

听下面一段独白，回答第18至第20三个小题。

(Text 10)

I lived in England for ten months. I went to a high school in a northern city called Sheffield, which was once famous for its production of steel. I really enjoyed my school year in Sheffield, and I think I will miss it a lot. One day I hope to visit the UK again, to visit my English friends and my host family. My host mother is called Joyce, and her husband is Bill. They have three children—Claire who is my age, eighteen, Lucy who is sixteen and David who is fifteen. They are a lovely family and looked after me very well. Joyce is a wonderful cook, and my favourite meal was the Sunday Roast, which we had every Sunday evening. On our plate we usually had roast beef, with potatoes and at least two portions of vegetables, and it was covered in gravy.

I have been back in China for nearly four weeks, and have been practicing my English every day. I don't want to forget what I learnt this past year. My favourite class was English. But it wasn't like the English classes I have here in China. We studied poetry and famous plays, and read books together. We then used the literature to talk about the messages that the writers were trying to portray. My favourite part about this class was the discussions in every lesson, which we almost never have in China.

Exercise 3

第一节

听下面五段对话，回答第1至第5五个小题。

(Text 1)

M: Have you and your classmates had any outings recently?

W: No, but we will have one next weekend.

(Text 2)

M: We haven't seen our Chinese teacher recently. What's happened to her?

W: She's been seriously ill. She is still in hospital.

M: Let's go and see her after school.

(Text 3)

M: An important guest came to our school this morning. Guess why he came here.

W: I can't guess! Just tell me!

M: OK. He donated 20,000 yuan to our school. The money will be used to help students who are too poor to come to school.

W: That's really very kind of him.

(Text 4)

M: You look very unhappy, Mary. Why?

W: I have worked very hard at my lessons, but my parents still seem very hard to please.

M: My parents understand me quite well. They never require me to do anything beyond my abilities.

W: How I wish your parents were mine!

(Text 5)

M: My classmates and I went to the museum yesterday afternoon.

W: Oh, really? What was displayed there?

M: All sorts of things from the Tang Dynasty. It is a pity that we were not allowed to take any photographs inside the museum.

W: But, that is understandable.

前言

听是吸收和理解口头信息的重要交际手段。培养初步的听力技能是英语教学的目的之一。为检测学生的听力，同时促使中学英语教学重视听力训练，教育部自 2000 年起在高考英语试题中逐渐增加了听力考查内容。在这一形势下，我们根据英语课程标准的精神和高考英语的要求，结合多年从事高中英语教学工作的一线优秀老师的经验，编写了这套《新课标高中英语·强化听力》，供高中学生平时训练之用。

本套用书共五册，高一上学期、高一下学期、高二上学期、高二下学期、高三学年各一册。书中每个单元按照高考听力试题的模式给出两至三套训练题，每套训练题均围绕课文内容，结合交际情境，提供了多种听力训练材料。这些训练题内容丰富，题材广泛，情景真实，形式多样，重点突出，难易适中，有较强的针对性，有助于提高学生的听力，有助于学生熟悉高考听力试题的题型。由于英国学者直接参与书中部分录音文字稿的编写并对全部录音文字稿加以审校，书中所有对话和独白所使用的语言均较为地道、自然和贴近生活实际。

为便于学生自测，本书另配有录音磁带，书中还附有录音文字稿和参考答案。

祝同学们的英语听力不断进步！
