A Moment Like This

What if I told you
It was all meant to be
Would you believe me
Would you agree
It's almost that feeling
We've met before
So tell me that you don't think I'm crazy
When I tell you love has come here and now
A moment like this
Some people wait a lifetime
For a moment like this
Some people search forever
For that one special kiss
Oh I can't believe it's happening to me
Some people wait a lifetime
For a moment like this
Everything changes but beauty remains
Something so tender
I can't explain
Well I may be dreaming but till I awake
Can't we make this dream last forever
And I'll cherish all the love we share

For a moment like this
Some people wait a lifetime
For a moment like this
Some people search forever
For that one special kiss
Oh I can't believe it's happening to me
Some people wait a lifetime
For a moment like this
Could this be the greatest love of all
I wanna know that you will catch me when I fall
So let me tell you this
Some people wait a lifetime
For a moment like this
Some people wait a lifetime
For a moment like this
Some people search forever
For that one special kiss
Oh I can't believe it's happening to me
Some people wait a lifetime
For a moment like this

A New Day Has Come

I was waiting for so long
For a miracle to come
Everyone told me to be strong
Hold on and don't shed a tear
Through the darkness and good times
I knew I'd make it through
And the world thought I had it all
But I was waiting for you
Hush, love
I see a light in the sky
Oh, it's almost blinding me
I can't believe
I've been touched by an angel with love
Let the rain come down and wash away my tears
Let it fill my soul and drown my fears
Let it shatter the walls for a new, new sun
A new day has... come
Where it was dark now there's light
Where there was pain now there's joy
Where there was weakness, I found my strength

All in the eyes of a boy
Hush, love
I see a light in the sky
Oh, it's almost blinding me
I can't believe
I've been touched by an angel with love
Let the rain come down and wash away my tears
Let it fill my soul and drown my fears
Let it shatter the walls for a new, new sun
A new day has... come
A new day has... come
Let the rain come down and wash away my tears
Let it fill my soul and drown my fears
Let it shatter the walls for a new, new sun
A new day has... come
A new day has... come
Oh, a light
Hush, now
I see a light in your eyes
All in the eyes of the boy
I can't believe
I've been touched by an angel with love

I can't believe

I've been touched by an angel with love

Hush, now

Hush, now

Hush, now
