Many people think they can tell 4 the weather is going to be like. But they 5 ever agree with each other. One man may say , “ Do you see how cloudy it is in the east ? It’s going to rain tomorrow. ” Another man 6 say , “ Yes , it’s cloudy in the east. But we are going to have fine weather tomorrow. ”

People often look for the weather they want. When a farmer needs water , he looks for something to tell him it’s going to rain and he won’t believe 7 else. When friends have a picnic , they are so 8 the weather is going to be fine very 9 when they sit eating their lunch while it is raining.

A Visit for Free

A traveler came out of the airport. There were a lot of taxis. He asked every taxi-driver his name. Then he took the third one. It cost 5 dollars from the airport to the hotel. “ How much does it cost for the whole day ?” the man asked. “ 100 dollars ,” said the taxi-driver. This was very expensive , but the man said it was OK.

The taxi-driver took the man everywhere. He showed him all the parks and museums in the city. In the evening they went back to the hotel. The traveler gave the taxi driver 100 dollars and said , “ What about tomorrow ?” the taxi-driver looked at the man and said , “ Tomorrow ? It’s another 100 dollars. ” But the man said , “ That’s OK ! See you tomorrow. ” The taxi-driver was very pleased.

The next day the taxi-driver took the traveler everywhere again. They visited all the parks and museums again , and in the evening they went back to the hotel. The man gave the taxi-driver 100 dollars again and said , “ I’m going home tomorrow. ” The taxi-driver was sorry because he liked the traveler and , above all , 100 dollars a day was a lot of money. “ So you’re going home. Where do you come from ?” he asked , “ I come from New York !” “ New York !” said the taxi-diver , “ I have a sister in New York. Her name is Susannah. Do you know her ?” “ Of course I know her. She
