BEETHOVEN, 6 STRING QUARTETS, OP. 18

The original hand-written copies of Beethoven's first six quartets have disappeared, if they are not actually lost. After repeated modification and rearrangement, they appeared as op. 18 in two instalments, at the end of June and in October, 1801, under the following title: "Six Quatuors pour deux Violons, Alto et Violoncelle, composés et dédiés à Son Altesse Monseigneur le Prince Regnant de Lobkowitz par Louis van Beethoven. Œuvre 18. 1^{er} Livraison à Vienne chez T. Mollo et Comp. (Edition No. 159)". The date of their composition cannot be ascertained for certainty, but it is probably between the years 1798 and 1800, as Gustave Nottebohm has shown from the sketch books. The order of the works chosen by Beethoven at the time of publication was not the original one. At first the D major quartet (No. 3) preceded the one in F major (No. 1), the original form of which, completed on June 25th 1799 and bearing the title of "Quartetto II", was sent by Beethoven to his friend Karl Ferdinand Amenda, with the following letter: "Dear Amenda. Accept this Quartet as a little remembrance of our friendship. Every time you play it, recall the old days and remember how good to you and always will be was your true and faithful friend Ludwig van Beethoven." It seems to me of great importance that

Beethoven on June 1st 1801**), that is to say, shortly before the appearance of the first instalment of his op. 18 should have written to his friend as follows: "Do not part with your quartet, as I have altered it completely, having just mastered the art of quartet writing, as you will see when you receive them." Amenda complied with the composer's wish, and the work remained in his family. In 1904, the possessor of the quartet, Frau Pastor Anna Kawall née Amenda allowed Dr. Karl Waack in Riga to publish the development section of the first movement in Vol. 10 of the fortnightly "Die Musik". A comparison between the two shows undoubtedly that the revised form is preferable. Amenda also relates that, in the splendid D minor Adagio, Beethoven intended to depict the parting of two lovers, particularly the scene by the vault in Shakespeare's "Romeo and Juliet".

A quartet in C minor was originally intended to be the third; two themes sketched out for this work, were however not used for the later C minor quartet, published as No. 4, but were laid aside in favour of No. 2 in G major, the Finale of which, as well as the Finale of the B flat major quartet (No. 6) and the third and fourth movements of the F major (No. 1) are drafted in one of the sketch books for the years 1799 und 1800.

* 169 for the 2nd instalment. I have not seen this original edition, but a later reprint by the same firm (No. 1111 and 1101) which is in the musical collection of the State Library in Berlin.

**) This letter bears no year date. Kalischer believes it to be 1800, but I think 1801 is more correct, as Beethoven would hardly have written the words "as you will see when you receive 'hem'" if the quartets had not been already published.

The main work on the G major quartet was certainly done in 1799 however, together with the work on the Septet, and the A major quartet, published as No. 5, in which the theme of the Variations was different. In general plan the A major quartet betrays the influence of the quartet by Mozart in the same key.

Sketches for the 4th quartet in C minor have not been preserved. In the new edition of the 2nd volume of Thayer's Beethoven, Hugo Riemann is inclined to regard it as an older work of the Bonn period, which opinion has the approval of Cannabich and Karl Stamitz of Mannheim. He points out in an interesting manner that the first movement is the-

matically closely related to, if not identical with, Beethoven's yet unpublished "Duett für zwei obligate Augengläser" or for Viola or Violoncello, which he considers the younger work.

The question of the 5th quartet in A major and the 6th in B flat major was of a different character; it seems that a portion of the Variations of the A major quartet was planned out as early as 1794/5.

The metronome marks now added to our edition were supplied by Beethoven subsequently (see Nottebohm, New Beethoveniana 520).

Alterations

1. In the third Variation of Movement III (Andante cantabile) there occurs in the last bar of the first period, a mistake in the Viola part, which until now has been copied into all the published Editions: only the first time, before the repeat, does the upbeat (quaver) occur as an opening to the melodic phrase:

whilst the phrase of the second part:

has no upbeat, which is clearly perceptible in the Violoncello part, and also by the changed form in the first part: (E). Röntgen ought therefore not to have added a fourth quaver (upbeat) into the last bar of the second period before the repeat.

2. In bar 96 of the last movement, there appears in the Viola part, the note of A, tied over from the bar before to the note of C#. Of course the note must remain A whether it be found a misprint, or after a critical survey. (Dugge) in Heckel (Mannheim), and consequently also in the General-Edition of Breitkopf & Härtel, but not in the Holle-Liszt, and also not in the Joachim-Moser Edition.)

3. In bar 280 there occurs a misprint in the 2nd Edition of Mollo's*, and in consequence also in the Breitkopf Edition

the following is preferable:

and is also adopted in the Joachim-Moser Edition by Dugge.

Wilh. Altmann

* Also occurring by Heckel (Mannheim), Holle-Liszt, and Litolff.

贝多芬的六首弦乐四重奏,Op.18

贝多芬的第一批六首弦乐四重奏的手稿即使没有永远遗失的话,如今也已下落不明。这几首作品经过不断的修改和重新排列,最后作为 Op. 18 分成两批于 1801 年 6 月底和 10 月问世,标题为“路德维希·凡·贝多芬为二把小提琴、中提琴和大提琴而作的六首弦乐四重奏,题献给罗布科维茨侯爵,作品编号 Op.18,第一册由维也纳的 T. 莫洛公司出版”(出版号:159^①)。虽然今天已经无法确定这些作品创作的具体日期,但正如古斯塔夫·诺特伯姆^②根据贝多芬的草稿所确定的那样,这些作品的创作时间可能介于 1798 与 1800 年之间。贝多芬在出版这些作品时所采用的并不是它们最初的顺序,最初的顺序为《D 大调弦乐四重奏》(第三)在《F 大调弦乐四重奏》(第一)之前。《F 大调弦乐四重奏》完成于 1799 年 6 月 25 日,上面的标题为“第二弦乐四重奏”。贝多芬将它寄给了好友卡尔·费迪南·阿曼达,并附上了下面这封信:“亲爱的阿曼达,请接受这首四重奏,以此来纪念我们之间的友情。你每次演奏它时,都会想起往日的时光,都会想到你这位忠诚的朋友路德维希·凡·贝多芬对你是多么忠心耿耿,而且将永远如此。”笔者认为有一点非常重要,在 Op.18 第一册出版前不久的 1801 年 6 月 1 日,贝多芬在致朋友的信中写道:“千万不要把你的那首弦乐四重奏送人,因为我已经对它进行了全面修改。你收到后就会看到,我已经掌握了弦乐四重奏的写作手法。”阿曼达遵从了作曲家的愿望,这首作品因而一直保留在他家。1904 年,这首四重奏的拥有者帕斯特·安娜·卡瓦尔(娘家姓阿曼达)夫人允许里加^③的卡尔·瓦克博士在他的双周刊《音乐》第 10 卷中出版了第一乐章的展开部。如果我们将前

①第二册的出版号为 169。笔者虽然没有见到过初版,却见到过该公司后来再次印制的这些作品(出版号为 1111 和 1101),它们现藏于柏林国家图书馆的音乐部。——原注

②古斯塔夫·诺特伯姆(1817—1882):德国作曲家、音乐学家,因对贝多芬草稿本的研究颇有价值而为人所知。——译者注

③里加:拉脱维亚共和国首都。——译者注

后两个版本进行比较的话，无疑就会看到修改后的版本要更胜一筹。阿曼达还说，贝多芬打算在那辉煌的 d 小调柔板部分描绘两个恋人的分离，尤其是莎士比亚《罗密欧与朱丽叶》中教堂分离的情景。

贝多芬原打算将一首 c 小调四重奏用作他的第三首弦乐四重奏，并且已经为这首作品写出了两个主题的草稿，但这两个主题并未用在后来作为第四首发表的 c 小调四重奏中，而是被放到了一旁，取而代之的是 G 大调第二弦乐四重奏，其中的终乐章以及降 B 大调四重奏(第六)的终乐章和 F 大调(第一)四重奏的第一、四乐章的草稿均出现在贝多芬 1799 和 1800 年的一本草稿簿中。不过，我们可以肯定 G 大调四重奏的主体部分完成于 1799 年，而且这一年完成的作品还包括他的七重奏和作为第五弦乐四重奏发表的 A 大调四重奏(其中变奏部分的主题不同)。A 大调四重奏的整体构思受到了莫扎特同一调性四重奏的影响。

《c 小调第四弦乐四重奏》的草稿没能保存下来。在塞耶^④的《贝多芬传》新版第二卷中，雨果·里曼^⑤倾向于将它视作贝多芬在波恩时期创作的一首较早的作品，他的这一观点得到了曼海姆的卡纳比希和卡尔·施塔密茨的认同。里曼饶有兴趣地指出：第一乐章的主题与贝多芬未出版的《中提琴或大提琴二重奏》有着密切关系(即使不完全相同的话)，因此他将这首二重奏视作第四弦乐四重奏的前身。

《A 大调第五弦乐四重奏》和《降 B 大调第六弦乐四重奏》的情况则截然不同，似乎第五弦乐四重奏变奏部分的一部分早在 1794—1795 年就构思好了。

本版本中出现的节拍标记是贝多芬后来添加的(见诺特伯姆《新编贝多芬大全》第 520 页)。

No. 20

E. E. 1120

Musical score for orchestra, page 2, featuring four staves of music. The key signature is A major (three sharps). Measure 30 starts with a dynamic of p . Measures 31-32 show eighth-note patterns. Measure 33 begins with a dynamic of sf . Measures 34-35 continue the rhythmic pattern. Measure 36 starts with a dynamic of f . Measures 37-38 show eighth-note patterns. Measure 39 begins with a dynamic of sf . Measures 40-41 continue the rhythmic pattern. Measure 42 starts with a dynamic of pp . Measures 43-44 show eighth-note patterns. Measure 45 begins with a dynamic of pp . Measures 46-47 continue the rhythmic pattern. Measure 48 starts with a dynamic of p . Measures 49-50 continue the rhythmic pattern.

Musical score page 3, measures 60-65. The score consists of four staves. Measure 60 starts with eighth-note patterns in the upper voices. Measures 61-65 show various rhythmic patterns, including sixteenth-note figures and eighth-note pairs, with dynamics such as *f*, *sf*, and *p*.

Musical score page 3, measures 66-70. The score continues with sixteenth-note patterns. Measure 66 has a dynamic of *p*. Measures 67-70 feature crescendos, indicated by *cresc.* above the notes.

Musical score page 3, measures 71-75. The score shows eighth-note patterns. Measures 71-74 have dynamics of *f* and *p*. Measure 75 ends with a dynamic of *p*.

Musical score page 3, measures 76-80. The score features sixteenth-note patterns. Measures 76-79 are grouped under a bracket labeled '1' and '2'. Measures 80-83 are grouped under a bracket labeled '80'. Crescendos are indicated above the notes in measures 79 and 83.

E. E. 1120

Musical score page 5, measures 110-115. The score consists of five staves. Measures 110-111 show eighth-note patterns with dynamics *p*, *cresc.*, and *cresc.*. Measure 112 begins with *cresc.* followed by a forte dynamic. Measure 113 shows eighth-note patterns with *cresc.* and *f*. Measure 114 concludes with *cresc.*

Musical score page 5, measures 116-120. The score continues with eighth-note patterns. Measures 116-117 show *sf* dynamics. Measures 118-119 show *cresc.* dynamics. Measure 120 concludes with *cresc.*

Musical score page 5, measures 121-125. The score features eighth-note patterns. Measures 121-122 show *p* dynamics. Measures 123-124 show *p* dynamics. Measure 125 concludes with *p*.

Musical score page 5, measures 126-130. The score consists of five staves. Measures 126-127 show *pp* dynamics. Measures 128-129 show *pp* dynamics. Measures 130-131 show *cresc.* dynamics. Measures 132-133 show *cresc.* dynamics. Measures 134-135 show *cresc.* dynamics.
