

The background of the entire page is a textured green. It features several large, overlapping, semi-transparent shapes that resemble stylized leaves or petals. These shapes are in various shades of green, from a light lime green to a darker forest green. The overall effect is organic and layered.

# 前言

## Preface

北京国际雕塑公园，位于北京市长安街西延长线石景山区东部，总规划面积162公顷，是一个国家级的雕塑文化艺术园区。经过两年的建设，现已成为北京市最大的雕塑主题公园，更是“人文奥运”理念中一幅鲜活生动的图画。北京国际雕塑公园2002年9月正式开放，当年便跻身北京十大精品公园之一，可谓是21世纪北京城市文化建设的开篇力作。

北京国际雕塑公园以收藏、展示国内外雕塑艺术品为主，是一处集雕塑艺术欣赏、研究、普及和休闲、娱乐、旅游等功能为一体的综合性园林。现已有180余件来自40多个国家和地区的优秀雕塑、浮雕、壁画作品收藏于园中。体现出作品以及作者的国际性。园中雕塑作品，以现代、精粹、互动、发展为主题，其设计从视角、空间、尺度上，都与环境有机地融为一体，从而彰显出创作理念的国际性。因此，游览其间，不仅能欣赏到优美的园林环境，更能感受到高层次的雕塑艺术带来的文化冲击。这也正是北京国际雕塑公园建园理念的体现。

北京国际雕塑公园，在“将绿色的园林生态型公园与高雅的雕塑艺术相融合，以自然环境为本、以人为本”的理念下，逐渐成为了一个具有国际水平的雕塑主题公园，一个为社会各界所青睐的高品位、国际化的文化休闲场所，一个北京市标志性的新景观。

Beijing International Sculpture Park is situated in the east of Shijingshan District which is on the west extending line of Chang'an Street, Beijing. With a total plan area of 162 hectares, the Park is a sculpture culture art park at national level. It has become the largest sculpture theme park in Beijing after two years' of construction, it is even a lively picture in "humanized Olympic" concept. Beijing International Sculpture Park was open officially in September 2002. It was one of the ten elaborate parks in those years. It deserves as a beginning masterpiece of the city cultural construction in Beijing in 21 century.

Beijing International Sculpture Park mainly collects and exhibits sculptures both from domestic and overseas. It is an integrated park combining such functions as sculpture art appreciation, research, popularization, recreation, entertainment, tourism etc. More than 180 excellent sculpture, relief sculpture, mural painting works from more than 40 countries and regions have been collected in the Park, which embodies the internationalism of the works and the sculptors. With the modern, succinct, interaction and development theme, the design of the Park combines with the environment organically together at visual angel, space and scale; and thus demonstrates the internationalism of creation concept. So one could not only enjoys the beautiful park environment, but also could appreciate cultural strike brought about by high-level sculpture art, which is also the very embodiment of the building concept of Beijing International Sculpture Park.

Under the concept of "combining green ecological landscape park with elegant sculpture art on the basis of environment and human" Beijing International Sculpture Park is becoming a sculpture theme park at international standard, a high rank and internationalized cultural entertainment place favored by all circles of the society, and a new symbolic scenery of Beijing.
