前 言

自从 1996 年刑事诉讼法修改至今，已经经历了 10 年的实践。在这十年中我国的法制建设取得了很大进展；在世界范围，也有许多国家对刑事诉讼法进行了修改。在去年，全国人大法工委将刑事诉讼法的再修改纳入三年立法规划。此外，我国在 1998 年签署了联合国《公民权利和政治权利国际公约》，现在我国政府也在积极酝酿对这个公约的正式批准。这个公约中的不少条款，直接涉及我国刑事司法制度的改革，特别是有关生命权、自由权、反对酷刑权和公正审判权等。在目前的研究和法律修改活动中，我们明显地意识到为了能够更好地修改刑事诉讼法，使其符合国际准则并在我国实践中能更好地实施，我们需要更多的有关国际刑事司法方面的信息和从比较研究的角度看他国刑事司法改革的经验。我们希望，能够通过这本书给大家提供从新的角度更深入地了解美国刑事诉讼程序的途径，并且促进对美国刑事诉讼理论与实践进一步发展的更广泛和基础的研究。

这本书的风格与其它介绍美国刑事诉讼程序的书有所不同，不是对指导美国刑事诉讼实践的规则进行简单的叙述，而是非常谨慎地选择了一系列论文，旨在展示那些影响美国刑事诉讼发展的主要辩论。它的目的是帮助读者除了了解那些规则外，

更深入地了解美国刑事诉讼的理念和现实，并从其渊源了解社会、历史、文化和传统的不同因素对刑事诉讼发展进程的影响。

本书的每一章都以一个简要的概述开始，其后是美国宪法的相关条文及有代表意义的判例。这些案例通常是那些创制美国刑事诉讼程序中最著名规则的判例。每章的最后一部分我们选择了那些最具有代表意义的专家的文章，目的是展示美国的学者在刑事诉讼理论进一步发展方面的不同观点和争论。最后一章论述了美国刑事诉讼程序的一些最新发展。

在此，我衷心感谢美国福特基金会，特别是其前项目官员张乐伦女士在最初的立意和选题方面的帮助，以及现任项目官员刘晓堤女士在后期编辑出版上的关注与支持。这本书的计划工作最初是在加利福尼亚大学戴维斯分校的法学院完成的。弗洛伊德·菲尼教授和我在当时设计了本书的结构，筛选了相关的资料并进行了编辑。菲尼教授撰写了每一章的概述，并协助收集了所有文章翻译的版权许可。程味秋教授对译稿的审查提供了重要帮助并编写了书后所附的有关刑事诉讼程序的词条。卫跃宁副教授、王树平博士、吴宏耀副教授、郑旭副教授、胡铭博士和温小洁博士共同翻译了本书。我也非常感谢我的学生郭烁、吴迎曦、刘晓丹、马贤丽、孙晓琦、蔡国华在文字校对上给予了很重要的帮助，并且还要感谢我校211工程办公室对本书出版的补贴资助。对所有这些专家、学者和学生所进行的认真工作和对本书的重要贡献表示真诚的谢意。

岳礼玲

2006年5月于北京

Foreword

Since 1996 revision of Criminal Procedure Law, it has been 10 years practice of law. During these 10 years, China's legal reform has made great progress. Last year, Legislative Affair Office of People's Congress has put Criminal Procedure Reform into the law revision plan. In addition, China has signed International Covenant on Civil and Political Rights in 1998, right now Chinese government is preparing for the ratification of the Covenant. There are quite some of articles related to the Criminal Procedure Law reform, specially the right to life, right to liberty, right to against torture and right to fair trial etc. During recent research, we have recognized that greater knowledge about international criminal justice and the comparative aspects of criminal justice reform would be helpful for the Criminal Procedure Law revision. No single book can supply all the information and research needed for this purpose. We hope, however, that this book—by providing a fresh, and deeper look into American criminal procedure—will help to stimulate the broader research and study essential for further development of theory and practice.

The style of this book differs from others which seek to introduce

American criminal procedure. Rather than a statement of the rules governing American practice, the book is a carefully selected collection of articles intended to show some of the major debates that have shaped the development of American criminal procedure. Its purpose is assist readers who would like to go beyond the rules in order to develop an understanding of the rationale and reality of criminal procedure—learning from original sources how the different elements of society, history, culture, and tradition influence the process of development of criminal procedure in another society.

Each chapter begins with an introduction. This is generally followed by the relevant article or parts of the American Constitution and by one or two leading cases. Often the cases included are those creating the best-known rules in the particular area of criminal procedure discussed. The last part of each chapter contains excerpts from leading articles showing how American scholars debate with each other the future development of their criminal procedure theory. The final chapter discusses some of the most recent developments in American criminal procedure.

I would like to thank the Ford Foundation, and particularly Ms. Phyllis Chang, the Foundation's former Program Officer, for encouraging the idea of the book and the current Program Officer, Ms. Titi Liu, for providing further support for editing and publication. The book itself was planned at the University of California at Davis, School of Law. Professor Floyd Feeney and I planned the structure, selected the

materials, and edited the book. Professor Feeney also wrote an introduction for the book and for each of the chapters, he also collected all permissions of copyright for translation and publication. Professor Cheng Wei Qiu helped with the important work of reviewing the manuscript and editing the glossary. Associate Professor Wei Yuening, Dr. Wang Shuping, Associate Professor Wu Hongyao, Associate Professor Zheng Xu, Dr. Hu Ming, and Dr. Wen Xiaojie were responsible for the translation. I am also very grateful to my master students Guo Shuo, Wu Yingxi, Liu Xiaodan, Ma Xianli, Sun Xiaoqi, and Cai Guohua. They helped a lot with updating materials and further checking translation. I would like to express my great appreciation to all of these scholars for their careful work and their important contributions to the book.
