中国金银币年鉴

【一九九四】

【一九九五】

1994—1995 年是世界上发行金银纪念币较多的两年,由于 1995 年前后有世界纪念反法西斯侵略战争胜利 50 周年、联合国成立 50 周年、奥运会百周年和 1996 年夏季奥运会等为世界人民关注的重大纪念活动,联合国和许多国家均发行了这些活动的纪念币。据 1995 年世界黄金和白银研究所报告,1995 年世界上有 64 个国家发行了金币 416 种,共耗用黄金约 322 万盎司,有 81 个国家发行了银币 519 种,共耗用白银约 2390 万盎司。中国在 1995 年发行金币 55 种、银币 63 种,金银币发行的品种数名列世界首位,金币发行量名列第八,银币发行量名列第六,在世界金银币发行的排位上具有显著的位置。

1994—1995 年中国发行的纪念币项目除继续保持原有中国熊猫、中国十二生肖、中国古代科技发明发现、中国珍稀动物、世界文化名人、中国名画和观音菩萨等系列纪念币外,1994 年还发行了“中美吉祥物——麒麟系列币”(第一组)、“世界奥林匹克运动会百周年”、“中国近代名画系列币”(第一组)、“第十二届亚运会”和“第十五届世界杯足球赛”等纪念币。1995 年发行的金银纪念币在题材和品种上更丰富多彩,在总发行数量上也居历年之首位。反映重大事件的题材有“中国抗日战争胜利 50 周年”、“联合国成立 50 周年”金银纪念币等。特别值得指出的是为迎接 1997 年中国对香港恢复行使主权,成立中华人民共和国香港特

别行政区,经党中央、国务院批准,中国人民银行从1995年开始发行“'97香港回归祖国”金银纪念币,这一系列金银纪念币共分三组,1995年12月1日发行第一组,1996年7月1日发行第二组,1997年7月1日发行第三组。该系列金银币从第一组的发行就受到了国内外钱币收藏家、爱好者和各界人士的热烈欢迎,成为具有历史意义的钱币珍品。另外,历史文化题材的“中国古典名著《三国演义》”(第一组)、“中国丝绸之路”(第一组)、“中国传统文化”(第一组)、“中国黄河文化”(第一组)等金银纪念币系列和“纪念著名画家徐悲鸿诞辰100周年”、“民族英雄郑成功”的纪念币,都极大地丰富了中国纪念币的选题内容,弘扬了中华文化,体现了建设社会主义精神文明的宗旨。

总之,1994年、1995年是中国金银币事业向前发展的两年,无论在选题的深度、设计雕刻的艺术水平、生产铸造质量,都更上一层楼。中国金银币的国际、国内两大市场均进一步拓宽,中国金银币在社会效益和经济效益上都取得了显著的成绩。

为弘扬中华钱币文化,使大家掌握中国金银币1994年、1995年的发行汇总情况,我们特向海内外广大钱币收藏家、爱好者和各界人士提供中国金银币年鉴资料,推出'94-'95两年的中国金银币合编本,以飨读者。

FOREWORD

1994 – 1995 is one of the most prolific periods in gold and silver coinage in the world. To celebrate such important occasions around 1995 as the 50th Anniversary of the Victory against the Fascist Aggressive War, the 50th Anniversary of the Founding of the United Nations, the Centenary of Olympic Games and the Summer Olympic Games 1996, many countries and international organizations, including the United Nations, issued their own commemorative coins. According to the annual report of the Gold and Silver Institute, in the year 1995, 64 countries issued 416 varieties of gold coin, using around 3.22 million ounces of gold; and 81 countries issued 519 varieties of silver coin, using silver of about 23.9 million ounces. In the same year, China issued 55 varieties of gold coin, and 63 varieties of silver coin, ranking the first position in the world in gold and silver varieties, 8th in the output of gold coin and 6th in the output of silver coin, taking up a prominent position in the world's precious metal coinage ranking list.

In 1994 – 1995, China continued with its traditional coin programs such as the Panda, Twelve Animals of Lunar Calendar, Scientific and Technical Inventions and Discoveries of Ancient China, Chinese Endangered Wildlife, Celebrated Cultural Figures of the World, Famous Chinese Paintings, and Kwan-yin Buddha. Meanwhile, the following new programs were also issued in 1994: the Unicorn (1st set), the Centenary of the Olympic Games, the 12th Asian Games, the 15th World Cup of Football, and Famous Modern Chinese Paintings, etc.. 1995 saw the highest output of Chinese gold and silver commemorative coins and more themes expressed on the coins. Such historic events as the 50th Anniversary of the Victory of China's Anti-Japanese War and the 50th Anniversary of the Founding of UN all found their expressions on the coins. Particularly, to mark China's Restore of Sovereignty over

Hong Kong and the founding of Hong Kong Special Administrative Region of P. R. China, with the approval of Central Committee of Chinese Communist Party and the State Council, Hong Kong's Return to China Coin Program was incepted in 1995. It was issued in three sets initiated from Dec. 1st, 1995. The second set was issued on July 1st, 1996 and the third on July 1st, 1997. This program was warmly welcomed by coin collectors at home and abroad since its very beginning. It became the most wanted item in the coin market for its historical significance. Other programs with themes on historical cultures like Romance of the Three Kingdoms (1st set), the China Silk Road (1st set), Traditional Chinese Culture (1st set), the Yellow River Culture (1st set), 100th Anniversary of the Birthday of Famous Painter Xu Beihong and National Hero Zheng Chenggong, also came to the market during this time, which greatly enriched themes of China's commemorative coins, publicized Chinese national culture and reflected the purport of socialist spiritual civilization.

To conclude, 1994 and 1995 experienced fast grow in Chinese precious metal coinage. Long foot progress was made in aspects regarding its selection of themes, artistic standard of designing and engraving, and striking quality as well. Both domestic and international markets for Chinese gold and silver coins were further expanded, thus remarkable social influence and economic benefit were achieved.

To popularize Chinese coin culture, we are now compiling this bound-edition almanac. It is our sincere wish that this book can help coin collectors in and out of China well understand the situation of Chinese gold and silver coinage in 1994 and 1995.
