## 前 言

我國的印章起源久遠，早在春秋戰國時期已廣泛使用，考古發現的衆多“封泥”足以為證。古印大都為一種信物。秦漢時期以官印為主，其文字刻工雄渾蒼秀，為後世取法。魏晉以後紙帛盛行，特別是宋元書畫藝術的興盛，印章逐漸發展成為一種獨特的藝術，明清時期更蔚然成風，延綿至今。

值此復旦大學百年誕辰之際，我們用這一匯集中華民族智慧的藝術，刊就《百年復旦校長印集》。

2004年12月，復旦大學校慶辦公室主任方晶剛、上海《理財周刊》常務副主編周虎、上海角度抽象畫廊畫家許德民、上海電視臺新聞綜合頻道編播部副主任郭偉敏等衆多校友，聯合上海國際商品拍賣有限公司，以復旦大學百年校慶為主題，在上海展覽館舉辦了一次別開生面的“校友珍品義拍會”。參加義拍時，我被同窗好友周正平的復旦大學百年校長印的作品深深地吸引了，經幾番舉牌後終於拍得。會後叙舊之餘，我們便商議起將作品編輯出版之事，隨後邀請同學復旦大學文博系主任楊志剛、上海人民出版社編輯孔令琴共同商定方案，與復旦大學黨委副書記、校慶委員會秘書長燕爽表述此番意願後，即刻得到了支持和幫助。

本書得以成集出版，值得稱道的是現為上海大學藝術中心副教授周正平，他別名周宓，從小酷愛書畫篆刻，後來到上海中國畫院，隨著名金石書畫家韓天衡先生學習製印，並得前輩篆刻家葉潞淵先生指導，由秦漢印入門，上溯古璽，繼而學清代吳熙載、黃士陵諸家，加以變化。時隔多年，他的篆刻藝術漸入佳境，這本印集，更是聚集了他的辛勞和功力。

我們十分感謝上海市政協副主席、上海社會科學院黨委書記兼院長王榮華為本書題寫書名，感謝復旦大學宣傳部副部長周桂發提供相關的資料和良好的方案，感謝交通銀行總行劉鋼華的英文翻譯。

回顧歷史，正視現實，展望將來，復旦大學成長着，並且不斷發展壯大。我們記住每位校長為復旦作出的功績，同時也不會忘卻每位校長對復旦的殷切期望。我們以此印集表達對母校的拳拳愛心，願復旦大學早日成為世界一流的高等學府。

## Preface

Seals have a long history in China and were widely used early in the Spring and Autumn and the Warring States periods with sufficient evidence of lutes found in archaeological activities. In most of cases the ancient seals were regarded as tokens. In Qin and Han dynasties, seals were used mainly as official seals with vigorous, firm and bold carving skill, which was emulated by later generations. Seals were gradually developed into a unique art along with the use of paper and silk prevailing after Wei and Jin dynasties, especially in company with the art of calligraphy and drawing thriving in Song and Yuan dynasties. It became common practice in Ming and Qing dynasties and has been handed down to this very day.

At the coming of the 100<sup>th</sup> Anniversary of Fudan University, *the Seals Collection for All Presidents of the Centennial Fudan University* is published, by means of the art that agglomerates the wisdom of Chinese nation.

At December 2004, a special Charitable Auction of Alumni' Art Treasures for the Centenary Celebration of Fudan University was held in Shanghai Exhibition Center, which was launched by Mr. Fang Jinggang, Director of the Centenary Celebration Office of Fudan University; Mr. Zhou Hu, Executive Associate Editor of *Shanghai Financing Newsweek*; Mr. Xu Demin at Shanghai Jiaodu Abstract Paintings Gallery; Mr. Guo Weimin, Vice Director of News Channel in Shanghai Television, etc., and Shanghai International Commodity Auction Co. Ltd. At the auction, I was enwrapped by a sheet of rubbings named The Seals Collection for All Presidents of the Centennial Fudan University, which was made and donated by Mr. Zhou Zhengping, my good classmate. It was lucky I won the bidding finally. When gathering after auction, we discussed to have the rubbings published and then invited our classmates, Mr. Yang Zhigang, the present Director of Museum Department of Fudan University; Ms. Kong Lingqin in  
3 Shanghai People's Publishing House to make arrangements. When Mr.

arrangements. When Mr. Yan Shuang, the present Deputy Secretary of CPC Committee and Secretary-general of Centenary Celebration Committee of Fudan University learned our idea, he gave us much support and detailed planning.

The successful publishing of this Seals Collection should be attributed to Mr. Zhou Zhengping, also named Zhou Mi. He is now the Associate Professor in the Art Center of Shanghai University. Mr. Zhou has been fond of calligraphy and seal cutting from his childhood. When he studied in Shanghai Chinese Painting Institute, he followed Mr. Han Tianheng, the famous engraver and calligrapher as his master. He also got instructions from Mr. Ye Luyuan. Starting from Qin and Han seals, and then imitating the great masters such as Wu Xizai and Huang Shiling in Qing dynasty, he developed a style of his own. After all these years, my old friend improved his art to a new delightful level. This Seals Collection embodies his hard work and outstanding skills.

We should thank Mr. Wang Ronghua, Vice Chairman of Shanghai CPPCC, Secretary of CPC Committee and Dean of Shanghai Academy of Social Science, for his superscription; Mr. Zhou Guifa, Deputy Secretary of the Publicity Department of Fudan University, for providing the relative information and suggestions; Ms. Liu Ganghua at Bank of Communications for her translation.

While recalling the past, facing reality and looking into the future, we care about the growing of Fudan University. While eulogizing the merits made by the predecessors, we have more ardent expectations for the developing of Fudan University.

Through this Seals Collection, we honestly congratulate our mother school on its 100<sup>th</sup> Anniversary! We sincerely wish her a first class advanced university in the word!

## 復旦大學簡介

復旦大學創建於1905年，原名復旦公學。“復旦”兩字由學校創始人、著名教育家馬相伯先生選自《尚書大傳·虞夏傳》中“日月光華，旦復旦兮”的名句。1917年改為私立復旦大學，下設文、理、商三科以及預科和中學部。1937年抗戰爆發後，學校內遷重慶北碚，於1941年改為國立。1946年遷回上海江灣原址。1952年全國高等學校院系調整後初成文理科綜合大學，成為直屬高教部領導的全國重點大學，是一所包含人文科學、社會科學、自然科學、技術科學以及管理科學在內的多科性研究型綜合大學。2000年4月27日上海醫科大學與復旦大學合併，成立新的復旦大學。如今的復旦大學，學科門類更為齊全，綜合實力更加強大。

復旦大學老校門復原建築

The Rehabilitated Model of Original Gate of Fudan University

Fudan University was established in 1905, initially named Fudan Public School. Its name “Fudan” was given by the distinguished educator and its founder Ma Xiangbo, from the Confucian Classics — “Itinerant as the twilight, sun glows and moon luminesces.” In 1917 its name was changed to Private Fudan University and enrolled more students in Arts, Science and Business departments, as well as the preparatory and middle-school department. After the Anti-Japanese War broke out in 1937, Fudan was forced to move to Beipei, Chongqing and turned to “state university” in 1941, until back to Shanghai in 1946. With the college adjustment in the whole country in 1952, Fudan became the national famous university directly controlled under the State Education Department. Since then Fudan rapidly ascended to a comprehensive university with Liberal Arts, Sociology, Science, Technique and Management Science. In 2000, Fudan has embarked on another expansion with combination of Shanghai Medicine University on Apr. 27, 2000. With more comprehensive disciplines and synthetic abilities, the new Fudan is now a world-class university.

復旦大學現校址奠基石

The Cornerstone of the Current Location of Fudan University

奠基石原物現嵌於燕園假山石壁，謝希德校長題詞：“一九二〇年，李登輝校長遷建復旦大學校舍於江灣今址之奠基石。”上面刻有文字：“博學而篤志，切問而近思。”

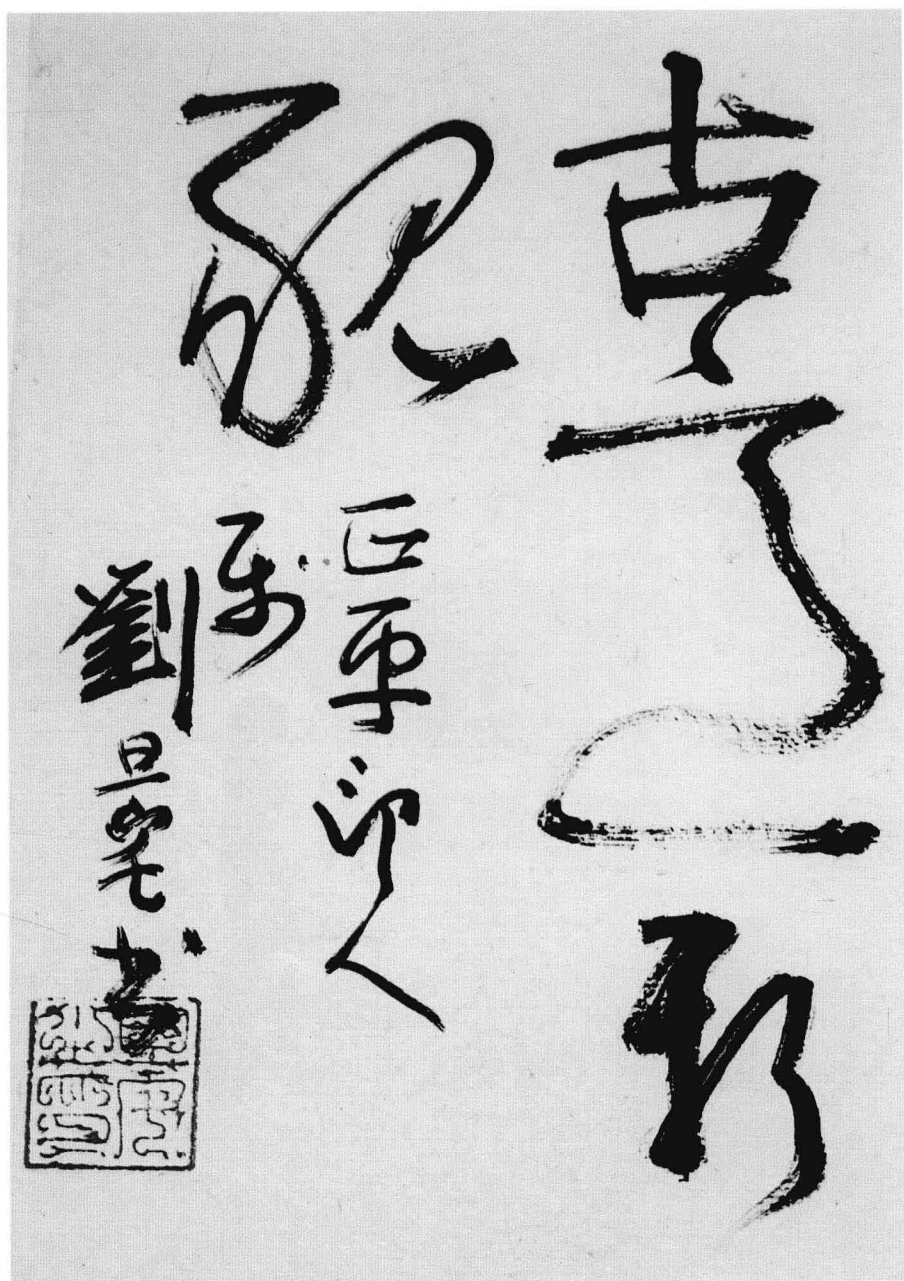

The real cornerstone is now inset in the rockwork in Yanyuan, beside the President Xie Xide's epigraph: "The cornerstone witnessed President Li Denghui relocating Fudan University to Jiangwan in 1920." The following words are sculptured on it: "Broad scopes, Perseverant will, pertinent question and profound thinking."
