Attention, My Little Pony fans!
Look for these items when you read this book.
Can you spot them all?

lightning

Everypony is hard at work.
The friends are cleaning
Luna and Celestia's castle.

“Is there anything I can help you with?” Spike asks.
“No, thank you!” Twilight says.

Spike finds a quiet place
to read his comic book.

Soon, the ponies look for Spike.
They want to share some snacks.

They find him reading a secret message out loud.
“Take a closer look to join the adventure in this book,” Spike says.

The words are magic
and pull the ponies and
Spike into the book!

They are not in Ponyville anymore.
They are in a city called Maretropolis
and are all wearing costumes.
It is like they are inside Spike's
comic book.

“You are the superheroes
from my comic book!
It zapped us here somehow!”
says Spike.

“Power Ponies!
You think you can
stop me?” asks the
crazy villain known
as the Mane-iac.

“Did she just call us Power Ponies?”
asks Applejack.

Spike knows the evil purple pony.
She is from his comic book.

“Somepony zap us back!”
shouts Rainbow Dash.
“The comic says the only way out is
to defeat the Mane-iac!” says Spike.

TIME FOR
THE MAIN
EVENT!

The Mane-iac wants to fight.
She uses her hair to throw things
at the Power Ponies.
Pinkie Pie runs from a mailbox.

She moves so fast,
the other ponies cannot see her.

WHERE DID
PINKIE GO?

SHE IS
THE FASTEST
PONY IN ALL OF
MARETROPOLIS.

The Power Ponies use their skills
against the Mane-iac.

Applejack tries to catch her
with a golden lasso.

Twilight tries to shoot a freeze ray
from her horn.
