Introduction

# 出版前言

21世纪,我国经济和社会发展进入新的阶段,对人才的需求亦不断提高,高等教育面临新的形势和任务;英语教育加强培养大学生的英语综合应用能力,特别是听说能力,已是当务之急。

2004年6月,教育部颁布了《大学英语课程教学要求(试行)》,对学生英语能力、课程设置、教学模式和教学评估等提出了明确要求,这意味着教学手段、教材编写和出版方面的一系列变革。作为全心致力于我国外语教育事业发展的出版者,我社经过广泛比较和调研,决定引进英国著名教育出版机构——麦克米伦出版公司的全球畅销教材 Inside Out(《新要求大学英语》),结合国内教学实际加以改编、奉献给全国师生,希望它能成为高校贯彻课程要求的得力工具。

本教材具有下列特点:

- 1. 设计编写以学生为中心: 完全采用注重学生知识和情感"参与"的教学策略,回答问题、讨论等开放式题型取代了机械的练习,鼓励学生结合日常生活信息来学习和运用新知识,充分体现了学生在教学过程中的主体地位。
- 2. 选材全面,来源真实,语言地道:教材各单元按主题划分,每个单元内又包含若干子主题,使所有学生均"有话可说"。课文选自国外的报刊、小说、网站、个人交往材料等;音像材料选自访谈、戏剧、流行歌曲等,让学生接触到真实生活中的地道英语。真实的语境、合适的话题、丰富的内容、新颖的课堂活动,能够唤起学生学习英语的兴趣,使学生通过吸收丰富的语料,快速提高听、说、读、写能力,深入了解英语国家的文化和社会知识,有效培养他们的英语交际能力。
- 3. 各种技能训练紧密契合,诨然一体:语法、词汇、口语、听力和写作的讲授或训练环环相扣,特色鲜明。语法学习分语言分析、强化练习和实际运用三个步骤,充分结合课文场景和学生自身生活,注重个性化;单词采用情景记忆法,利用上下文和与单元内容相关的练习形式,在课堂上和课后反复操练,注重系统性,帮助学生积极高效积累词汇;口语练习与单元主题、词汇和语法相互关联,为学生提供了学以致用的机会,内容上则鼓励学生讲述真人真事,从而激发学生的交流意愿,使学生更加投入,有效提高英语表达的流利度;视听材料借助VCD、CD,用生动的题材、丰富的体裁、多样化的语言材料,为学生提供了生活中英语运用的真实例子,训练学生对日常英语的听力技能,增强他们用英语交际的自信;写作自成体系,包含在练习册中,训练学生对记叙文、议论文、信件等多种体裁的写作能力。
- 4. 立体化的教学资源:《新要求大学英语》共5级(含预备级,适合大学不同起点的学生使用),是一套立体化教材,课本、录音磁带和CD、多媒体光盘和网站紧密结合,互相支持。

课本以综合教程学生用书为核心,配有教师手册、练习册、课堂活动、视听说学生手册和视听说教师手册。

教材支持网站是 www.insideout.net, 为教师提供了丰富的教学资源,也提供了一个与世界各地的教师交流的平台; 网站还包含E-lesson,每周更新,并附有教学指南,供教师免费下载,用于课堂教学。

《新要求大学英语》是一套经过教学实践检验、旨在培养学生英语综合应用能力、特别是听说能力的英语教程。在当前英语教学环境和条件发生重大变化,各高校积极探索运用电脑和网络进行教学的情况下,本教材的立体化特征使之适于各校根据实际条件选择使用,尝试多种教学模式和教学手段。我们深信,本套教材是贯彻《大学英语课程教学要求(试行)》、提高教学质量、培养高层次人才的最佳选择之一。

# Introduction

Welcome to the *Inside Out* Pre-intermediate Video Student's Book. Each level of the *Inside Out* course has its own Video, Video Student's Book and Video Teacher's Book to be used in conjunction with the *Inside Out* Student's Book. *Inside Out* videos follow the topics and content of the Student's Book and are intended to both recycle and expand language and topics from the course. There are eight video units in this book. They are related to units 1, 4, 7, 9, 12, 14, 17 and 18 of the Student's Book. For ease of reference, the unit numbers have been kept the same in the Video Teacher's Book.

The aims of the Inside Out videos are:

- to provide students with a stimulating and engaging learning tool that adds extra interest and variety to lessons.
- to expose students to authentic English, carefully matched to their language ability – the video units are a language-rich resource for students to extract real words and phrases from.
- to provide information on cultural aspects of language, both directly through culture-focused activities and indirectly through inferring from the video for discussion and cross-cultural comparison.
- to give students a more in-depth knowledge of the topics and texts in the Student's Book thereby enabling them to make a fuller, betterinformed contribution in class.
- to offer students the chance to increase their confidence by watching and understanding native speakers in context.

#### Inside Out Videos

The *Inside Out* videos are closely linked to the topics and activities in the Student's Book. Each video unit lasts approximately five minutes, but may vary from unit to unit. In order to help you find the unit you want to use, the running time is indicated in the bottom left-hand corner of the screen and the unit number can be found in the top left-hand corner.

Each video unit stands alone as a complete lesson, and together with the worksheet activities should take between 30 and 45 minutes. The videos contain a variety of genres such as documentaries, interviews and dramas, and include monologues, conversations and narratives. They can be divided into four categories: 'extension' units, 'specialised subject' units, 'drama' units and 'anecdote' units.

 Extension units develop and extend topics or reading texts in the Student's Book. For example, in Student's Book unit 1, the first two

- pages are all about names. Video unit 1 has six people talking about the origin and meaning of their names.
- Specialised subject units pick up one thread of a topic that a Student Book unit is based on. For example, Student's Book unit 4 is all about sport with some articles about fitness and a reading text about golf. Video unit 4 is all about one sport, cricket, and how players keep fit and learn to play the game.
- Drama units dramatise the subject in the Student's Book. For example, in Student's Book unit 7, there is a reading text about nightmare jobs. Video unit 7 is a mini-drama about a worker who returns to work after a holiday and has a disastrous day.
- Anecdote units show anecdotes from the Student's Book being performed by native speakers. They can be used to provide a model or for comparison. For example, in Student's Book unit 12, the anecdote is all about confessions. Video unit 12 has five people making confessions about things they did when they were younger.

  - c) Does your first name mean anything?
  - d) Does your last name mean anything?
  - e) Would you like a different name?

1 Read the text. Then label the diagram with the words in the box.

1) umpire 2) batsman 3) bowler 4) fielder 5) wicket keeper 6) bat 7) pitch 8) wicket

Cricket is an eleven-a-side game played with a wooden bat and a hard ball. The traditional clothes are white, although professional teams now often wear colours. The main cricket countries of England, Australia, South Africa, the West Indies, New Zealand, India, Pakistan, Sri Lanka and Zimbabwe have regular matches.

Cricketers play on a large oval grass field with a 20 metre long pitch in the middle. The pitch has a 'wicket' at each end. The teams are either 'fielding' or 'batting'. The batting team tries to hit the ball to score 'runs'. Only two batsmen are on the pitch at any one time. These batsmen run between the wickets after they hit the ball and their 'runs' are counted.

The bowler bowls (throws) the ball to the batsman. A 'wicket keeper' stands behind the wicket and tries to catch the ball. Other players from the fielding team are in the field (fielders) and try to catch the ball the batsman hits. If they catch the ball, the batsman is 'out', and the next batsman plays. An umpire makes sure everyone follows the rules.

The parents had more physical punishments.

Work in groups. Compare the schooldays of the people in the video with your own experience of school.

For example:

Tom and Claire have to wear a uniform but I didn't. The parents all ate in the school restaurant. I always took my own sandwiches.
