# Preface

Agents of Modernity is the first volume of the Shida Studies in Art History, a series published by the Graduate Institute of Art History (GIAH), National Taiwan Normal University. Taking examples from Eastern and Western architecture, painting and visual culture, investigating and analyzing the intermediaries and approaches of modernity, theses articles aim to examine the concepts and currents of "modernity", and to rethink how this modernity, through its different "agents", challenges the traditional canon, interrogates existing models and pursues progress, and innovation.

This volume ensued from the symposium "Agents of Modernity" held by the GIAH on March 27th 2010, which was dedicated to the very idea of the "agent". All of the papers published in this volume have been reviewed. Several of them, chapters 1, 4, 5 and 7, were presented at the symposium. More papers were selected and added in order to cover the topic more comprehensively.

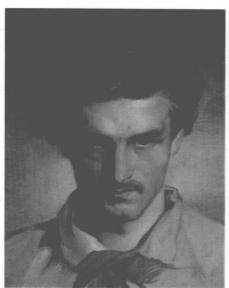

After intensive work during the long summer, we are now in the season of the harvest. I am grateful for the financial endowment of Mr. Chi-te Chen. Without his generosity, the editing work and publication of this volume would not have been possible. I am also grateful to the members of the editorial board for their professional and precious opinions. And last but not least, I would like to express my gratitude to my colleagues Candida Syndikus and Miho Fukuda for their proofreading while otherwise fully engaged, to the assistance of Mark Caltonhill and my excellent assistants. Publication would not have been realized without their help.

Shai-shu Tzeng Taipei, November 2011 《現代性的媒介》爲國立臺灣師範大學藝術史研究所出版的《師大藝術史研究論叢》第一輯,書中以東、西方建築、繪畫以及視覺文化爲例,探討現代性的傳輸媒介以及傳輸路徑,旨在檢視「現代性」的概念或潮流如何透過不同的「觸媒」,挑戰傳統典範與成規,追求進步與創新。

本書緣起於2010年3月27日本所主辦的「現代性的媒介」研討會。爲深化此主題之探討,我們廣徵各方文章,經嚴格的審查後集結成冊,其中第1,4,5,7章曾經發表於此研討會。

經過一個炎夏密集地揮汗工作,終於盼到了收割的季節。本書能順利出版,首需感謝陳啓德先生的慷慨捐助,使編輯與校對的費用有所著落;其次需感謝本叢書的編輯委員們,提供專業的諮詢意見;最後尙需感謝我的同事 Candida Syndikus 與福田美穗兩位教授百忙之中協助校對,Mark Caltonhill 以及我優秀的助理們之幫忙,使本專輯更臻完美。
