With the development of the social economy, clubs begin to shake away from other forms gradually, with a wide sphere of aspects and diverse forms: the chevalier club, golf club, spa club, private club, fitness club, business club, and so on.

The diversity of clubs also determines that we can not only discuss its functionality. Most of the clubs orient high-level consumer groups, and the investors are mostly private proprietors. As a result, it determines the irreplicability of most clubs. At the same time, on the basis of the right functional aim, the contents that clubs cover may be different according to the owners. They may tend to be diversified and specialized, therefore, in order to accomplish the first step of designing, the designers must have a good communication with the managers, and have a profound understanding of the owners.

Another important aspect of the designing lies in the orientation. On mentioning clubs, people will often associate with investments at any cost; extravagance and luxury have become the other names of clubs. However, it is not the case. Different clubs and different spaces all need designers to direct the owners, to take full advantages of professional knowledge to integrate into the space. Low-cost and conciseness do not represent exaltedness, and it is the same

随着社会经济的发展,会所也逐渐从其他形式中脱离出来,它的内容涵盖了很多方面,形式也多种多样:骑士会所、高尔夫球会所、水疗休闲会所、私人会所、健身会所、商务会所等等。

会所的多样化也决定我们不能只是单一地讨论它的功能性。会所大多面对的是高消费群体,投资者也基本是私有业主,所以这就决定了大多数会所的不可复制性。同时,在功能目标准确的基础上,会所涵盖的内容也会因业主的不同而趋于多样化、特殊化,这就要求设计师必须与经营者有一个良好的沟通,完全吃透业主的思想,才能完成会所设计的第一步。

其二是会所的定位,很多时候一提到会所,就会使人联想到不惜金钱的投资,奢侈、豪华成为其代名词。其实也不尽然,不同的会所和空间都需要设计师去引导业主,充分利用专业知识去融合空间,低造价、简练不代表不高贵,同样奢侈空间的一味堆砌也不能代表它多有品位。在目前的社会里,可能更多的业主还

as that the heaping up of luxury spaces does not show how tasteful it is. In current society, it is likely that more owners would like the European or Chinese styles or details. As a consequence, it needs us to abstract and to integrate with the space. At the same time, with the development of the society and the intercommunion of information, an increasing number of owners begin to realize how to orient the space; in consequence, it is also urgent to enhance the self-improvement of the designers.

Most clubs require to be exalted and distinctive, and the management patterns may be very different; therefore, the designing of clubs are not like other spaces which have much inertia and references, so that the combined qualities of the designers must be excellent, otherwise, it is as inconceivable as asking a person who has never been to a five-star hotel to design a super-six-star hotels. "Studying, accumulating, communicating and thinking" are the essential requirements for a good designing of clubs, and they are also the prerequisite elements of making every project as spectacular as possible.

是喜欢欧式或中式的风格或细节等等,这就需要我们提炼,与空间相融合。与此同时,越来越多的业主随着社会的发展、信息的交流,认识到如何去定位空间,所以加强设计师自身建设也是迫在眉睫的。

对会所设计的要求大多为高贵、独特,而管理模式却大相径庭,设计起来不像其他的空间有很大的惯性及参考性,这就要求设计师的综合素养一定要高,不然就好比让一个从来没进过五星级酒店的人去设计超六星级酒店一样不可思议。“学习、积累、沟通、思考”是做好会所空间的必备条件,也是我们设计师取得进步、让每个项目美轮美奂的先决要素。

# 12 Oaks Manor

## 十二橡树庄园

In the description of Margaret Mitchell, 12 Oaks Manor is the substitute word of beautiful and romantic things. In 12 Oaks Manor, we can find natural charming scenery, luxurious banquet, humorous picnic, charming party, beautiful costumes, elegant gentle-men and pretty young socialite gathering together. As "Gone with the Wind" said, it is "luxurious and proud, a symbol of status and lifestyle". 12 Oaks

Manor carries the longing and yearning for a better life, containing the guard and insistence of romantic love, also indicating the watch and reminiscence of warm family. The 12 Oaks Manor is a beautiful place filled with historical flavor, a picturesque manor life in the Southern America in 1800s, and now, after hundreds of years' polish, it shows its graceful posture once again in Shenzhen.

在玛格丽特·米切尔笔下，十二橡树庄园是美好、浪漫的代名词。在十二橡树庄园，有自然的旖旎风光和豪华的酒宴、风趣的野餐、迷人的舞会、漂亮的服装，风度翩翩的绅士和青春俏丽的名媛们欢聚一堂。正如《飘》中所说，它“豪华而骄傲，象征一个阶层和一种生活方式”。十二橡树庄园，承载着对美好生活的向往和憧憬，蕴含着对浪漫爱情的守护与坚持，预示着对温馨家庭的守望和眷恋。这一充满了历史情趣的美丽地方，这19世纪美国南方如诗如画的庄园生活，如今，历经数百年的时光洗练，在深圳再次展现它的曼妙身姿。

Shili lanshan Club is located in Banan area of Chongqing City. The building structure of this project is the Italian Toscana Pan-Mediterranean style. In its planning, it includes many building structures, such as the townhouses and the multi-storied garden villas. With lively handcrafted details, it displays the living conception of Toscana. The developer uses many elements, such as the enclosed buildings, stretched roofs and warm building colors, to create the most Italian-flavored villa community. In consequence, in terms of its designing, this club not only has to take the combination of both the interior and exterior of the building into consideration, but also has to take care

of the elegant and noble quality of this project, to display grandness, leisure, peacefulness and exaltedness of Toscana that this project is designed to offer.
