亲爱的顾客：

您知道这个小图标©是什么意思吗？那它又为什么如此重要呢？

您手中的市场领先的BPP课本，课程资料和电子学习资料，它们并不能自我编著和更新。这些资料由专人编著，无论是以作者自己名义还是以投资编著机构的雇员名义。版权法通过赋予内容的使用的权利而保护编著人/编著机构的权益。

侵权是一种盗窃行为，在某些司法领域也是一种刑事犯罪行为，它潜在地严重违反职业道德。

A note about copyright

Dear Customer

What does the little © mean and why does it matter?

Your market-leading BPP books, course materials and elearning materials do not write and update themselves. People write them: on their own behalf or as employees of an organisation that invests in this activity. Copyright law protects their livelihoods. It does so by creating rights over the use of the content.

Breach of copyright is a form of theft – as well being a criminal offence in some jurisdictions, it is potentially a serious breach of professional ethics.

With current technology, things might seem a bit hazy but, basically, without the express permission of BPP Learning Media:

- Photocopying our materials is a breach of copyright
- Scanning, ripcasting or conversion of our digital materials into different file formats, uploading them to facebook or emailing them to your friends is a breach of copyright

You can, of course, sell your books, in the form in which you have bought them – once you have finished with them. (Is this fair to your fellow students? We update for a reason.) But the ilearns are sold on a single user license basis: we do not supply 'unlock' codes to people who have bought them second hand.

And what about outside the UK? BPP Learning Media strives to make our materials available at prices students can afford by local printing arrangements, pricing policies and partnerships which are clearly listed on our website. A tiny minority ignore this and indulge in criminal activity by illegally photocopying our material or supporting organisations that do. If they act illegally and unethically in one area, can you really trust them?

Using your BPP Learning Media Practice and Revision Kit

Tackling revision and the exam

You can significantly improve your chances of passing by tackling revision and the exam in the right ways. Our advice is based on feedback from ACCA examiners.

- We look at the dos and don'ts of revising for, and taking, ACCA exams
- We focus on Paper P1; we discuss revising the syllabus, what to do (and what not to do) in the exam, how to approach different types of question and ways of obtaining easy marks

Selecting questions

We provide signposts to help you plan your revision.

- A full **question index**
- A **topic index** listing all the questions that cover key topics, so that you can locate the questions that provide practice on these topics, and see the different ways in which they might be examined
- **BPP's question plan** highlighting the most important questions and explaining why you should attempt them
- **Build your own exams**, showing how you can practise questions in a series of exams

Making the most of question practice

At BPP Learning Media we realise that you need more than just questions and model answers to get the most from your question practice.

- Our **Top tips** included for certain questions provide essential advice on tackling questions, presenting answers and the key points that answers need to include
- We show you how you can pick up **Easy marks** on some questions, as we know that picking up all readily available marks often can make the difference between passing and failing
- We include **marking guides** to show you what the examiner rewards
- We include **examiners' comments** to show you where students struggled or performed well in the actual exam
- We refer to the **2009 BPP Study Text** (for exams in December 2009 and June 2010) for detailed coverage of the topics covered in questions
- In a bank at the end of this Kit we include the **examiner's answers** to the June and December 2009 papers. Used in conjunction with our answers they provide an indication of all possible points that could be made, issues that could be covered and approaches to adopt.

Attempting mock exams

There are three mock exams that provide practice at coping with the pressures of the exam day. We strongly recommend that you attempt them under exam conditions. **Mock exams 1 and 2** reflect the question styles and syllabus coverage of the exam; **Mock exam 3** is the December 2009 paper.
