序言

玉溪，中国西南滇中大地的一块璀璨的碧玉，它因溪水如玉而得名。它是伟大的人民音乐家、中华人民共和国国歌作曲者聂耳的故乡。是著名的云烟之乡，高原水乡，是一座美丽迷人的生态园林城市。

玉溪风光神秘梦幻灵气四溢：巍巍哀牢，茫茫云海，隔山联海，夸甲南滇，碧波抚仙，烟波浩淼——玉溪山水灵俊秀美；澄江关索戏，滇国修真女，江川牛虎铜案，帽天寒武爆炸——玉溪文化博大精深；中国花腰傣——玉溪民族绚丽多彩；天下有玉烟，山高有红塔，一村大营街，凯歌响中华——玉溪现代光芒闪烁。

玉溪和谐优雅。这里，交通便捷，气候宜人，物产丰富，四季飞花，人民富足平和。整座城市清新、自然，超凡脱俗，在1.5万平方公里的土地上，生活着206万勤劳团结的各族人民，他们共同打造了一个经济、文化、生态协调进步，人与自然和谐发展的山水城市！

神奇美丽的湖光山色

玉溪拥有四季如春的气候，丰富多彩的旅游资源 and 优质全面的服务设施。境内湖山连绵，溪流纵横，构成一幅幅独特动人的高原水乡风情画。

这里有全国最大的高原淡水湖泊——玉溪抚仙湖，它以其清澈透亮的一类水质和沿岸美不胜收的湖光山色，成为国内少有的休闲度假胜地。明代大文学家杨升庵曾用“天然图画胜西湖”的诗句来盛赞它。

水美山更美，在玉溪的众多群山中，最有名的要数横跨热带、亚热带之哀牢山国家级自然保护区。哀牢山峰峦叠嶂，云蒸霞蔚，原始森林苍苍茫茫，它以典型的生物多样性和保持完好的原始状态成为联合国“人与生物圈”定位观察点，走进哀牢山，你将体会到人与自然和谐共处的真谛。

博大精深的多元文化

玉溪是一座具有丰富文化底蕴的城市。原国务院副总理李岚清在考察玉溪时指出：“玉溪的文化在中国应该占有一席之地”。市委书记孔祥庚的认识是：玉溪是中国有名的云烟之乡，但是从玉溪的实际看，比烟草更有价值的是生态、文化！

玉溪，是古代中原文化与古滇文化相交融的一个多元文化区域。与抚仙湖美景融为一体的是帽天山、李家山、秀山三座自然和人文历史之山，它们以其亿万年的深厚积淀和上千年

的文化遗存,使玉溪进入世界科学与艺术史册。

澄江帽天山古生物化石群,被世界科学界称为“20世纪最惊人的发现”,破解了“寒武纪”生命大爆炸之谜;以“牛虎铜案”为代表的李家山青铜器,闪烁着战国时期古滇文化的灿烂辉煌;有“画山联海”和“秀甲滇南”之称的通海秀山,咏尽山林文化之风流。

滇国古乐千百年不绝于耳。抚仙湖的涛声浪影翻开一页页惊心动魄的历史,从5亿年前原始生命云南虫,到古滇国青铜器璀璨的金属光芒,再到秀山厚重的文墨古迹,从聂耳义勇军进行曲的慷慨激昂到“上善若水”、“山高人为峰”的人文情怀和豪迈精神,无不张扬着玉溪多元文化的无限风采。

神秘多彩的民族风情

千百年来,在玉溪这片肥沃、富庶的土地上,各兄弟少数民族与汉族相依相存,繁衍生息,用自己的方式创造了各自不同的民族文化。

在玉溪,最独特最神秘的民族是花腰傣,生活在玉溪境内的花腰傣是一个古老的傣族支系,他们以其华贵的服饰和古朴的风俗而有别于其他地区的傣族。花腰傣是一个亲水民族,他们逐水而居,沐水而秀。今天的花腰傣仍然

沿袭着许多古老的生活习性。

在花腰傣众多的风俗习惯中,最独特,最迷人的还要数每年的花街节。花街节是花腰傣青年男女相互认识、挑选情侶的盛会,因此又被人称为“东方情人节”。在神奇美丽的傣乡,当这些腰缠花腰带、摇动一路铃声的花腰傣少女款款走过之时,每个人都会记住这个童话般迷人的民族。

生机勃勃的地方经济

玉溪是一座充满活力,经济社会发展日新月异的城市,在这块不断书写神话的土地上,古老文明的光芒映照现代工业文明的辉煌。短短十几年的时间,玉溪红塔集团由一个小厂一跃成为亚洲第一现代化大型卷烟企业,被中国经济界称为“红塔现象”。

目前,玉溪已形成了以烟草及其配套产业为龙头,以矿电、旅游及生态农业为代表的一批支柱产业。据统计,玉溪财政收入居西部地区地级市第一位。十多年来,玉溪共上缴国家财政1300多亿元。今天的玉溪,已经展示出它强大的经济活力,在现代文明的匆匆脚步中,玉溪一直走在西部地区的前列。

Preface

Yuxi, a green jade in Central Yunnan, is a pearl in the southwest of China; it is named for its jade water springs forming clear streams. Yuxi has been known as the home of Nie'er, who is the composer of the national anthem for the People's Republic of China and is regarded as the People's Musician, the home of the tobacco and the plateau of water. It's a fascinating and ecological garden city.

Yuxi is an amazing city. It has the mystery natural scenery, Ailao Mountain, Xiushan Mountain, Fuxian Lake and Xingyun Lake; It has the cultural heritages, Guansuo opera of Chengjiang, Xiuwen lady of Dian Dynasty, Cattle-Tiger Bronze table of Jiangchuang, Cambrian detonation of Maotian Mountain and the ethnic minority-Huayao Dai; it also has the modern culture, Hongta Group, Dayingjie town.

Yuxi is a harmonious city with the convenient transportation, comfortable climate and the people's rich life, within the area of 15,000 square kilometers, more than 2 million people work hard for this garden city, bring the economy, culture and ecology into line.

The Significant Natural Resources-Mountains and Lakes

Fuxian Lake, the largest fresh water lake in the plateau, with its first class I quality water and wonderful around-lake scenery, turned to be the heaven for tourism and leisure. Yang Shengan, the poet of Ming Dynasty praised Fuxian Lake "the jade green surpassing the West Lake it is seen".

The spring-like climate, colorful tourism resources and excellent services form the unique and beautiful pictures of Yuxi.

Among the mountains in Yuxi, the most famous one is Ailao Mountain, the national nature protection which crosses the tropics and the subtropics. The United Nation named it as "the positioned observation spot of human beings and the biosphere" for its biodiversity and well-protected forests.

Broad and Profound Culture

Yuxi has abundant culture inside. The former deputy premier of the State Council, Lanqing, Li said that the culture of Yuxi should be the part of China. The secretary of Yuxi, Kong Xianggen, agreed that the culture of Yuxi should be more valuable than

that of the tobaccos, even Yuxi is a famous home of the tobaccos.

The ancient Chinese and Yunnan culture melted here, Maotian Mountain, Lijia Mountain and Xiushan Mountain containing the stories of nature and humanities happened millions years ago brought Yuxi into the World scientific and artistic annals.

The ancient extinct organism fossils in Maotian Mountain was recognized as the most astonishing discovery in 21st century by scientists in the world, which explained the detonation in the Cambrian period; the brightness of ancient Yunnan culture was amplified by the bronze wares of Lijia Mountain which were represented by the "Cattle-Tiger Bronze Table"; the inexhaustible antithetical couplets revealed the literary of Xiushan Mountain.

The ancient music lingering, the Fuxian waves patting. The soul-stirring history ran through 500 millions years primitive Yunnan worms, dazzling bronze wares, precious writings to the modernity, the diversities of Yuxi culture are displayed incisively.

Colorful Ethnic Custom

The minorities created their own cultures. Huayaodai is most attractive for its uniques. It has the same origin as Dais but was distinguished from Dais in other areas for the colorful and delicate clothes with flowery belts in the waists for women.

The yearly Flower Street Festival is a special festival of congratulation and thanksgiving as well as a happy day for the young to show off their beauties and to seek for their loved ones. It is also called "Oriental Valentine's day".

Prosperous Local Economy

Yuxi is proud for its prosperous local economy. In the very short time, Yuxi Hongta Group turned to be the largest and most modernized tobacco enterprise in Asia and is praised as "Hongta phenomenon".

Led by tobacco and its side products, the pillar industry has been formed with the representatives of the mining, electricity and ecological agriculture. According to survey, the financial revenues of Yuxi stood the first among the same administrative-class cities in the western area. For the past ten years, the total national tax Yuxi paid was more than 130 billions.
