LOVE SONG OF WALTZ

华尔兹恋曲

设计师：刘卫军 设计公司：PINKI（品伊）创意集团&美国IARI刘卫军设计师事务所 陈设设计：PINKI知本家陈设设计机构
项目地点：中国重庆 项目面积：300平方米 主要材料：地毯、爵士白大理石、深啡网大理石、黑檀木纹石、蓝色乳胶漆、花砖、墙纸、仿古镜、钢化玻璃、榆木索白饰面、仿古木地板、户外防腐木、皮革、马赛克

The spatial design is like a romantic swinging waltz. The overall design is brief but not simple. The decay is removed while classicism is remained. Every detail including golden carving is elegant and noble. In the living room, the graceful light blue, purple and Volakas white look like women's romance while the ancient deep coffee and red are like men's gentleness. The diamond tiles are fitted in Chinese kitchen and dining room with good wine. The generous western kitchen can

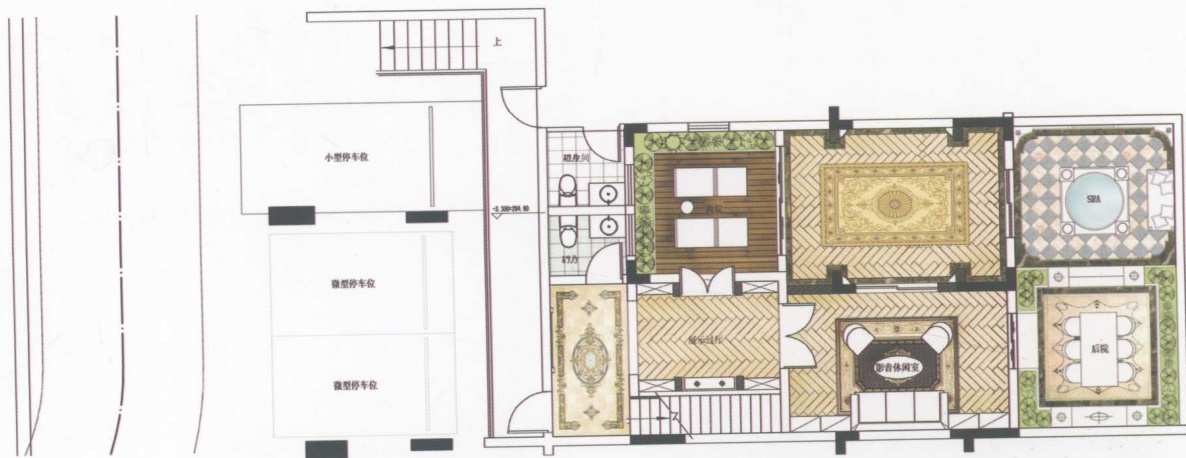

make nice Chinese and Western food. The lace works of bed curtain, black rose crystal lamps, dark red headboard, silver velvet bed end stool show the unique ambience. Romanticism is just like this.

All those fixtures swing in their dreams. In touches of body and swinging dance, this house is reading the preexistent chapters of history. Those feet of men and thin heels of women go across the generations. The waltz will last into eternity.

本案的空间设计如同一支浪漫回旋的华尔兹。整体设计简约而不简单，去掉腐朽、保留经典，从整体到局部，精雕细琢，镶花刻金，典雅而高贵。客厅里，优雅的淡蓝、浅紫、爵士白，如同女性的浪漫情愫；怀旧的深啡暗红，如同男性的绅士情怀。菱形花砖的中式厨房和餐厅里摆放着美酒，舒展大方的西式厨房让主人可以尽享中西餐饮。主卧中，床幔帘头花边、黑玫瑰色的水晶宫灯、暗红色床头柜、银绒红床尾凳的质感，展现出独特的气质，言说浪漫，亦不过如此。

他们在旋舞中梦回几转，在身体的轻触、旋转的脚步中重读了前世的絮语，男人的皮鞋、女人细跟的凉鞋，逾越了一场命运的轮回。如果可以，这支华尔兹便成为了永恒，当你回眸转瞬即逝，再回首便已是前世今生。

The bright color, the wall that seems to be washed by water, the fragrance of lavenders, roses and fleur-de-lis, dynamic colored flowers and the long-history building in khaki and bronze compose the Mediterranean beauty. Without too many techniques, the Mediterranean style could be recreated through the application of simple concepts, light, natural materials, colors and forms. The design represents the color expression of

season cycle to define the inseparable relationship between human and nature, the addict to amiable rurality, soft tone and generous combination. The river of time quietly flows away here for residents to enjoy the pure nature in every second. With a sunshine heart, staying in the sunlight, beach and blue sky, you can bath in the air of summer beach without anxiety and fickleness and gracefully live in the fleeting time.
