When July comes, children know they'll have 11 exams and the school year will end soon. Boys and girls will have a nearly two months' holiday, and they'll leave school 12 train or by car to 13 to see their parents.

The summer holidays are the 14 time of the year for most children. The weather is usually good, so one can 15 most of their time playing outside. If one lives in the country, he can 16 into the woods(森林)and in the fields. If one lives in a big town, he can usually go to a park to play.

The best place for a summer holiday is the 17. Some children are 18 enough to live near the sea. But for the others who do not, if they have a chance to stay at a town near the sea for a week or two, they will talk about it all the following school year.

19 makes children like the seaside so much? I think it's the sands, the sea and the sun, not anything else. Of course, there are 20 new things to see, nice things to eat, and interesting things to do. But the feeling of sand under their feet, of salt water on their skin, and the feeling of the warm sun on their backs make them happier.

三、阅读理解(共10小题,计25分)

A

It was a beautiful spring morning. There were no clouds in the sky, and it was warm but not hot. Mr Black saw an old man at the bus stop with a big, strong, black umbrella in his hand. Mr Black said to him, "Do you think we are going to have rain today?"

"No," said the old man, "I don't think so."

"Then are you carrying the umbrella because the sun is too hot?"

"No, the sun is not very hot in spring."

Mr Black looked at the big umbrella again, and the man said, "I am an old man, and my legs are not very strong. I must have a walking-stick(手杖). But people will say, 'Look! That man is so old!' And I don't like that. When I carry an umbrella in fine weather, people only say, 'Look at that stupid man!'"

根据短文内容判断下列句子的正(T)误(F)。

三、阅读理解(共15小题,计25分)

A

American school begins in September after a long summer holiday. There're two terms in a school year. The first term is from September to January, and the second term is from February to June. Most American children begin to go to school when they're five years old. Most students are seventeen or eighteen years old when they finish high school.

High school students take only five or six subjects each term. They usually go to the same class every day, and they have homework for every class. After class, they do a lot of interesting things. After high school, many students go to college. They usually have to pay a lot of money. So, many college students work after class to get money for their studies.

根据短文内容选择正确答案。

- ()21. In America, summer holidays begin in _____.

Eileen Rogets is my best friend. We're both from Chicago, but now I live in San Francisco and Eileen lives Atlanta. We don't see each other very often, but we're in touch all the time. I often write to Eileen and tell her about all the things that are happening at the Ajax Company. I'm the office manager there. She often writes to me about her work at the Valley Hospital. She's a doctor there. We talk on the telephone once a week, either on Saturday or Sunday morning. There are also other ways we communicate with each other. Sometimes I call her on her carphone, or she faxes me on my fax machine. And when I have something very important to tell her, I sometimes call her on her cell phone. We're really lucky. In this new age of communication, there are so many ways we can keep in touch with each other. We live in different cities on different coasts, but we're in touch all the time.
