Dear Sirs:

(1) I have the honour (on'e) to write you about the establishment (ĕstăb'lĭshment) of my own (on) export house in this city.

(2) I have been connected, for years, with the Chinese American Import and Export Co., first as a buyer, then as the head of their buying department. (3) Since the beginning of this year, when that Company failed, I have been investigating (investigating) the conditions here; and, after due (du)
