Traffic in England

When you are in England, you must be very careful in the streets, because the traffic drives on the left. Before you cross a street, you must

look to the right first and then the left. In the morning and in the evening when people go to or come home from work, the streets are very busy. Traffic is the most dangerous then.

When you go by bus in England, you have to be careful, too. Always remember the traffic moves on the left. Have a look first, or you will go to the wrong way.

In many English cities, there are big buses with two floors. You can sit on the second floor. From there you can see the city very well. It's very interesting.

- ( ) 1. In English cities, the traffic drives \_\_\_\_\_.  
 A. on the left  
 B. on the right  
 C. in the middle (中间)  
 D. in the front
- ( ) 2. When you cross the street, you must look to \_\_\_\_\_ first.
