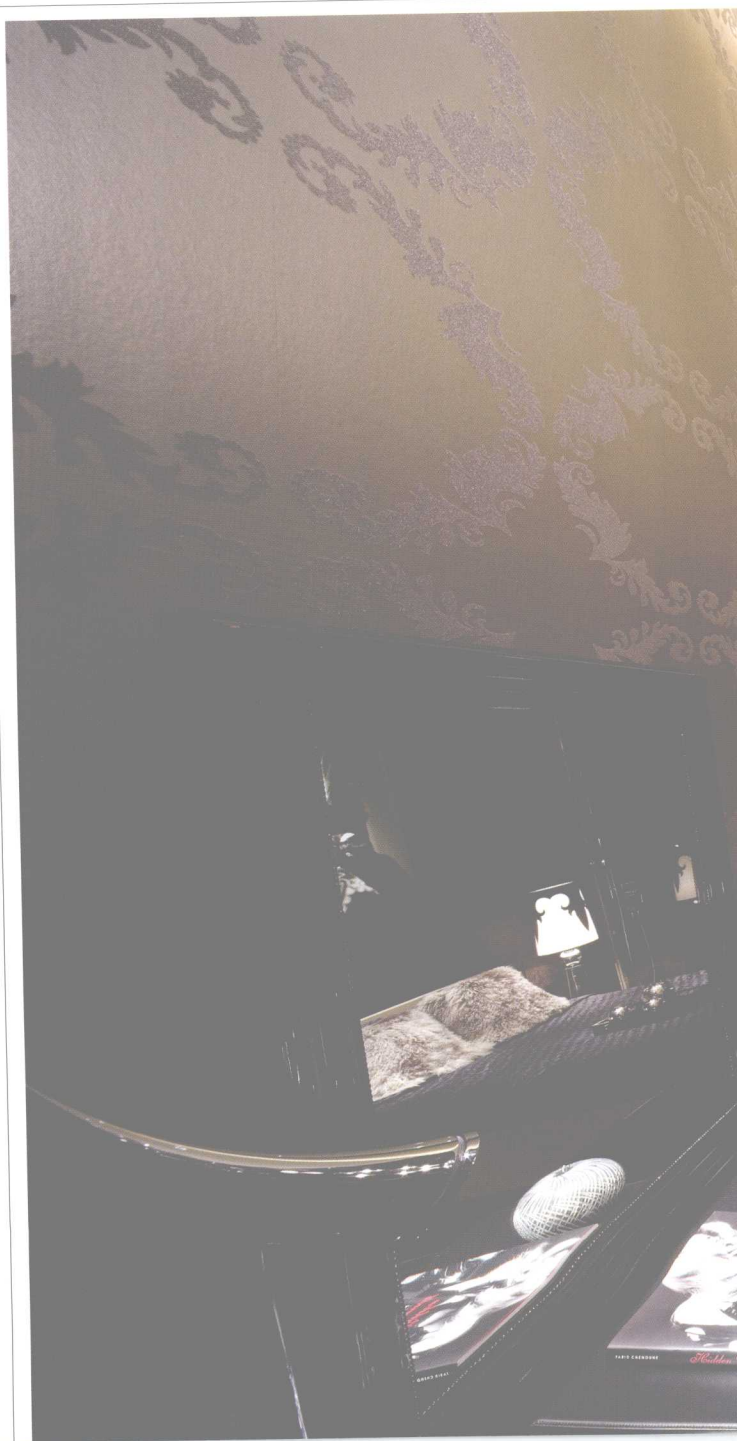

世界上享有盛名的香港建筑和室内设计师Steve Leung曾经为J-Residence设计过两款美得使人震惊的样板公寓。其中的“Dew”无可否认是偏于女性化的，完美地结合了古典主义与新古典主义，带给人华丽而时尚的空间感受，而这套“Wine”的设计恰当地展现了力量美也流露出一种含蓄的王者之气，完美地诠释了男性的魅力。这两款公寓堪称是“白昼与黑夜”的完美诠释。

在“Wine”的设计中展现了一种结合了古典与新古典元素的开放、大胆而现代的居住空间。很显然，这是为现代时尚的男性设计的公寓：交互式空间以一种现代、动态的方式填补了客体与主体之间的空白。参观者踏上雅致的石灰华石地板，它似乎轻易地承载了深棕色和深灰色哥特式墙体，嵌入的露珠图案的墙体与地板相互烘托辉映。位于开放式厨房一边的卫浴间的一大特色就是它独特的外墙。带有电动窗帘的玻璃隔墙确保了方便的功能需求，而在浴室内部，带色彩的镜子加强了立体的空间感。极其现代化的配有头顶雨淋花洒的淋浴给人以强烈的热带风情也突出展现了情欲和性感，给人一个逃离日常烦杂的空间。

Internationally renowned Hong Kong architect and interior designer Steve Leung has designed two stunning show flats at J-Residence. The 'Dew' residence is undeniably 'feminine', perfectly blending classical and neo-classical elements to achieve a smart and fashionable ambience, while the 'Wine' flat is carefully designed to convey a strong but discreet statement of success that is best described as 'masculine'. The two flats express the perfect balance of 'day and night'.

In the 'Wine' flat, the designer presents a bold, modern living space harboring both classical and neo-classical statements. This is clearly a home for the modern man: an interactive space that fills the void between the objective and the subjective in a modern, fluid manner. Visitors tread on an elegant travertine stone floor that effortlessly supports walls of dark brown pony hair and a dark gray gothic wall treatment with a pattern created

by embedded beads. The focal point of the bathroom located beyond the open kitchen is a remarkable shower enclosure. Sectioned by glass, an electric curtain ensures modesty as required, while the interior, tinted mirror enhances the spatial element. The ultra-modern rain shower evokes feelings of tropical rain forests and erotic settings, forming the perfect escape from the day's activities.
