## 序 一

盛世修志，志载盛世。20世纪90年代的三门峡市与时俱进，励精图治，求真务实，锐意进取，用中国特色社会主义理论凝聚全市人民的智慧和力量，全面建设小康社会，物质文明、精神文明、政治文明无不达到一个前所未有的新高度，经济社会发展进入一个继往开来的重要历史时期。如实完整地记录彪炳千古的丰功伟业，洵黄河之水大书特书亦不为过。一部系统、全面、真实记载这段辉煌历程的信史，重在记载历史，汲取经验与教训，贵在真实而莫饰非，唯此方能存史资治、传承文明、垂鉴后昆。《三门峡市志（1991~2000）》的编纂者以马克思列宁主义、毛泽东思想、邓小平理论、“三个代表”重要思想为指导，深入学习落实科学发展观，运用辩证唯物主义和历史唯物主义的立场、观点和方法，严格恪守社会主义新方志体例，不畏艰辛，呕心沥血，删冗汰繁，披沙拣金，举机撮要，以事类分卷立篇，终竣稿逾三百万言。皇皇巨著，字字珠玑，言简意赅，要言不繁，全方位展示改革开放十年来，三门峡市发生的巨变，昭示了三门峡市人民在中共三门峡市委、市人民政府的正确领导下，开拓进取，无私奉献的时代风貌，体现了深入贯彻落实科学发展观的第一要义，具有重要的存史和资治价值。自古以降的天下大治，即为盛世，盛世美景为全民族所景仰。盛世的内涵随经济发展、社会进步而不断地变化且日渐丰富，我们最大限度地满足人们对盛世的渴求，就缩短它们之间的距离而言——至少远离历史是无益的，诗经所云的“其命维新”给予了正解。

当前，正值全市人民深入学习贯彻中共十七大精神之际，志书的出版发行，必将对激励全市人民为建设开放魅力富裕和谐三门峡、跻身中原崛起第一梯队而努力奋斗产生积极的影响。

“盖因以往之废兴，用作将来之法戒”。欣闻志书行将付梓，甚慰。谨向参与者、关注者致以衷心的谢意，一践守土之责，二酬邀序之约，是为序。

# Preface One

In the flourishing age people need to perfect local records, which record the heyday's peace and prosperity. In the 1990's, the Sanmenxia City advanced with the times, because there were good governance, pragmatism and great effort made to forge ahead, to cohere the whole city people's wisdom and strength under the direction of socialist theory with Chinese characteristic, and comprehensively to construct the well-being society, so that the material civilization, political civilization and spiritual civilization are to achieve an unprecedented new level, and the economy and society have entered the important historical period of inheriting from the past and forging ahead into the future. In terms of recording a great task truthfully and completely shining through the ages, it will not be unreasonable to praise in song by drying up the Yellow River Water for writing it. A true and reliable history of recording this glorious history really, systematically, and comprehensively focuses on the historical record, and draws the lessons from it. Its value lies in singing the praises instead of hiding and glossing over one's faults so as to keep the real history, offer reference to the governmental management, spread the civilization, and giving suggestions to the later generation for serving as rules or warnings. The compilers of "Sanmenxia City Chronicle Records ( 1991~2000 )" made great effort to work on it, to delete the redundant parts of it, Constantly to revise and refine it, and to summarize the refined book at last, regarding the important thoughts as guidance including Marxism-Leninism, Mao Zedong Thought and Deng Xiaoping Theory and the important thoughts of "Three Represents", going deep in studying and implementing the scientific outlook on development, using the positions, the viewpoints and methods of dialectical materialism and historical materialism, and strictly abiding by the new style of socialist local records. The final drafts of the Annals classified as volumes or Sub-chapters have ended in more than three million words with the glorious masterpiece weighing the sentence by sentence, to be made not complicated, but concise. Since 10 years of the all-round display of reform and opening up, great changes taking place in the Sanmenxia City have shown that the people in Sanmenxia City have the pioneering spirit of opening up and devoting themselves to the society selflessly, under the correct leadership of Sanmenxia Municipal Committee and Municipal People's Government, and have shown that what has been recorded reflects the first meaning that the scientific outlook on development is deepened to be implemented and it is of the important value of keeping an history and of reference to government in terms of drawing lessons from it. The world's great order having shown up since ancient times is named the prosperity in the heyday whose peace and beauty have been admired by the whole nation. The connotation of prosperity in the heyday constantly is changing and being enriched, with the economic development and social progress, and we satisfy people's desire for peace and prosperity in the heyday to great degree. As far the distance between them is shortened as concerned, being at least far away from history is not beneficial. That the Book of Songs Says that "the heyday is attributed to its reform" is to give an answer to it.

At present, when the people in the whole city go deep into studying and implementing the spirit of the 17th CPC National Congress, the publication and issue of the Annals are bound to have a positive impact on motivating the people of the whole city to build an open and hamonious Sanmenxia with charm and wealth and striving for the first echelon in the rising of Central China.

"The rising and falling of the dynasties in the history can be borrowed for the future as a warning". We are glad to hear that the Annals will be published soon, and we are very much comforted. We would like to express my heartfelt gratitude to the participants as well as those who have show great concerned for it for the sake of your responsibility for compiling the Annals and accepting the invitation of the Annals-writing and doing well in it.
