序 言

郑州是河南省的省会,地处中国腹地,“九州之中,十省通衢”,有着悠久灿烂的历史,是全国重要的交通、通讯枢纽。在改革、开放的今天,郑州的社会、经济、文化和教育都有了长足的发展,一派欣欣向荣,正在建设成为国家的区域性中心城市。

目前,郑州市共有各级各类学校 2400 多所,在校学生 180 余万人。到 2003 年,全市的学前三年幼儿入园率为 90%,小学和初中普及率分别为 100%和 99%,全市城乡高中段教育普及率为 79.54%;教师队伍整体素质较好。高中教师本科达标率为 83.46%,初中教师本科达标率为 22.6%,小学教师专科达标率为 38.76%;教学质量逐步提高,2003 年全市报考高等院校考生 47150 人,比上年增加了 28.74%,录取了 30025 人,创历史新记录,平均录取率 63.68%,高于全国和全省平均录取率;办学条件日益改善,市区 75%的中小学建成了校园网,全市所有初中以上学校全部建成了计算机教室,市区中小学全部配备了冷暖空调。近年来,郑州的国际、国内教育交流活动日益频繁,不仅大专院校,就是一些中小学校也有了外籍教师,有不少郑州的教师还被派到国外去学习、进修,有愈来愈多的学校与国内外的学校结为友好学校……。为了进一步加强这种合作与交流,促进了解、增加友谊,我们编撰了这

Preface to the Modern Education of Zhengzhou

Being the capital of Henan province, Zhengzhou is located in the hinterland of China. With a long history, it is the central part in China and the vital hub of transportation and communication. With today's reform and open policy, Zhengzhou is gradually one of the regional key cities of the country.

At the present time, there are altogether 2,400 schools of various kinds, and 1,800,000 students. Up till the year of 2003, the rate of the infants' starting their pre-school education at the age of four is 90%, and the rates of the students' receiving their education in primary schools and middle schools are respectively 100% and 99%. The rate of the students' general education in senior middle school is 79.54%. The overall quality of teachers are good, and 83.46% teachers of senior middle schools and teachers of junior middle schools have met the requirements of obtaining the Bachelor's degree, and 38.76% teachers of the primary schools have obtained the academic credentials from colleges for professional training. The teaching quality has been gradually improved. In 2003, 47,150 students took the college-entrancing examinations, the number has increased 28.74%, and 30,025 students of which were admitted to colleges, which has broken the record. The average rate of enrollment was 63.68%, which was higher than that of the schools throughout the whole province. The condition of running schools has been increasingly ameliorated. 75% of city's middle schools and primary schools have set up the campus Internet. All the schools above middle schools'

本中、英文对照的《现代郑州教育》。

本书概括地叙述了现代郑州教育的基本情况,并分别对郑州市的部分中学、小学和幼儿园的办学特色进行了介绍,希望能对国内外的同行、朋友了解郑州教育有所帮助。

education of the city have installed the computer classrooms and all the middle schools and primary schools have installed the air-conditioners. In recent years, the domestic and international communicating activities of Zhengzhou are being frequent day after day. Not only colleges but also middle schools and primary schools in Zhengzhou have foreign teachers. A few teachers of Zhengzhou have been sent to pursue education in foreign education. More and more schools are entering friendly relationship with other schools of the whole country and those of foreign countries. In order to further enhance the cooperation and communication and promote the mutual understanding, we have compiled the book ***the modern education of Zhengzhou*** with its English version.

The book relates to the brief introduction of the education in Zhengzhou, and gives brief introductions to the school-running features of a few middle schools, primary schools and kindergartens desiring to offer friends of the same occupation some help to comprehend the education in Zhengzhou.
