我生活在一个百花齐放、日新月异的时代，我赞美人类的一切文明和进步，我更迷恋华夏五千年留给人类最宝贵的文化艺术遗产，它凝聚着一个伟大民族的悠久历史，它体现了这个伟大民族无穷的智慧、丰富的想象力和卓越的创造才能。

通过与一件件历史艺术珍品的对话，我赋予它们一种新的情感意义，每幅作品中的诗情理趣，都展示了中华民族的生命历程，更唤起人们对伟大中国的热爱！

I live in an age of blossoms and rapid change, glorifying all civilization and progresses made by mankind. I am also infatuated with the most precious cultural and artistic heritage from the five thousand years Chinese history. It embodies a long history of a great nation and reflects infinite ingenuity, fertile imagination and excellent creativity of this nation.

Throughout the dialog with every piece of historical and artistic value, I give them whole new emotional meanings. The poetic sentiments and sensible interests of the paintings not only exhibit the life history of Chinese nation, but also arouse the people's passion for the country.
