Preface

Calligraphy is a traditional art of the Chinese nation which is also the most representative spiritual symbol of Chinese culture. In its long history, famous calligraphy works emerged endlessly. Only in the 20th century, there have been many dizzying and amazing works of calligraphy.

In modern times, there are vast calligraphy works not only by professional calligraphers, but also by some non-professional celebrities. In fact, the works of celebrities, especially some hot social characters, are often very concerned, although their level maybe not very high.

Mr. He Guodong, who is the senior editor of Shanghai Literature and Art Publishing House, has been working in this area for many years and wrote this book named “Collections of The Celebrities’ Calligraphy Works in the Twentieth Century”, in which we can see many classic works of different style and faction, including the works of politicians in the period of the Republic of China, such as the works of so-called Four Great Masters, which are Tan Yankai’s regular scripts, Yu Youren’s Cursive characters, Wu Jingheng’s seal characters and Hu Hanmin’s official scripts. In this book, we can also see the works of many representatives of different areas in various history stages, like Chen Duxiu, Mao Zedong, Hu Shi, Lu Xun, Ma Yifu, Hongyi, Zhu Ziqing, Shen Congwen, Mei Lanfang, Zhao Dan, He Zhenliang, Zhang Yuanji, Zhang Daqian, Rao Zongyi, Tao Xingzhi, Zhao Puchu and so on. The author widely collected the works of celebrities including statesmen, strategists, writers, artists, educationalist, etc so as to promote the reading taste and collection value of this book.

As China was in large turmoil, changes and adjustments in the twentieth century, especially the first fifty years, the contents of many celebrities’ works often involved some important historical events. For example, the incomplete letter of Zhang Zizhong, who was an anti-Japanese hero, was written in the battlefield. The preface of the painting “Five Crab” by Ma Mengrong, a painter in the period of the Republic of China, was written in three days after the outbreak of the anti-Japanese war in Jan. 28, 1932 in Shanghai. In the preface, the painter wrote, the Japanese invasion was more and more serious and when it would end. Ma Xiangbo who was called “Old Patriotic Man” expressed his patriotism by the couplet “There is no greater shame than national subjugation. We will fight and live after we die”. Yu Youren wrote a poem with five characters to a line in running scripts “we may dressed in the same while having different dreams, we may have the same dream while with different minds. Even with one hundred thousand elite soldiers, we still can’t tell when the civil war will end. I write ShimenMing in the morning and write ErshiPin at night every day. I can collect these calligraphy works, but can’t do anything for my country which makes me crying every night”, expressing his worrying about the civil war. According to the celebrities’ social position, experience and the contents of their works, we could learn a condensed history of modern China.

There are altogether 495 calligraphy works by 478 celebrities with an integration of knowledge, appreciation and information which makes this book have a great value of collection.

序 言

书法是中华民族的一门传统艺术，是中国文化最具代表性的精神符号。在浩瀚的书法历史长河中，名家名作层出不穷。仅就二十世纪而言，这一百年间所沉积下来的书法佳作，已足以令人目不暇接、叹为观止了。

在近现代这些浩如烟海的书法作品中，既有专业书法家的书作，也有非专业的各界名人的墨迹。其实，对于名人，尤其是一些社会热点人物，人们对其墨迹往往也是十分关注的。尽管有些名人的书法水平未必很高，但却不会影响大家对此的兴趣。

有鉴于此，上海文艺出版社资深编辑何国栋先生多年来致力于这方面的工作，并且编就《二十世纪名人书法大成》。从中我们可以欣赏到许多流派纷呈、各领风骚的经典作品，包括历来影响很大的民国时期之政要书法，例如谭延闿的真书、于右任的草书、吴敬恒的篆书、胡汉民的隶书。所谓民国“真草篆隶”四大家的力作，均历历在目。作品的范围还旁及社会发展各个时期不同领域许多代表人物的墨迹，诸如陈独秀、毛泽东、胡适、鲁迅、马一浮、弘一、朱自清、沈从文、梅兰芳、赵丹、何振梁、张元济、张大千、饶宗颐、陶行知、赵朴初等等，不管是政治家、军事家、文学家、艺术家、教育家，还是社会各方名流贤达，广收众家作品，以增添本书的阅读品味和收藏价值。

二十世纪，尤其是二十世纪前半叶的中国，处在大动荡、大变革、大调整的时期，许多名人的书作内容往往涉及某些历史重大事件。如：抗日英雄张自忠的一副残缺书信，是他在抗日战场上所写。民国画家马孟容的《五蟹图》题跋“看尔横行到几时。倭寇日深，写此志感”，是在一九三二年上海“一·二八抗战”爆发三天后所写。而“耻莫大于亡国，战虽死而犹生”这副对联，表达了“爱国老人”马相伯的拳拳之心。于右任的行书五言诗“同袍不同梦，同梦不同情。十万横磨剑，讵能平不平。朝临石门铭，暮写二十品。辛苦集为联，夜夜泪湿枕”，则吐露了他反对内战的沉痛心情。如此等等，从一个个风云人物的地位、经历和书作的内容，似乎让人读到一部浓缩了的中国近现代史。

纵观全书，总计编录了四百七十八位名人的四百九十五幅作品，洋洋洒洒，斑斑澜澜，堪称是一部融知识性、欣赏性、资料性于一体，具有收藏价值的大成性图集。
