前 言

《九年义务教育英语课程标准（实验稿）》指出：“语言技能是构成语言交际能力的重要组成部分。语言技能包括听、说、读、写四个方面的技能以及这四种技能的综合运用能力。听和读是理解的技能，说和写是表达的技能；这四种技能在语言学习和交际中相辅相成、相互促进。学生应通过大量的专项和综合性语言实践活动，形成综合语言运用能力，为真实语言交际打下基础。”然而，众所周知，我国的英语教育在“听”和“说”两方面始终是比较薄弱的，特别是“说”。一位美国语言学博士曾跟我说，有一位托福考了640分的中国硕士曾跟他练习口语，可他俩很难沟通。这位中国硕士的英语口语如此之差，以致这位美国博士说自己真不知道他是怎样考的托福640分。事实上，不只这位硕士如此，就是我们的一些英语老师有时也怕与外教接触。虽然他们的英语语法很好，但他们听、说的能力有限，怕听不懂、怕说不出，怕闹笑话。

我们以往的英语教育在听、说方面重视不够，也没有很好的语言环境。改革开放以来我们发现了这个问题，在教学中注意了这个问题。但由于种种原因，结果还是不理想。我们编写这套丛书就是想在这方面有所突破，力争能对读者有所帮助。

本丛书是按照《九年义务教育英语课程标准（实验稿）》的“等级要求”和“话题项目表”编写的。本着循序渐进的原则，从易到难；有的话题反复使用，但难度越来越大。第一册为三级，供七年级使用；第二册为四级，供八年级使用；第三册为五级，供九年级使用。

本丛书的编写原则是：1. 趣味性，要求对话内容能够吸引学生，学生愿意学；2. 实用性，要求对话内容紧密结合学生生活实际，学生学了就可以用；3. 现实性，即使用最新英语，内容设计出其不意。

本丛书每册 20 个单元，每个单元为一个话题，每个话题分为：1. 示范对话 (Model conversation)；2. 常用习语 (Useful phrases and expressions)；3. 自编对话 (Tasks)。

本丛书由有国外生活、进修经验的资深英语教研员和一线教师编写，由英国学者 David Marr Joss 审稿。本丛书的编写贴近生活、联系实际、符合学生特点、趣味性强、科学实用，是一套不可多得的口语训练丛书。通过此书的学习，可以振作学生的精神，启迪学生的灵感，增强学生的信心。

A: Yeah, that's the smart thing to do. Was there any money in it?

B: No, I kept that in my pocket.

A: OK, let me check our memo. Well, Mary, you are very lucky today. Someone has sent a message to us. He found your lost purse. Here's his email address: leifeng@hotmail.com.

S: Hi, Lucy. How's everything?

L: Fine. But I can't stand^①Lily. She is always talking in class. I wish I were deaf when I am with her.

S: Really? That sounds terrible. But she is your deskmate^②. You have to face her every day!

L: Unluckily, she is also my neighbor. Her apartment is next to mine. We even go to school together every day.

Mike: Oh, right.

Jim: Are you still looking for someone?

Mike: Yes, we are.

Jim: Oh, good. I am really interested.

Mike: Well, there are four of us, and it's a fairly small house, so we want someone who is easy to get along with.

Jim: I am pretty easygoing.

Mike: Great! So can I ask you a few fairly straightforward questions about yourself?

Jim: No problem I like it when people are direct.

Unit 3 Personal environments

Model conversation

Agent: Hello. How can I help you, sir?

Tom: Hi. Good evening. Are you open yet?^① I am interested in renting an apartment^②.

Agent: Yes, we are. Come in. Would you like to rent an apartment in this estate^③?

Tom: Well, kind of^④. I'd rather rent one near my daughter's dormitory, if possible. She studies in Shenzhen Middle School. And also, I'd like to be close to my work.

Agent: That's understandable. We all want to live close to work as well as take good care of our children. Well, I think I can help you. How many rooms would you like?

Tom: Just one. I am alone. But I would like to have an extra room for my dog.

Agent: So you'd like two rooms and an apartment that accepts ani-

mals. Hmm. Here's one. It is renting for 800 *yuan*. How is that?

Tom: That's perfect, just what I was hoping to pay. Which floor is it on?

Agent: Floor? Oh. It's on the 10th floor.

Tom: That's too high. I'd like to be on the first or second floor so that I don't have to use the elevator. My dog, he's scared of it.

Agent: Oh. Well then that's a little more difficult! Let me make a few calls^①...Okay. Here's one that might suit your needs.

Tom: How much?

Agent: 700 *yuan* a month. But it has only one bedroom! A large one, but still just one room.

Tom: Oh, I still need a room for my dog. What else do you have?

Agent: Then I have a two-bedroom apartment for 1000 *yuan* on the second floor that is a little further away from your work.

Tom: How far?

Agent: About half a mile! And they accept pets.

Tom: That's a little more than I have planned on paying. But I guess I could have a look at it.
