总 序

长诗《阿诗玛》的整理出版和电影《阿诗玛》的发行放映，让一个具有独特文化的民族走向世界，也让世界关注这个民族、这个民族的文化、这个民族居住的环境——石林。长诗《阿诗玛》之所以那样引人注目，电影《阿诗玛》之所以那样熠熠生辉，大三弦之所以那样撼人心魄，《远方的客人请您留下来》之所以能久唱不衰，是因为彝族撒尼人灿烂的文化与石林独特的自然景观双重变奏的结果。没有石林就没有阿诗玛，没有阿诗玛就没有石林的韵味。

文化与景观如此天衣无缝地结合在一起，文化与景观结合能放射出如此绚丽的光芒，文化与景观双重变奏能产生如此美妙的乐章，显然不是一部长诗、一部电影、一首歌曲、一组舞

蹈能发掘、能展示、能穷尽的，这仅仅是开始。从社会发展的工具的变更、文明的更替、文化的演进来看，我们要发掘的东西更广、保护的内容更多、展示的空间更宽、发展的余地更大、创造的潜力更强。鉴于此，一些研究彝族撒尼文化的专家学者编撰了一套《阿诗玛文化丛书》，既有对发展历史的生动描述，也有对研究成果的高度概括，更有从发展的眼光、创造的视角来继承、转换、重构石林阿诗玛文化，以此来弘扬和光大优秀民族传统文化，促进石林地区的发展、文明、进步、开放，在少数民族传统文化向现代文化的变迁中，走出一条自己的路来。

开拓和创新是人类不断进步的不竭动力。开拓要披荆斩棘，创新要推陈出新。愿有志者在披荆斩棘中开拓出一条道路来，在推陈出新中创新出一股动力来，使石林永远那么光彩照人，使阿诗玛永远那么魅力无穷。

是为序。

Preface

The collecting and collating of the long poem *Ashima* and the showing of the film *Ashima* has opened up the unique culture of the nationality before the eyes of the world. The world has found the nationality – Sani people of the Yi Nationality, and many scholars and people have focused their interests to the culture of the nationality and the surrounding of the nationality – the Stone Forest. Owing to the double variation of the splendid Sani Culture and the unique natural scenery of the Stone Forest, the long poem *Ashima* has attracted the attention, the film *Ashima* has become popular, the big Sanxian (a three stringed plucked instrument) has cheered the heart of the people, and the song *Stay Here Friends Afar* has spread for so far and so long period of time. There will be no *Ashima* without the

Stone Forest, the Stone Forest will have no meaning and romance without *Ashima*.

The culture and the landscape have combined so flawless, the combination of the culture and the landscape has radiated such gorgeous light, the double variation of the culture and landscape has played such wonderful movement. A long poem, a film, a song or a dance can not explain or show or sing out such more, this is only a beginning. From the angle of the social development, the changing of the tools, the developing of the civilization, the evolving of the culture, we have more to explore, to protect, to show, to develop and to create. For these reasons, a number of scholars and experts who are studying the Sani culture of the Yi Nationality have edited a set of *Ashima Culture Series*. The Series have described its history vividly, collected the studying theses completely. And from the angle of the development and creation, carry on, transform, and reconstruct Ashima Culture of the Stone Forest, carry forward and develop the worthy national tradition culture, accelerate the development of the civilization and opening of the Stone Forest Areas. In the changing of the national culture of the minority nationality to the modern culture, walk out a way of us own.

Opening up and creation are the endless motive of human being. Break through brambles and thorns to open up, weed through the old to bring forth the new. Hope those with lofty ideals open up a new way in break through brambles and thorns, create a force to make the Stone Forest so much brilliant forever, and to make *Ashima* so much fascinating forever.

These are to say forward.
