OOS GARFIELD

喂,肥猫!

这是我的律师希德。我军到了 限制令1

嗯,你笑什么?

作者精选

This is as close as I get to social commentary. I got no adverse mail from lawyers over this strip. Maybe they don't read the comics....

> 这是我最直接进行 社会评论的一段。幸亏 到目前为止,我还未 收到任何律师的投诉 邮件。也许是因为他 们根本没有看到这则 笑话……

This is one of the few times that Garfield is at a loss for words. Of course, he's never claimed to be perfect.

这是加菲难得语塞 词穷的一次。当然,它 从末声称自己

来点儿吃的吧!

应你的要求:

Fortunately, what may be violence on television is called a sight gag in a comic strip. No dogs were harmed in the performance of this strip.

> 在漫画书中 充其量被叫做"哑剧" 我在这里无意 冒犯狗类。

You're too fat, Garfield. I'm putting you on another diet.

Here's a carrot for your diet, Garfield, you know what to do with it.

He makes me so mad!

I certainly do.

If I could have gotten up on that chair, I would have given him the beating of his life!

Here rabbit, rabbit, rabbit!

GarField

我知道你不高兴,加菲,要不是你吃得太多,我也不会这么做。

I know you're unhappy, Garfield, but I wouldn't have to put you on diets if you wouldn't eat so much.

I wish Jon wouldn't kid me about my weight.

I can't help it. I have a glandular condition.

I'm a very sensitive person.

An overactive mouth gland.

Et tu, chair?

Just what is a diet?

A diet is too little of a good thing. A diet is making a molehill out of a mountain.

It's time you go on another diet, Garfield!

A diet is the subject of a lot of stupid platitudes.

Hummm...

I gotta get off this diet.

Oh, no!

It's starting to mess with my mind.

You know you're overweight when you're sitting around rocking, and you realize you don't have a rocking chair.

- Aren't you going to join me for dinner, Garfield?

A diet?! How long have you been on a diet?

Oh, for about 18 seconds now.

Do you know what I hate about diets?

Eating is social.

But when you diet, you diet alone.

GarField

I think I have a way out of this diet.

Rats, Garfield fell asleep in the middle of the floor.

I know I'm too fat for a cat...

Have you ever tried to pick up a sleeping cat?

But, I'm just right for a bumblebee!

It's impossible.

All right! A new world's record!

Six chins.

Liar!

GarFieLd

Hey, Garfield! Come on in!

Some people lose weight.

- Simple ... Fat floats.

I just give it a temporary leave of absence.
