序

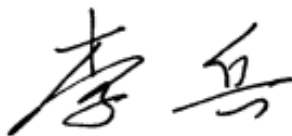

引进国外智力是中国对外开放政策的重要组成部分,是中国共产党要长期坚持的一项战略方针。国家外国专家局是全国引进国外智力工作的归口管理部门,外国文教专家管理工作是引智工作的一个重要方面,涉及到教育、科研、新闻、出版、文化、艺术、卫生、体育等领域。

我局在外国文教专家管理方面的职能有:负责制定有关外国文教专家工作的方针、政策、办法和待遇标准;负责审批聘请外国文教专家单位的资格和批复年检报告;负责编制和审批省、市和部委聘请外国文教专家的计划指标、项目和经费预算;负责对派遣外国文教专家来华的境外组织的登记注册工作,并划定专家分布地区;负责审批国内推荐外国文教专家的中介机构;负责开辟外国文教专家渠道,与国外官方、半官方、民间团体和组织签订协议;对外国文教专家工作的指导、监督和个案的处理等。

自1992年国家外国专家局、外交部、公安部三家联合制定了《聘请外国文教专家单位资格认可办法》以来,外国文教专家的聘请范围不断扩大,领域不断拓宽,目前具有资格的聘请单位已有近3000家。国家外国专家局通过对管理工作的不断总结和完善,已逐渐形成了一套行之有效的外国文教专家管理工作体系,从而保证了资格单位和外国专家的合法权益。实践证明,这套管理体系既符合国际惯例,又适合中国国情。

为便于社会各界、境外组织及外籍专家了解我国有关聘请外国文教专家的工作,我局教科文卫专家司以中、英文双语的形式汇编了《聘请外国文教专家工作指南》,在国内外公开发行。《指南》汇集了我国聘请外国文教专家的有关政策、规定,经国家外国专家局认定的有聘请资格的单位名录,以及已登记注册的境外专家组织名录,供各有关机构、部门和个人参阅。

进入21世纪,特别是中国加入WTO以后,教科文卫领域对外国文教专家的需求会迅速增长,越来越多的外国文教专家会被吸引到中国来工作。我希望这本《聘请外国文教专家工作指南》会在聘请工作中为大家提供一些帮助。我相信,通过我们共同努力,我们国家的引进国外智力工作和教科文卫事业会更加兴旺发达。

(国家外国专家局副局长)

PREFACE

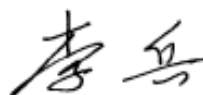

The introduction of foreign intellectual resources is an important component of China's open policy and a long-term strategy of the Chinese government. The State Administration of Foreign Experts Affairs (SAFEA) is the sole national administrative department for this task, one important part of which is the administration of foreign cultural and educational experts in such areas as education, scientific research, press, publishing, culture, arts, health care, and sports.

SAFEA's functions in the administration of foreign cultural and educational experts include formulation of relevant policies, regulations and treatment standards; examination and approval of qualification of host institutions and their annual report in recruiting foreign experts; designing and approval of quota, projects and budgets of provinces, municipalities, and ministries to recruit foreign cultural and educational experts; registration and area allocation for overseas organizations introducing experts in the field of culture and education; examination and approval of domestic intermediaries introducing foreign experts in the field of culture and education; opening channels for recruiting foreign experts and signing agreements with foreign governmental, semi-governmental and non-governmental groups and organizations; and supervision, monitoring, and handling individual cases concerning the administration of foreign cultural and educational experts.

Since 1992, when SAFEA, Ministry of Foreign Affairs, and Ministry of Public Security jointly formulated the *Guide to Employment of Foreign Experts in the Fields of Culture & Education (Year 2002)*, the areas of such experts recruited have continuously expanded, and number of qualified host institutions has reached around 3,000. Through continued improvement and perfection, SAFEA has gradually formed an effective work system for the administration of foreign cultural and educational experts, which has ensured the legal interest and rights of both the qualified host institutions and the foreign experts. Practice has proved that this administrative system fits China's situation as well as the international practice.

In order for various social sectors, overseas organizations and foreign experts to understand China's recruiting and placement of foreign cultural and educational experts, SAFEA's Department of Cultural and Educational Experts has compiled this bilingual *Guide to Employment of Foreign Experts in the Fields of Culture & Education (Year 2002)* for public distribution at home and abroad. *Guide to Employment of Foreign Experts in the Fields of Culture & Education (Year 2002)* is a collection of China's policies and regulations concerning the recruiting and placement of foreign cultural and educational experts, list of qualified host institutions certified by SAFEA, and list of registered overseas experts organizations, for the reference of relevant institutions, departments and individuals.

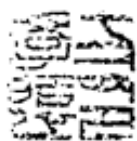

As the world has entered the 21st century, especially with China's WTO accession, the need for foreign experts in the area of culture and education will grow rapidly, and more and more foreign cultural and educational experts will be attracted to work in China. It is my hope that this *Guide to Employment of Foreign Experts in the Fields of Culture & Education (Year 2002)* will be of help to the recruiting and placement of such experts. I am convinced that through our concerted efforts China's introduction of foreign intellectual resources and its cultural and educational cause will further grow and flourish.
