谢培智博士是加拿大萨斯喀彻温省里贾纳大学历史 系教授, 北美著名华裔学者和社会活动家。作为一位教 育工作者、谢教授生前深切关心年轻一代的成长、兢兢 业业, 教书育人, 桃李满天下。作为一位华裔学者, 谢 教授在旅居海外的岁月里,一贯心系神州,积极维护中 国的国际声誉, 为了祖国的繁荣富强, 呕心沥血, 劳累 奔波、爱国精神感人肺腑。作为一位加籍华人、多年来 他致力于促进中加和睦友好, 推动中加合作交流; 为 此,他不辞辛劳,风尘仆仆,几十次飞越大洋,为增进 中加两国人民的了解与友谊、做出了重大贡献、被誉为 "中加交流的友好使者"。谢教授为人慷慨无私。助人为 乐、甘为人梯、有求必应、不求回报、使每一个跟他接 触过的人都得到了他的好处; 曾经得到过他帮助和受益 于他的人无以数计。众所公认、谢培智教授是全体海外 华人的光辉榜样,他是华人的一座丰碑。在当今改革开 放的大潮中, 越来越多的中国人走出国门, 在异国他乡 生活, 在他们处理和侨居国关系的问题上, 谢培智的榜 样具有日益广泛和深远的意义。他身上发出的光芒、将 永远照耀着后来者!

令人最为痛惜的是,就在谢教授为了中加友好交流事业而风尘仆仆地奔波时,一场车祸夺去了他宝贵的生命。1997年5月下旬,为了北大与加拿大维多利亚市培道大学两校合作办学之事,他陪加方校长来北京谈判。事后,他赴台探父并帮助那边的学生赴加留学。6月8日凌晨,在由台中返回台北途中,在新竹地方的山间公路上,因车快路滑,汽车掉下山坡,不幸罹难。噩耗传出后,立即震惊了大洋和海峡两岸,在神州内外激起了巨大而深刻的悲痛。

北京大学是谢教授生前十分钟情、深深眷恋并曾为之酒过很多汗水的地方。早在1972年他第一次回国时就曾到北大访问,1981年又在这里度学术假,之后数次来此访问讲学,与北大人结下了深厚的情谊。他最后一次回国也是为了推动北大与加方大学的学术合作而来的。所以他的不幸罹难,尤使北大人深感痛惜。在悲痛之余,为了表达对谢教授的永久纪念,北大同仁决定为他做三件事:一、恭请谢教授回国,落叶归根,协助家属在京西万安公墓为他建墓立碑;二、动员亲友捐款,在北大历史系设立"谢培智教授永久性奖学金";三、号召亲友写文章,出版《谢培智教授纪念文集》。

经过三年的努力,这三件事终于都做成了,这样我们也好告慰谢教授在天之灵。现在趁《谢培智教授纪念文集》出版之机,首先,我们要深深感谢亲属和各位亲友的大力配合,慷慨解囊,并在百忙之中挤出时间写回忆文章,提供各种力所能及的帮助。没有众亲友的支

Preface

Dr. Pei – Chih Hsieh, a renowned Chinese Canadian scholar and social activist, was professor of history at the University of Regina in Saskatchewan, Canada. As an educator, Professor Hsieh cared deeply about the nurturing of young people. He worked conscientiously at his teaching and saw it bear fruit everywhere.

As a Chinese Canadian scholar, in his many years abroad, Dr. Hsieh's heart was always linked to China and he worked vigorously to maintain China's international image. For the prosperity of the homeland, he shed blood and sweat. He worked tirelessly and moved people with his patriotic spirit.

Throughout the years, as a Chinese Canadian, he strove to promote friendship between Canada and China and advance Sino – Canadian cooperation and exchange. To this end, he endured the hardship of dozens of flights across the Pacific to raise understanding between and promote the friendship of the two peoples. He made his mark as an 'ambassador of friendship in Sino – Canadian exchange'.

Dr. Hsieh was generous and selflessly helped others without reservation or reward. He made everyone who came in contact with him benefit from his kindness. There are countless people who have benefited from his guidance.

Dr. Pei – Chih Hsieh is a shining example for all overseas Chinese; he is a tribute to Chinese everywhere. In today's great tide of reform and opening up, ever more Chinese are going abroad and

living in foreign countries. In handling relations between them and their host countries, Pei – Chih Hsieh's example has acquired even broader and deeper meaning. His brightness forever shines on those who follow him!

What grieved us most was in his unflagging pursuit of Sino - Canadian friendship and exchange, Dr. Hsieh lost his precious life in an automobile accident. In late May 1997, he accompanied the president of Royal Rhodes University in Victoria to Beijing for discussions on cooperation with Peking University. Soon after, he left for Taiwan to visit his father and to help make arrangements for a local student to study in Canada.

In the early morning hours of June 8th 1997, en route back to Taibei from Taizhong, the car in which he was riding skidded off the highway in a hilly area near the Xinzhu area. The car crashed into a gully and he lost his life. When the terrible news was released, it immediately sent shock waves to the other side of the Pacific and throughout the mainland, causing profound sorrow.

Peking University (Beida) is a place with which Dr. Hsieh has had close emotional ties and where he shed much sweat. As early as 1972, he toured Beida on his first visit to the mainland. In 1981, he spent time here on sabbatical leave. Afterwards, he came numerous times to lecture, building deep friendships with many people of Beida. His unfortunate passing caused undue sadness among Beida staff.

In eternal memory of Dr. Hsieh, Beida's bereaved decided they would do three things for him: First, bring Dr. Hsieh's ashes back to the homeland and assist his surviving family in erecting a gravestone for him at the Wanan Public Cemetery in west Beijing.

6

Second, mobilize friends and relatives to make contributions to the Pei – Chih Hsieh Permanent Scholarship in the Department of History at Beida. Third, call on friends and relatives to write articles and publish them in the "Professor Pei – Chih Hsieh Memorial Collection".

After three years of hard work, these three tasks have been completed so we can happily report to Dr. Hsieh's spirit in heaven. On the occasion of the publication of the Professor Pei – Chih Hsieh Memorial Collection, we must first deeply thank the great cooperation and generosity of Dr. Hsieh's family and various friends and relatives. They took time out from their busy schedules to write commemorative essays and provided all sorts of valuable assistance. Without their response and support, these three tasks would not have been accomplished.

Second, we especially wish to thank Dr. Hsieh's father, Mr. Hsieh Can – Zhang and his eldest son, Mr. David Hsieh, for providing the necessary funds for this book's publication. We also must thank Messrs. Hong Qingming and Fu Chengshuang, two PhD students in Peking University's Department of History, for their commitment of precious time and assistance to me in translation, proofreading and other tasks. Finally, I would like to thank the Ethnic Publishing House for their great support in publishing this book.
