We know April Fool's Day is on April 1st. On that day, interesting things will happen. Our friends will play jokes on us and try to fool(愚弄) us. Everyone can have a lot of fun.

People do not know the beginning of April Fool's Day. Some believe the celebration(庆祝) of it began in France many years ago. But in many countries, people do not celebrate April Fool's Day on April 1st, but on some other days.

In Mexico, April Fool's Day is on the 28th of December. In old Rome, people celebrate it on the 25th of March. And in India, people celebrate the day on the 31st of March. In America, young people may set(定) the day when they want to make fun of other people. But it is important to remember(记住) that the jokes should be good for both sides. One must remember the difference between a good joke and a bad one.

What do you usually do after school? Do you do your homework, watch TV, play computer games or do other things? Do you know what students in America do after school? Let's have a look together.

The students in America have an exciting free time after school. Because school finishes at about 3:00 in the afternoon, American students have much time to do other things after school. They often have many activities(活动) or go to clubs(俱乐部). There are many ball games like basketball, football, baseball and so on. There are also many kinds of clubs for students: dance club, art club, and a lot of other very interesting clubs. Students can have fun, do exercise or learn something outside classes. For example, students can learn to cook or make clothes. Some students do some work to make money, or go home to do homework, watch TV, play computer games, or do other things.

The colorful life makes the American students learn more to get ready for the future.
