Little Cactus stands on the windowsill
in a small pet shop.

Every day he is there alone.

No pets want to play with him,
because he has spines all over his body.

The two kittens have a ball of yarn to play with.

They don't play with our poor cactus
because their ball will stick to him.

The two puppies have a rubber bone to play with.

They don't play with our poor cactus
because their bone will be punctured.

Even the pets that are not afraid of his spines
will not play with him.

The turtles will not play with him.

A cactus will drink all their water.

The birds will not play with him.
A cactus can not fly.

Even the fish will not play with him.
A cactus can not swim.

Little Cactus is very sad.
He thinks he is good for nothing.
