Getting rid of redundant lines and classicism of pillar is the combination of classic and modern, so as to suit the aesthetic views of more people. The addition and repeated application of simplified lines create neoclassic style. Therefore, the designer uses simple horizontal and vertical lines to draw the three dimensionat and aesthetic senses of space. Black and silver which are the dominant colors coordinate with dark furnishing and accessories to render the whole space, so as to describe redundant classicat form by. Using the simplest language.

去除繁琐的线条和柱式的古典主义，是古典与现代的结合，以便适合更多人的审美。加以简化后的线条并重复的应用，来营造出新古典风格。于是设计师用简约的横平竖直线条勾勒出空间的立体和美感。以黑色及银白色调为主，再以深色的家私及配饰对整个空间烘托渲染，从而以最简练的语言来表达繁复古典的形态。

Oak RoseHub Sample House

It is a living space full of spirit. The designer uses a plain American style, fuses various European styles which mix with generous and leisure American style and gets rid of redundant luxurious elements of classical European style. The space has elegant decoration of classicism and functional furnishing of neoclassicism, which forms a natural and high taste designing style.

本案缔造了一个饱满丰富的居住空间。设计师采用了一种淳朴的美式风格，融合了很多欧式流行风格的特色，并将其精华与随性大气的美洲风格混搭在一起，摒弃了古典欧式繁复多变的奢华元素，兼具古典主义的优美造型与新古典主义的功能配备，形成了一种既崇尚自然，又不失精致品位的设计风格。在整个空间里，不拘一格的造型充满了律动感，家具的材质以实木为主，雕饰和色调细腻高贵，流露出亘古而久远的韵味。
