总 序

中国画百杰推荐评选是中国文学艺术界联合会 1997 年组织的重要美术活动。通过我们和各省、直辖市、自治区美术家协会积极推荐，经过认真评审，选出了这一批杰出的中青年国画家。入选百杰的画家大多在国内早已颇有声誉，多属于美术团体、美术院校的学术带头人和知名教授、各地美协、画院、出版社负责人，以及在全国性美术大展中多次获奖者、实力不凡的后起之秀。我们认为百杰画家的艺术成就代表了 20 世纪末中国画坛的总体水平。

跻身百杰画家的作品必将对下世纪中国画的繁荣发展产生深远影响。为更全面地展示和研究他们的艺术成就，我们决定编辑出版中国画《百杰画库》系列个人专集。这是全国美术界为迎接 21 世纪而献出的一份厚礼。

百杰画库得以编辑出版，首先要感谢辽宁美术出版社的鼎力相助和各地美术家协会热心支持。同时感谢诸位画家精选自己的代表作品编入画库，为积累跨世纪的美术财富做出重要贡献。让我们共同祝贺中国画百杰画库出版成功！

1997 saw an important activity organized by China Literature and Art Union of choosing 100 artists as "outstanding traditional Chinese painters". Thanks to the help from the artists associations at different levels, we finally commended large numbers of young and middle-aged artists for their achievements in traditional Chinese painting circle. Most of these artists are teachers and professors at art colleges; leading cadres at various artists associations, painting academies and publishing houses; award-winners at national art exhibitions and promising young painters, who are well-known at home and abroad. We think that their artistic achievements can represent the total level of traditional Chinese painting at the end of 20th century.

All works selected will be bound to have a far-reaching influence to the promotion of 21st-century artistic creation of traditional Chinese painting. To introduce and research their artistic achievements more comprehensively, we decide to compile and publish a series of books entitled "Painting Collections of 100 Outstanding Traditional Chinese Painters" as a generous gift presented to greet the coming century!

We should express our thanks to Liaoning Fine Arts Publishing House and artists associations at different levels who make these books possible. Besides, we are also grateful to the artists who spare no efforts to select their best works for the books in order to accumulate more artistic treasures beyond the century.
