One day, a little sparrow was hopping  
through the grass.

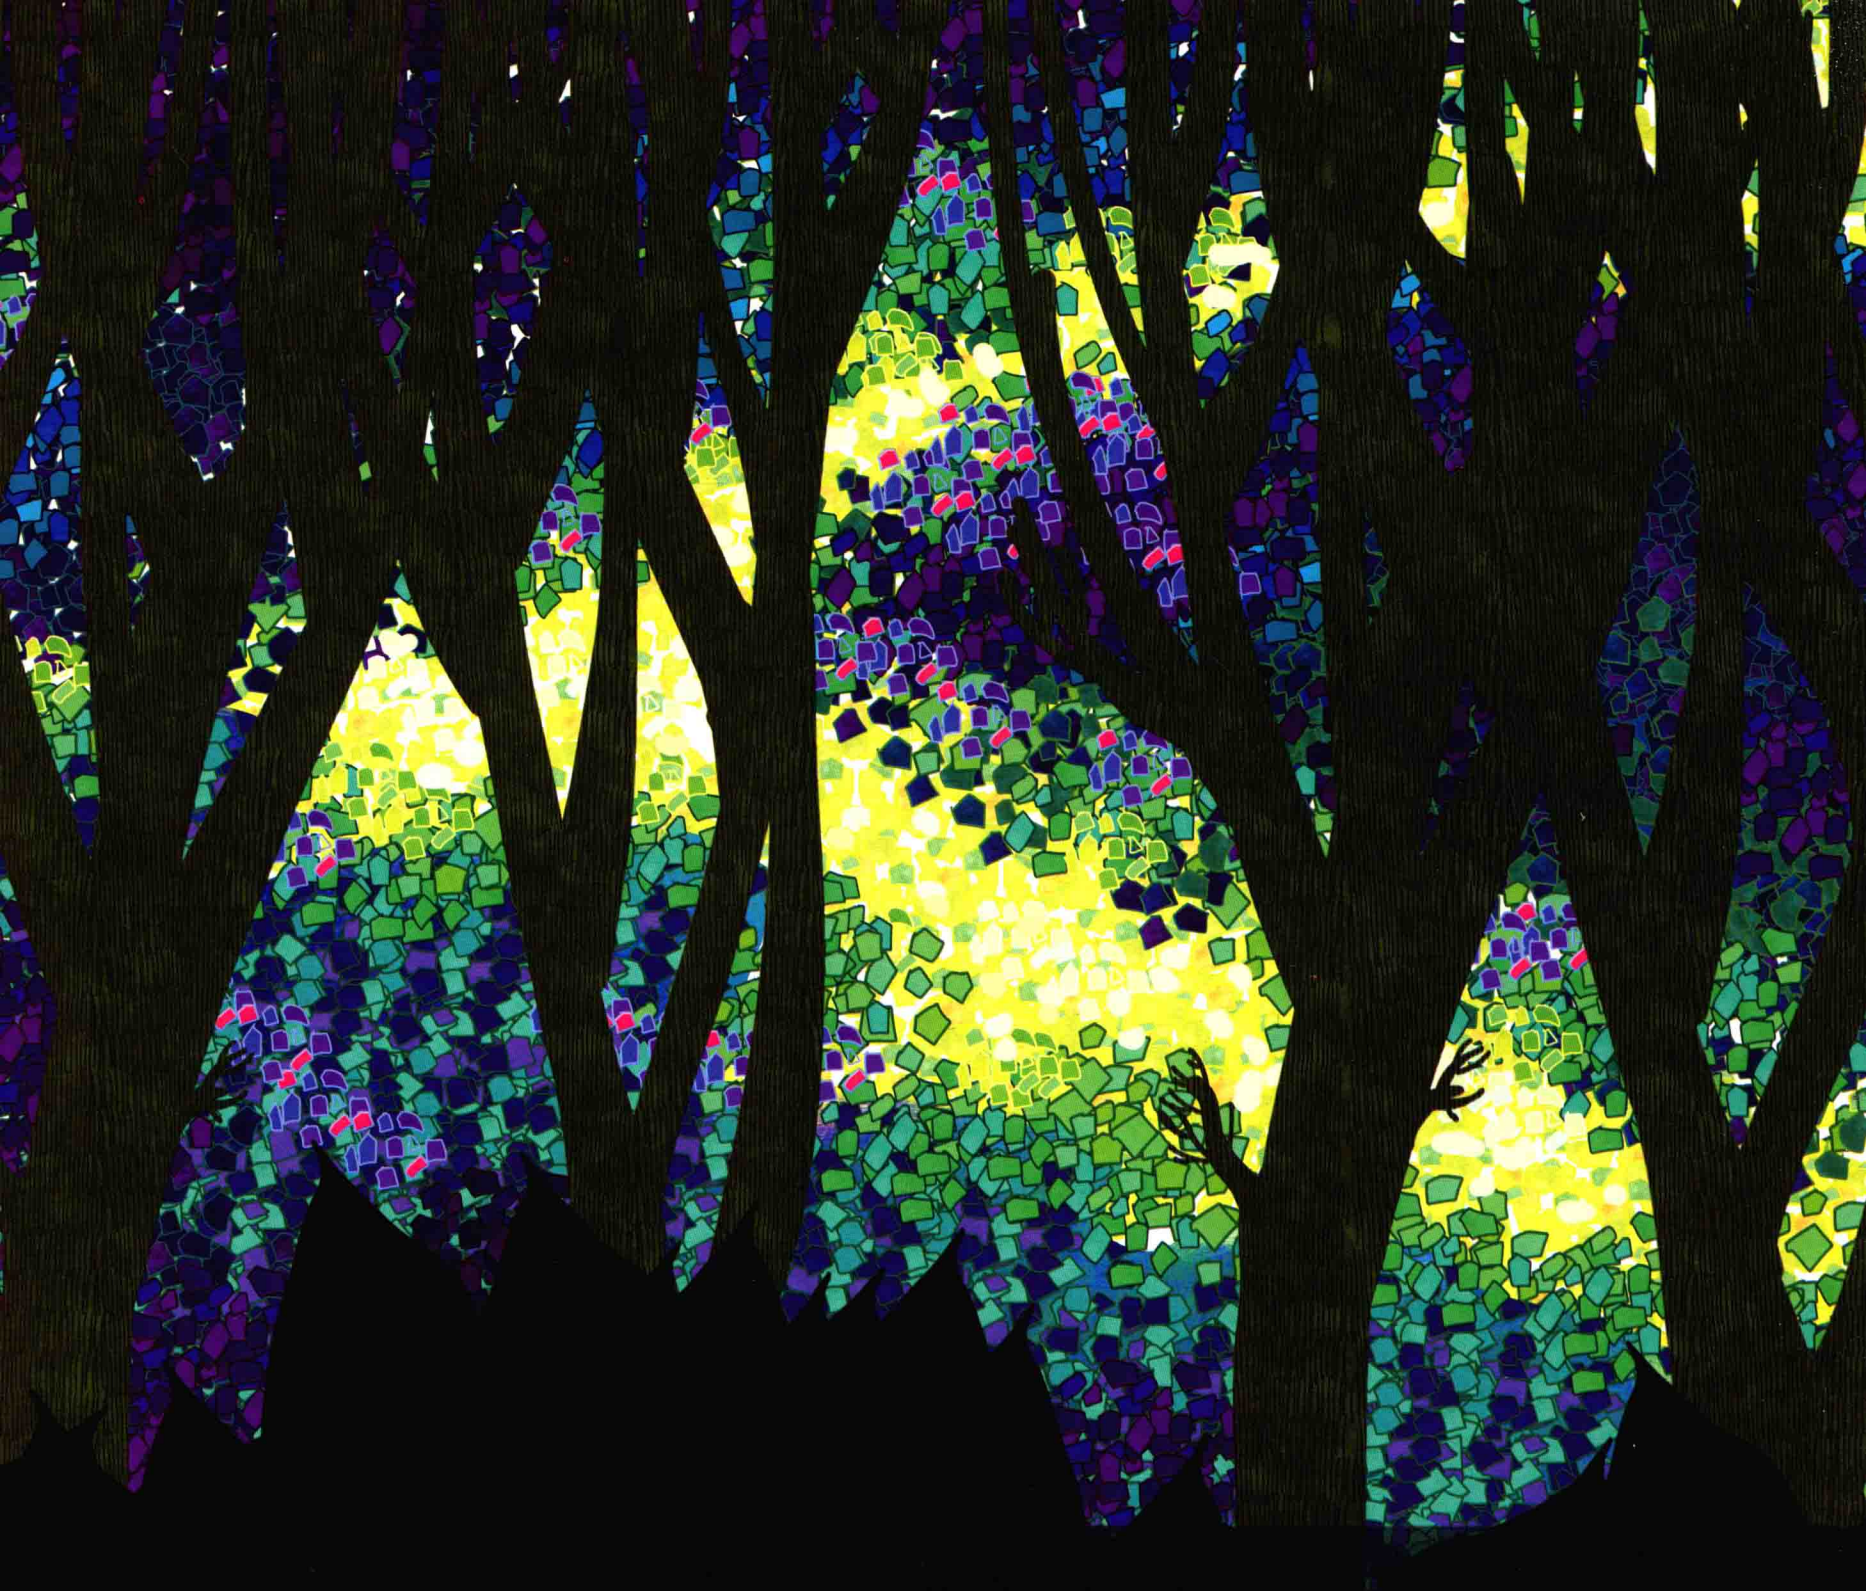

Little Sparrow was looking for seeds to eat.  
As he'd hopped along, he only had eyes for food.

A cloud passed over the sun.

When the sun came out from behind the clouds,  
Little Sparrow saw a terrible sight!

A monster like nothing on Earth, an alien!

It was tall and dark. Dozens of hands  
reached out from every part of its body.

Little Sparrow ran to warn his friends.  
He warned Squirrel,  
"Squirrel, come with me, if you want to be safe.  
Aliens have come to Earth!"

Squirrel ran to his tree and tried to carry his nuts away

but there were too many.

Some of them fell and hit Deer on the head.

Deer was angry and shouted,  
"Hey, kid! Watch out!"

Squirrel yelled,  
"Aliens have come to Earth!  
Come with us,  
if you want to be safe!"

Deer's eyes got big.  
He turned and ran.  
He ran right into a bear.
