序 / 马玉玲。

景德镇，作为鄱阳湖生态经济区的组成部分，拥有着一片神奇的土地，千年窑火不断，历代名瓷溢彩。在近1800年的制瓷历史中，创造了“工匠八方来，器成天下走”的繁荣和“行于九域，施及外洋”的辉煌，书写了中华民族陶瓷文明的华美乐章。

China中国；china瓷器。陶瓷是中国文化最具象征意义的符号之一。珍贵的陶瓷古法精湛的制瓷技艺，独特的瓷业习俗，浓郁的地方风情，使景德镇成为中国独有的以陶瓷文化为特色的旅游城市。1992年，景德镇被国务院列为全国首批二十四个历史文化名城，1997年被国家旅游局定为全国三十五个王牌景点之一。

“生态中国，绿色江西”。走过千年，经过一代又一代艺术家、名工巧匠和全体市民的薪火相传、呕心沥血、探索创新，景德镇的辉煌不减，活力有增。

在省委省政府建设鄱阳湖生态经济区的战略引领下，景德镇不仅城市水碧天蓝，生态宜居，形成山水、生态、文化特色，而且战略性新兴产业正在全面兴起，新型城镇化建设如火如荼，科教文卫等社会事业全面进步，开启了科学发展、绿色崛起新局面。尤其是陶瓷事业自建国以来，特别是改革开放之后，迅速复苏

并蓬勃发展，与此相呼应，景德镇艺术陶瓷也迎来了盛况空前的繁荣时期。

生态中国·绿色江西 首届鄱阳湖生态文化节

在本次中国鄱阳湖国际生态文化节上，中共景德镇市委、景德镇市人民政府带着158万景德镇人民的深情祝福，铺展开一幅泥作火烧的新画卷，这是当代陶瓷艺术工作者智慧和才华的集中体现，也是继台北、北京、上海、烟台陶瓷博览会之后又一次高规格全方位的陶瓷艺术新成就展示。

“岁月如流，天健不息。”

成果需要展示，形象需要重塑，影响需要需要助推。我们希望借助中国鄱阳湖生态文化节的平台，真正展示出陶瓷文化的新成就，加强与海内外的广泛合作，推动景德镇生态文化产业的进一步发展，以全面重振瓷都雄风。

Preface

Jingdezhen, as a component element of Poyang Lake ecological economic zone, possesses a piece of magic land with kiln-fire burning for more than a thousand years and whose famous porcelain wares of successive dynasties present radiance. During the history of porcelain manufacture for more than 1700 years, Jingdezhen has created the prosperity of "Craftsmen came from all directions and porcelain wares were sold all over the world" and the brilliance of "Pushing forward positively the dissemination of Chinese culture and art and economic transaction and contributed considerably to the enrichment and development to the world culture", and has composed a colorful movement for ceramic civilization of the Chinese nation.

"China" has double meanings: the name of the country and porcelain as well. Ceramics is one of the signs with most symbolic meaning in Chinese culture. Precious ceramic historical sites, exquisite skills of making porcelain, unique customs of porcelain industry and local flavor with special and enough porcelain flavors make Jingdezhen become a only tourism city that takes ceramic culture as its characteristics. In 1992, Jingdezhen was listed as one of the first set of 24 famous historical cultural cities approved by the state council and in 1997 it was designated by the State Tourism Administration as one of the 35 key scenic spots in China.

"Ecological China, green Jiangxi". With the history of more than a thousand years and the artists, experienced artificers and the whole citizen's carrying the torch, making painstaking efforts and exploring and innovation from one generation to another, Jingdezhen's brilliance has never been reduced and its vigor has ever increased.

Under the guidance of the strategy of building Poyang Lake Ecological Economic Zone put forward by Provincial Committee and Government, Jingdezhen is not only a city with green water and blue sky, ecological and inhabitable and has formed its own characteristics of mountains and rivers, ecology and culture, but also new industries are thriving in an all round way, the construction of new urbanization is like a raging fire, social undertakings such as education, science, culture and hygiene make an all-round progress, which opens a new situation for the development of science and the abrupt

rise of the green. Especially since the founding of new China and the reform and opening to the outside world, Ceramic industry has been recovered and developed rapidly, Echoing to this, the noontide of an unprecedentedly grand occasion of ceramic art in Jingdezhen also approach.

In this China Poyang Lake International Ecological Cultural Festival, With affectionately blessings of the people in the capital of porcelain, Jingdezhen Municipal Committee of CPC and People's Government spread out a new picture scroll of clay-making and fire-burning, which is the main embodiment of the wisdom and passion of ceramic artists of modern times and also a high-profile and omnibearing display of the new achievement of ceramic art after the exhibitions of ceramics in Taipei, Beijing, Shanghai and Yantai.

"The months and years pass by like a stream; the God only helps those who work hard."

The achievements need to be shown, images need to be modeled, impact need to be enlarged and development need to be pushed forward. By means of the platform of China Poyang Lake International Ecological Cultural Festival, we hope we can really display the achievements of ceramic cultural industry, strengthen the extensive cooperation both at home and abroad, promote the further development of ecological cultural industry in Jingdezhen and wholly restore the prestige of the capital of porcelain.

Jingdezhen Municipal Committee of CPC
