English is a kind of tool(工具) for communication(交流). You can talk to people from any country in English. So using English well is very good for you. But how do people use English?

You may meet your friends in the street. Then what can you say to them? You can say "How are you?" If the man is your good friend, and you can say to him, "What's up?" Sometimes, you can say "What's new?" or "How's everything?" for the first time(次). You also can say "How do you do?" or "Nice to meet/see you." But next time you meet them, you can't do that. You can say "How are you?" or "Nice to meet you again." Sometimes you meet your old friends at some place. You are glad to say "Long time no see." to make them know you miss(想念) them very much.

A good way to learn English well is to practise(练习) it. An Englishman speaks English well because he speaks English every day.
