必考高考金题

请根据以下提示,并结合事例,用英语写一篇短文。

We all expect ourselves to be the cleverest, but we should take “Be honest rather than clever”. (诚实比聪明更重要)

注意:

1. 无须写标题,不得照抄英语提示语;
2. 除诗歌外,文体不限;
3. 文中不得透露个人姓名和学校名称;
4. 词数 120 左右。

名师详解

【必考理由】

当前,从家庭到学校再到社会,越来越重视诚信。本篇书面表达切中“诚信”,通过让学生对比“诚信”和“聪明”,来明白诚信的重要性。另外,考生对该话题也有自己的发言权,写作起来,也会有话可说。

【参考范文】

It's said that honesty is the most important. I couldn't agree more. Although we all seem to like clever people, and desperately want others to recognize our own cleverness. However, I hold on to the belief that we should be honest rather than clever when it comes to business or other deeds of humanity.

One of my friends came back from a job interview and told me he was accepted instead of the candidate who seemed to be cleverer than him in every aspect. The explanation was that the company thought he was more honest with himself because he admitted he had some shortcomings and should keep improving, while the competitor was drunk with cleverness and said he could handle everything.

名师详解

【必考理由】

任何时候,想要成功,都必须通过自身的奋斗。唯有努力,才能叩开成功之门。“自助”和“天助”这一关系,众多高中生都熟悉,属于适合高中生的话题。这类话题,属于开放性话题,多个省市在命题时都会采用这种方式,考生应多加重视。

【参考范文】

Life is a long journey filled with ups and downs. Whenever we come to low points of our life, we should face reality with optimistic attitude. We might complain about our terrible situations, or even curse, but these feelings are reasonable as long as they won't drag us into an emotional hell where we would do nothing but wait or pray for things to be better automatically. However, it's people themselves who can make things better.

For example, students who failed several tests could keep up with top students if they listen to their teachers more carefully and do more exercises after class. Some overweight kids who want to become slim could lose certain weight if they fight against their greedier appetite and keep exercising. If God ever exists, he only helps those who make actual efforts and never daydream. That is, when things magically turn better, it's you who actually help yourself.

It's a challenge to fight against difficulty. What's more important is that it's the fight that brings hopes and changes.

【名师点评】

该文观点明确,先点出我们应该乐观地面对生活中的低谷,然后提出只有靠自己才能使事情好转起来,接着用一系列的例子证明自己的观点,最后提到通过努力才能带来希望和变化,从而首尾呼应,顺利完成全文的写作。该文衔接紧凑,过渡自然。值得一提的是,文章语言较为华丽,像 Life is a long journey filled with ups and downs. 比喻句的运用,一开篇就抓住了阅卷者或读者的心,而最后一句 What's more important is that it's the fight that brings hopes and changes. 中主语从句、表语从句和强调句型的完美结合,使得该文完胜。

We have to eat so that we can live. But we must remember “Live not to eat, but eat to live.” (活着不是为了吃饭,吃饭为了活着)

注意:

1. 无须写标题,不得照抄英语提示语;
2. 除诗歌外,文体不限;

人活着不是为了吃饭,但是吃饭是为了活着。是要庸俗,还是要高尚,就看如何处理二者之间的关系。高中生对此话题,同样有话可说,因此在写作中,不用担心思维和语言方面的问题,只需明白二者之间的正确关系即可。

该话题,适用于全国大部分省市,属于开放性作文。

【参考范文】

Life is a wonderful journey with beautiful views. However, in this modern world where everyone quickens their steps in order to keep up with the pace set by their superior peers, people are too busy to enjoy anything during the course. But we live not to eat, instead, we eat to live. In other words, we could also say that we eat, sleep and work to live a meaningful life where we would enjoy every bit of experience and feel happy.

Students often feel tired of their school life complaining about too much homework and no time to have fun; workers wear themselves out sitting in front of their work desk for hours. This should not be the case. Students could

该文观点明确,表达清晰、流畅,出色地完成了写作任务。作者运用了 superior, peer, participate, interact with, precious, meaningful, enjoyable, compose 等高级词汇,where we would enjoy every bit of experience and...定语从句,complaining about, sitting in front of..., interacting with...等短语的运用,增强了文章的语言魅力。

该话题充分结合了全国各地的英语作文命题思路,既有自己的独特之处,又与高考高度融合。高考考生写作此类话题时,应注意观点要明确。

【参考范文】

We all seem to like people that shine brightly among the crowd, and aim to follow them. However, it's a pity that I just found out that all that glitters is not gold.

Lucy, the star of our school, always has followers wherever she goes. She is a talented singer who could also dance, paint, play the piano and her academic achievements are just superb as well. It's been a pity she has a bad personality. She always acts alone and proud among poor students who can't afford to buy expensive dresses. What's worse, she always laughs at and finds faults with people who won't obey her orders or simply disagree with her.

Every coin has two sides. We should never be blinded by the glamorous side and give an objective judgment of everyone. Only with thorough knowledge can we truly know a person.

【名师点评】

作者首先表明自己的观点,然后用 Lucy 的例子来证明自己的观点。总体来讲,全文过渡较为自然,行文水到渠成,收尾也较为有力。在语言方面,第一段运用了 We all seem to like people that shine... 和 it's a pity that... 句式,首先抓住了阅卷者的眼球;接下来的例子,详略得当,很好地证明了作者的观点;最后一段,Every coin has two sides 谚语,we should never be blinded by... 被动语态,Only by thorough knowledge can we truly know a person... 倒装句型等,圆满地为写作画上了句号。

As people's lives have been greatly improved, they could afford to focus on their appearances. Some of them are seeking ways to look younger and more attractive. One unforgettable experience

I will never forget my experience when I traveled to Zhangjiajie. After my friends and I visited the Tianzi Mountain and prepared to return, we are informed that shuttle buses that transferred tourists down the mount were stopped ahead of time. Bailong sightseeing lift was our only choice to go back, but there were so many people around ticket window so we had to wait in line.

A man, tall and about 40 years old, who stood behind us at first, cut in line. At that time, a young man who looked like a university student, stood out and quickly stopped the man. However, other people including me kept silence because we did not want to get in trouble.

What this student did told us that in public everyone must follow a rule. Queue civilization is virtue and we should learn to fight with uncivilized behavior.

My beloved person

My mother is a village woman, who is already in her fifties. She didn't go to school when she was a teenager, but she knows that knowledge is of great importance to young people. She often asks me about my studies and encourages me to study hard to repay the motherland and society.

My mother cares about me and does everything she can for me, so that I can spend more time on my study.
